6. Executive Director's Report

Budget Update

Anne Zerbe reported that she met with house and senate subcommittees to discuss budget priorities for the fiscal year 2023. She noted that Medicaid revenue is expected to increase significantly due to the CMS-eligible beds at the Michigan Veteran Homes at Grand Rapids and Chesterfield Township. This revenue will eventually decrease the reliance of the utilization of general funds.

Ms. Zerbe shared that Chair Henry sent a letter to the governor's office and select legislators regarding the support of funding for a replacement facility in Marquette. She anticipates some type of funding for the facility; however, nothing has been finalized. Ms. Zerbe added that discussions are also underway for funding additional veterans homes in Detroit and the upper-lower peninsula. Final budget information will be posted on DirectorPoint for board member review.

Chair Henry reiterated the importance of using of DirectorPoint to view board-related documents. He also suggested the possible procurement of iPads for board members; cost estimates will be reported at the next meeting.

Chair Henry expressed concern that the board has a dismal record for board member attendance at the meetings and encourages board members to reflect on their commitment to the governing board. There are two openings for the board: Henry Boutros has resigned, and Zaneta Adams' position will move to a non-voting member this summer. Board members are encouraged to direct any prospective board members to the governor's appointments website.

Anne Zerbe closed the budget discussion by stating that she has asked for a supplemental for operations due to the budget shortfall and the request is under consideration.

NASVH Spring Conference Recap

Steve Rolston provided an overview of the NASVH Conference, stating the focus was on the VA survey modernization. Several members from the MVH Leadership Team attended the conference, along with Brad Slagle on behalf of the board. Brad Slagle described his experience at the conference, noting the centralization of surveys and the naming of Congressman Bergman as Legislator of the Year based on his past support of veterans homes.

Members/Families Satisfaction Survey Results

Beth Simonton-Kramer led a discussion on the Members/Families Satisfaction Survey which was conducted last spring.
