

STRIVE 4 A SAFER DRIVE ▲

Application

Strive for a Safer Drive (S4SD) is a high school safe driving initiative. \$1,000 is being offered to high schools to create a student-led traffic safety campaign.

Applications are due by **November 10, 2023**. Participation requirements, campaign examples, resources for a successful campaign, and purchasing guidelines can be found at Michigan.gov/s4sd. Funding will be issued to high schools in December.

High school teams will document their campaign and submit a final project for judging. The top three schools will have an opportunity to present to the S4SD team. All participating schools are invited to attend the Ford Driving Skills for Life Event in the spring.
