I understand that the course(s) and grade(s) for each articulated course entered above will become a part of my Kellogg Community College academic record once I have successfully completed the requirements established by the High School/Career Center and Kellogg Community College. Submission of the required documentation must be received within 26 months of High School graduation to be applied. I further understand that to articulate credit, I must meet the minimum requirement of a grade of "B" or above, and meet the competencies agreed upon by the Tech Prep Articulation Committee.

With successful completion of all courses, a student will earn 7 High School credits, 3 Core Component High School Credits and 19 KCC articulated college credits.
