## 7. Governance and Advocacy

- **Ken Robbins**

- Beth Simonton-Kramer discussed the bylaws and policies and to make the change and ratify for the year. One change is the Charitable Support Fund policy and to broaden the use of the funds for public media activities. The current language is in paragraph 4.E. which discusses public relation activities including a newsletter. This includes modernizing it to incorporate different types of publishing activities by creating a promotional video and or use of social media along with modern ways of communicating. Language would include public relations activities including publishing media that supports and promotes the homes.
- Barry Walter asked if this includes Facebook with social media and what kind of limitations do we have. Beth states that the homes have processes that are vetted like photographs to be approved by the members or their responsible parties with consent.
- Ken Robbins proposed a motion to amend the Charitable Support Fund policy with committee recommended language permitting the use of funds to create media that supports and or promotes the homes.

**All in favor. No opposed.**

## 8. Bylaws

*Walter, seconded by Bauer, motion to adopt, and ratify MFVA bylaws and policies for 2024 as amended. Motion passed 5-0.*

*Robbins motions the draft proclamation submitted by the governance and advocacy committee to the full board to be approved and submitted to the Executive Office of the Governor's Proclamation for consideration and recognition of State Veteran Homes, Walter seconded, motion passed 5-0.*

## **10. New Business**

## **Public Comment**

No comment.

## **11. Board Comment**

- Barry Walter would like to thank Ryan Engle for his meeting last week on Monday.
- Leon Bauer is questioning if we would welcome inviting veteran groups, county commissioners to the meeting. Discussion on maybe having open houses with local groups. Meetings at the different homes maybe having the opportunity to invite local groups, VSO's, and local officials.
- MaryAnne Shannon reported on what she has learned about lack of open veteran cemetery plots as she continues to explore veteran cemetery options with her American Legion group. She also reported that as board secretary she is working with Lynne and Beth on developing an annual board attendance grid. Lastly, she asked the question about our 2 open board positions and Ryan Engle reported he continues to work on that for the board.
- Ken Robbins stated that he likes the meetings in Lansing but knows that it will benefit going to the different homes for meetings.
- David Rutledge thanked everyone for allowing him to be on a call at the beginning of the meeting.
- Brad Slagle discussed Chesterfield and how great the Legislative lunch and learn that Ryan put on.
- Brian Love stated that Anne did a wonderful job at the MVA's Budget presentation and the work that Ryan Engle does with connecting the community and our veteran engagement with the homes.
