Only those proposals receiving a score of 80 points or more will be considered for the award. All qualified proposals will be evaluated based on rating criteria identified in the proposal (Section III).

#### 7. LEO Reservations

LEO reserves the right to:

- a. Conduct an on-site visit to tour and inspect the Bidder's facilities, require an oral presentation of the Bidder's proposal, conduct interviews with Bidders, or request additional concessions at any point during the evaluation process. If it is determined that a Bidder purposely or willfully submitted false information, the Bidder will not be considered for award, LEO may pursue debarment of the Bidder, and any resulting agreement that may have been established may be terminated.
- b. Modify the RFP at any time prior to the deadline submission date. Changes will be posted on <https://www.michigan.gov/ogm> via a "proposal amendment." This is the only method by which the RFP may be modified. Amendments posted before the deadline submission date may include documentations such as questions and answers, revisions, and/or clarifications to the initial RFP. Amendments posted after the deadline submission date may include documentation such as the award recommendation letter.

- c. Issue a request (“Clarification Request”) to the Bidder to clarify its proposal. Failure to respond to a Clarification Request by the deadline specified in the request may be cause for disqualification.
- d. Consider all proposals received property of LEO.
- e. Not award an agreement if it is determined in its sole discretion that contracting with or awarding a grant to a Bidder presents an unacceptable financial risk to LEO.
- f. Establish the criteria by which it will evaluate each Bidder’s response, and by which it will determine the most responsive, capable, and qualified Bidder(s).
- g. Discontinue the RFP process at any time for any or no reason. The issuance of an RFP, preparation, and submission of a proposal, and LEO’s subsequent receipt and evaluation of a proposal does not commit LEO to award an agreement, even if all the requirements in the RFP are met.
- h. Consider late proposals: (i) if no other proposals are received; (ii) if there are no complete proposals received; (iii) if LEO received complete proposals, but they did not pass the evaluation process; or (iv) if the award process fails to result in an award.
- i. Consider an otherwise disqualified proposal if no other qualified proposals are received.
- j. Disqualify a proposal based on the information provided or if it is determined that a Bidder purposely or willfully submitted false information in response to the RFP.
- k. Consider Bidders’ prior performance with the state of Michigan in making its award decision.
- l. Consider overall economic impact to the state of Michigan when evaluating the proposal pricing and in the final award recommendation. This includes, but is not limited to considering principal place of performance, number of Michigan citizens employed or potentially employed, dollars paid to Michigan residents, Michigan capital investments, job creation, tax revenue implications, economically disadvantaged businesses, etc.
- m. Consider total cost of ownership factors (e.g., transaction costs, training costs, etc.) in the final award recommendation.
- n. Refuse to award an agreement to any Bidder that has failed to pay state of Michigan taxes or has any outstanding debt with the state of Michigan.
- o. Enter negotiations with one or more Bidders on price, terms, technical requirements, or other deliverables.
- p. Award multiple, optional use agreements, or award by agreement activity.
- q. Evaluate the proposal outside the scope identified in Section I.6 if LEO receives only one RFP response.

#### 8. Proposal Protest

If a bidder wishes to initiate a protest of the award, they must submit a written protest to [LEO-RefugeeServices@michigan.gov](mailto:LEO-RefugeeServices@michigan.gov) no later than 5:00 p.m., five business days after receiving the Award Announcement. The State reserves the right to adjust this timing and will publish any change. Additional information about the protest process is available at [www.michigan.gov/micontractconnect](http://www.michigan.gov/micontractconnect) under the “Programs and Policies” link.

## 9. General Proposal Conditions

The State of Michigan will not be liable for any costs incurred by the Bidder in preparation of its proposal, delivery of a proposal, and any follow-up discussions with the state of Michigan. The Bidder agrees that its proposal will be considered an offer to do business with the state of Michigan in accordance with the provisions of its proposal, including the Standard Terms, and that the proposal will be irrevocable and binding for a period of 90 calendar days from date of submission. If a grant is awarded to the Bidder, the state of Michigan may, at its option, incorporate all or any part of the proposal into a grant. This RFP is not an offer to enter a grant. This RFP may not provide a complete understanding of the State of Michigan's environment or contain all matters upon which an agreement must be reached.

## 10. Freedom of Information Act

Under MCL 18.1261(13)(b), records containing “a trade secret as defined under section 2 of the uniform trade secrets act, 1998 PA 448, MCL 445.1902, or financial or proprietary information” are exempt from disclosure under FOIA. And under MCL 18.1470(3), “proprietary financial and accounting” information is also exempt from disclosure under FOIA. If information within a Bidder's proposal falls under the aforementioned exemptions, and the Bidder seeks to have it withheld from disclosure under FOIA, then by the proposal deadline, the Bidder must: (1) save exempt information in a separate file (i.e., document); (2) name the file/document “FOIA-EXEMPT”; (3) label the header of each page of the file/document “Confidential–Trade Secret,” “Confidential–Financial,” or “Confidential–Proprietary” as applicable; (4) clearly reference within the file/document the RFP schedule, section, and page number to which the exempt information applies; and (5) verify within the FOIA-EXEMPT file/document that the information meets the FOIA exemption criteria. The State reserves the right to determine whether information designated as exempt by a Bidder falls under the FOIA exemptions. Resumes, pricing, and marketing materials are not trade secrets or financial or proprietary information. Do not identify your entire proposal as “FOIA-EXEMPT,” and do not label each page of your proposal “Confidential.” If a Bidder does so, the State may require the Bidder to resubmit the proposal to comply with steps (1) – (5) above. The State reserves the right to disqualify a Bidder for failure to follow these instructions.

- i. Statistical data, activities, challenges, and accomplishments regarding clients served and any other measured outcomes relevant to the proposed program as identified in the Bidder's proposal. General program activities shall be reported in narrative format.   - iv. The Grantee shall comply with all reporting procedures established by LEO-OGM in completion of progress reports at time intervals, on forms, in formats, and by means specified by LEO-OGM. Any additional reports as deemed necessary by LEO-OGM shall be made and submitted by the Grantee upon request.
- c. Monitoring: LEO-OGM will review ILAS activities through routine monitoring to ensure Grantees are in compliance with state requirements, and services provided are in alignment with funding requirements. During monitoring, LEO-OGM will assess how services are provided, identify promising practices, and observe trends for further analysis and information sharing.
- d. Standard Terms: Awards made resulting from this RFP will require execution of an agreement with LEO. The agreement will contain standard terms. An example of Standard Terms can be found in the Appendix of this RFP.
- e. Audits: No financial audit is required under this Agreement by LEO. No financial audit costs should be billed to this Agreement. In the event the Grantee elects to have a financial audit performed, the submission of the report to LEO is not required nor desired unless there is a finding of a Going Concern. LEO has the option to perform audits, if requested.
- f. Criminal Background Check: If the resulting Agreement will be with an individual, LEO will complete the criminal background check on the Grantee, and the following language will be included in the Agreement:

Otherwise, the following language will be included in the Agreement:

*“As a condition of this Agreement, the Grantee certifies that the Grantee shall, prior to any individual performing work under this Agreement, conduct or cause to be conducted an Internet Criminal History Access Tool (ICHAT) check and a national and state sex offender registry check for each new employee, employee, subgrantee, subgrantee employee or volunteer who, under this Agreement, works directly with clients or has access to client information.”*

The ICHAT website address is <http://apps.michigan.gov/ichat>. The Michigan Public Sex Offender Registry website address is <http://www.mipsor.state.mi.us>. The National Sex Offender Public website address is <http://www.nsopw.gov>.

Prior to any individual performing work under a resulting Agreement the Grantee must certify that they will conduct or cause to be conducted a Central Registry (CR) check for each new employee, employee, subgrantee, subgrantee employee, or volunteer who, would work directly with children. Information about CR can be found at [http://www.mi.gov/dhs/0,1607,7-124-5452\\_7119\\_48330-180331--,00.html](http://www.mi.gov/dhs/0,1607,7-124-5452_7119_48330-180331--,00.html).

Prior to any individual performing work under a resulting Agreement the Grantee must not submit claims for, or assign duties, under this Agreement to any new employee, employee, subgrantee, subgrantee employee, or volunteer based on a determination by the Grantee that the results of a positive ICHAT and/or a CR response or reported criminal felony conviction or perpetrator identification make the individual ineligible to provide the services.

The Grantee must have a written policy describing the criteria on which its determinations shall be made and must document the basis for each determination. The Grantee may consider the recency and type of crime when deciding. Failure to comply with this provision may be cause for immediate cancellation of this Agreement. In addition, the Grantee must further have a clearly defined written policy regarding acceptable screening practices of new staff members and volunteers who have direct access to clients and/or clients' personal information. These screening practices serve to protect the organization and its clients. The Grantee must also assure that any subgrantees have both written policies.

If LEO determines that an individual provided services under this Agreement for any period prior to completion of the required checks as described above, LEO may require repayment of that individual's salary, fringe benefits, and all related costs of employment for the period that the required checks had not been completed.

- g. Subgrantees: If sub-granting:
- i. The Bidder must identify the services the subgrantee will perform and provide all information requested, as it applies to both the Bidder and the subgrantee(s).
  - ii. Subgrantees shall be subject to all conditions and provisions of the agreement including Internet Criminal History Access Tool (ICHAT) and Central Registry background checks, when applicable.
  - iii. The Grantee must obligate the subgrantees to maintain the confidentiality of LEO client information in conformance with state and federal requirements.
  - iv. The Grantee is responsible for the performance of any subgrantees who are held to the same standard of quality and performance as the Grantee. Evaluators of proposals will consider the qualifications of both the Grantee and subgrantee when making agreement award recommendations.
  - v. LEO may, at its discretion, require information on the process of an awarded subgrantee proposal.
- h. E-Verify: Section 291 of the fiscal year 2017 Omnibus Budget, PA 268 of 2016, requires verification that all new employees of the Grantee and all new employees of any approved subgrantee, working under this agreement, are legally present to work in the United States. All Grantees shall perform this verification using the E-Verify system (<http://www.uscis.gov/portal/site/uscis>).
- i. State Administrative Board: The State Administrative Board must approve all grants more than \$500,000. The decision of the State Administrative Board is final; however, approval does not constitute a grant. The award process is not complete until the awarded Grantee receives a properly executed grant.
