August 2025

Happy August!

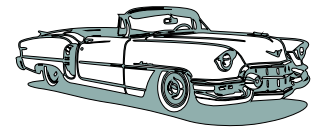

Here we are nearing the end of a very hot summer! We are hopeful our big bus will become available this month, so in the meantime, trips are still a bit smaller but still a great time. I appreciate all of our volunteers who have met the group at the location of the event the past two months to make more space on the bus for our members.

We've been onboarding a few new wonderful volunteers here at the home, so if you see a new face, please give them a warm welcome!

Thanks!

## Outings, Trips & Activities for Volunteer Support

### Tuesday Shopping- Every Tuesday from 12:45-3:30pm

- Assist members with shopping at Meijer or Walmart

### Lakeshore Frederick Meijer Gardens- Monday, August 4<sup>th</sup> from 10am-1pm

- Assist members on our memory care household with transportation around the gardens. You will be walking and pushing a member in a wheelchair, so please be mindful when signing up!

### Car Show- Thursday, August 28<sup>th</sup> from 1-3pm

- We'll have vintage cars, sports cars, and other hot rods at our car show this month! Since this is an outdoor event, we will be heavily reliant on volunteer support transferring members outside and staying with them for the duration of the program. Please dress accordingly!
