## Section I: PROPOSAL OVERVIEW

### 1. Instructions for Bidders

Bidders shall complete Section III – Proposal and submit additional pages (if necessary). When adding additional pages, the related subsection should be indicated at the top of the page with an attachment number. The pages should be numbered in sequence under each attachment. (For example, Subsection 2: Experience & Past Performance, Attachment 1, page 1 of 4, page 2 of 4, etc.). Bidders are expected to use the form and format provided in Section III to complete the proposal. Under each question there is a box titled “Bidder Response” for Bidders to respond. Font size should be no smaller than 12-point. Each box will automatically expand according to the amount of text entered. The shaded boxes that are titled “Evaluator Comments” should not be completed by the Bidder.

### 2. Delivery of Proposal

The Bidder must submit their proposal, attachments (if any), and modifications or withdrawals via email to [LEO-RefugeeServices@michigan.gov](mailto:LEO-RefugeeServices@michigan.gov). Proposals submitted in person, by mail, or by fax will not be considered for award. The Bidder may submit their proposal in Microsoft Word or PDF format. The proposal and attachments must be emailed by 11:59 p.m. EDT July 31, 2022. Bidder’s failure to submit a proposal as required may result in disqualification of proposal.

### 3. RFP Questions

Questions regarding the content of this RFP must be emailed to [LEO-RefugeeServices@michigan.gov](mailto:LEO-RefugeeServices@michigan.gov), on or before 11:59 p.m. EDT July 1, 2022. LEO staff are not allowed to respond to questions regarding the content of the RFP that are made via telephone.

LEO-Office of Global Michigan (OGM) will host an informational webinar for this RFP on Thursday, June 30<sup>th</sup> at 9am. If interested in attending, please email Dawn Arwood, [ArwoodD2@michigan.gov](mailto:ArwoodD2@michigan.gov), for webinar information.

### 4. Bidder Eligibility

Any organization or agency that serves ORR-eligible populations may apply for this funding. See Section II.2 for eligible populations. Non-governmental organizations must be a registered 501c3 nonprofit. Bidders are not required to have a history of funding with LEO-OGM to be eligible for this RFP.

State of Michigan employees may not act as Bidders. Proposals from Bidders who are current state of Michigan employees will be disqualified and will not be reviewed. Policy in Civil Service Rule 2-8, Ethical Standards and Conduct, states an employee cannot represent or act as an agent for any private interests, whether for compensation or otherwise, in any transaction in which the state has a direct and substantial interest and which could reasonably be expected to result in a conflict between the employee’s private interests and official state responsibilities.

5. Bidder Assurance

By submitting a proposal, the Bidder assures that:

- a. This RFP has been reviewed by the Bidder organization’s governing body, and that body has authorized submission of the proposal.
- b. The person identified below as “Representative” has been authorized by the bidding organization’s governing body to represent the organization for the purposes of the submission of a proposal and agreement negotiation.
- c. The bidding organization intends to provide services according to the information contained in this RFP, if selected and issued an agreement to do so.

6. Evaluation Criteria & Process

The maximum number of points that a proposal can receive is 100 points. The maximum number of points for each of the categories is as follows:

<b>Subsection</b>	<b>Maximum Points</b>
1. Bidder Information.....	not scored
2. Experience & Past Performance.....	15
3. Program Design.....	55
4. Program Budget Narrative.....	30
<b>Total Points Available</b>	<b>100</b>

Proposals will be evaluated by a grant review committee. Only those proposals receiving a score of 80 points or more will be considered for the award. All qualified proposals will be evaluated based on rating criteria identified in the proposal (Section III).

7. LEO Reservations

LEO reserves the right to:

- a. Conduct an on-site visit to tour and inspect the Bidder's facilities, require an oral presentation of the Bidder's proposal, conduct interviews with Bidders, or request additional concessions at any point during the evaluation process. If it is determined that a Bidder purposely or willfully submitted false information, the Bidder will not be considered for award, LEO may pursue debarment of the Bidder, and any resulting agreement that may have been established may be terminated.
- b. Modify the RFP at any time prior to the deadline submission date. Changes will be posted on <https://www.michigan.gov/ogm> via a “proposal amendment.” This is the only method by which the RFP may be modified. Amendments posted before the deadline submission date may include documentations such as questions and answers, revisions, and/or clarifications

to the initial RFP. Amendments posted after the deadline submission date may include documentation such as the award recommendation letter.

- c. Issue a request (“Clarification Request”) to the Bidder to clarify its proposal. Failure to respond to a Clarification Request may be cause for disqualification.
- d. Consider all proposals received property of LEO.
- e. Not award an agreement if it is determined in its sole discretion that contracting with or awarding a grant to a Bidder presents an unacceptable financial risk to LEO.
- f. Establish the criteria by which it will evaluate each Bidder’s response, and by which it will determine the most responsive, capable, and qualified Bidder(s).
- g. Discontinue the RFP process at any time for any or no reason. The issuance of an RFP, preparation, and submission of a proposal, and LEO’s subsequent receipt and evaluation of a proposal does not commit LEO to award an agreement, even if all the requirements in the RFP are met.
- h. Consider late proposals: (i) if no other proposals are received; (ii) if there are no complete proposals received; (iii) if LEO received complete proposals, but they did not pass the evaluation process; or (iv) if the award process fails to result in an award.
- i. Consider an otherwise disqualified proposal if no other qualified proposals are received.
- j. Disqualify a proposal based on the information provided or if it is determined that a Bidder purposely or willfully submitted false information in response to the RFP.
- k. Consider Bidders’ prior performance with the state of Michigan in making its award decision.
- l. Consider overall economic impact to the state of Michigan when evaluating the proposal pricing and in the final award recommendation. This includes, but is not limited to considering principal place of performance, number of Michigan citizens employed or potentially employed, dollars paid to Michigan residents, Michigan capital investments, job creation, tax revenue implications, economically disadvantaged businesses, etc.
- m. Consider total cost of ownership factors (e.g., transaction costs, training costs, etc.) in the final award recommendation.
- n. Refuse to award an agreement to any Bidder that has failed to pay state of Michigan taxes or has any outstanding debt with the state of Michigan.
- o. Enter negotiations with one or more Bidders on price, terms, technical requirements, or other deliverables.
- p. Award multiple, optional use agreements, or award by agreement activity.
- q. Evaluate the proposal outside the scope identified in Section I.6 if LEO receives only one RFP response.

## 8. General Proposal Conditions

The State of Michigan will not be liable for any costs incurred by the Bidder in preparation of its proposal, delivery of a proposal, and any follow-up discussions with the state of Michigan. The Bidder agrees that its proposal will be considered an offer to do business with the state of Michigan in accordance with the provisions of its proposal, including the Standard Terms, and that the proposal will be irrevocable and binding for a period of 90 calendar days from date of submission. If

a grant is awarded to the Bidder, the state of Michigan may, at its option, incorporate all or any part of the proposal into a grant. This RFP is not an offer to enter a grant. This RFP may not provide a complete understanding of the State of Michigan’s environment or contain all matters upon which an agreement must be reached.

#### 9. Freedom of Information Act

Under MCL 18.1261(13)(b), records containing “a trade secret as defined under section 2 of the uniform trade secrets act, 1998 PA 448, MCL 445.1902, or financial or proprietary information” are exempt from disclosure under FOIA. And under MCL 18.1470(3), “proprietary financial and accounting” information is also exempt from disclosure under FOIA. If information within a Bidder’s proposal falls under the aforementioned exemptions, and the Bidder seeks to have it withheld from disclosure under FOIA, then by the proposal deadline, the Bidder must: (1) save exempt information in a separate file (i.e., document); (2) name the file/document “FOIA-EXEMPT”; (3) label the header of each page of the file/document “Confidential–Trade Secret,” “Confidential–Financial,” or “Confidential–Proprietary” as applicable; (4) clearly reference within the file/document the RFP schedule, section, and page number to which the exempt information applies; and (5) verify within the FOIA-EXEMPT file/document that the information meets the FOIA exemption criteria. The State reserves the right to determine whether information designated as exempt by a Bidder falls under the FOIA exemptions. Resumes, pricing, and marketing materials are not trade secrets or financial or proprietary information. Do not identify your entire proposal as “FOIA-EXEMPT,” and do not label each page of your proposal “Confidential.” If a Bidder does so, the State may require the Bidder to resubmit the proposal to comply with steps (1) – (5) above. The State reserves the right to disqualify a Bidder for failure to follow these instructions.

#### 10. Resulting Agreement

In the event of an agreement resulting from this RFP:

- a. Record Keeping: Grantees must maintain appropriate case records and procedures to document the delivery of RMHI services to clients. Client case records shall include (but are not limited to):

  - ii. Documentation of interpretation/translation services and resources used.
  - iii. Documentation of attendance at workshops, support groups, etc., offered through RMHI services.
  - iv. Any other case notes or relevant information related to RMHI services.
- b. Reporting: The Grantee shall submit to LEO-OGM semi-annual reports that indicate the status and effectiveness of activities performed under the grant, as indicated below.
  - i. Statistical data regarding clients served and any other measured outcomes relevant to the proposed program as identified in the Bidder’s proposal. General program activities shall

- be reported in narrative format. This may include identified progresses, client success stories, accomplishments and new initiatives, and challenges and emerging issues.
- ii. The Grantee shall report all RMHI activities utilizing the Refugee Data Management System (DMS). Agency users will be registered for MiLogin to access the DMS.
  - iii. The Grantee shall submit monthly fiscal reports, including general ledgers as supporting documentation of expenses incurred and invoiced.
  - iv. The Grantee shall comply with all reporting procedures established by LEO-OGM in completion of progress reports at time intervals, on forms, in formats, and by means specified by LEO-OGM. Any additional reports as deemed necessary by LEO shall be made and submitted by the Grantee upon request.
- c. Monitoring: LEO-OGM will monitor the RMHI activities through routine monitoring to ensure that Grantees are in compliance with federal requirements, and the services provided are in alignment with funding requirements. During monitoring, LEO-OGM will assess how services are provided, identify promising practices, and observe trends for further analysis and information sharing.
- d. Standard Terms: Awards made resulting from this RFP will require execution of an agreement with LEO. The agreement will contain standard terms. An example of the Standard Terms is in the Appendix of this RFP.
- e. Audits: No financial audit would be required under this Agreement by LEO. No financial audit costs should be billed to this Agreement. In the event the Grantee elects to have a financial audit performed, the submission of the audit report to LEO is not required nor desired unless there is a finding of a Going Concern. LEO has the option to perform audits, if requested.
- f. Criminal Background Check: If the resulting Agreement will be with an individual, LEO will complete the criminal background check on the Grantee, and the following language will be included in the Agreement:
- “As a condition of this Agreement, the Grantee shall notify LEO in writing of criminal convictions (felony or misdemeanor), pending felony charges, or placement on the Central Registry (CR) as a perpetrator, at hire or within 10 days of the event after hiring.”*

Otherwise, the following language will be included in the Agreement:

*“As a condition of this Agreement, the Grantee certifies that the Grantee shall, prior to any individual performing work under this Agreement, conduct or cause to be conducted an Internet Criminal History Access Tool (ICHAT) check and a national and state sex offender registry check for each new employee, employee, subgrantee, subgrantee employee or volunteer who, under this Agreement, works directly with clients or has access to client information.”*

The ICHAT website address is <http://apps.michigan.gov/ichat>. The Michigan Public Sex Offender Registry website address is <http://www.mipsor.state.mi.us>. The National Sex Offender Public website address is <http://www.nsopw.gov>.

Prior to any individual performing work under a resulting Agreement the Grantee must certify that they will conduct or cause to be conducted a Central Registry (CR) check for each new employee, employee, subgrantee, subgrantee employee, or volunteer who, would work directly with children. Information about CR can be found at [http://www.mi.gov/dhs/0,1607,7-124-5452\\_7119\\_48330-180331--,00.html](http://www.mi.gov/dhs/0,1607,7-124-5452_7119_48330-180331--,00.html).

Prior to any individual performing work under a resulting Agreement the Grantee must require each new employee, employee, subgrantee, subgrantee employee, or volunteer who would work directly with clients or who would have access to client information, to notify the Grantee in writing of criminal convictions (felony or misdemeanor), pending felony charges, or placement on the CR as a perpetrator, at hire or within 10 days of the event after hiring.

Prior to any individual performing work under a resulting Agreement the Grantee must not submit claims for, or assign duties, under this Agreement to any new employee, employee, subgrantee, subgrantee employee, or volunteer based on a determination by the Grantee that the results of a positive ICHAT and/or a CR response or reported criminal felony conviction or perpetrator identification make the individual ineligible to provide the services.

The Grantee must have a written policy describing the criteria on which its determinations shall be made and must document the basis for each determination. The Grantee may consider the recency and type of crime when deciding. Failure to comply with this provision may be cause for immediate cancellation of this Agreement. In addition, the Grantee must further have a clearly defined written policy regarding acceptable screening practices of new staff members and volunteers who have direct access to clients and/or client's personal information. These screening practices serve to protect the organization and its clients. The Grantee must also assure that any subgrantees have both written policies.

If LEO determines that an individual provided services under this Agreement for any period prior to completion of the required checks as described above, LEO may require repayment of that individual's salary, fringe benefits, and all related costs of employment for the period that the required checks had not been completed.

- g. Subgrantees: If sub-granting:
- i. The Bidder must identify the services the subgrantee will perform and provide all information requested, as it applies to both the Bidder and the subgrantee(s).
  - ii. Subgrantees shall be subject to all conditions and provisions of the agreement including Internet Criminal History Access Tool (ICHAT) and Central Registry background checks, when applicable.

- iii. The Grantee must obligate the subgrantees to maintain the confidentiality of LEO client information in conformance with state and federal requirements.
  - iv. The Grantee is responsible for the performance of any subgrantees who are held to the same standard of quality and performance as the Grantee. Evaluators of proposals will consider the qualifications of both the Grantee and subgrantee when making agreement award recommendations.
  - v. LEO may, at its discretion, require information on the process of an awarded subgrantee proposal.
- h. E-Verify: Section 291 of the fiscal year 2017 Omnibus Budget, PA 268 of 2016, requires verification that all new employees of the Grantee and all new employees of any approved subgrantee, working under this agreement, are legally present to work in the United States. All Grantees shall perform this verification using the E-Verify system (<http://www.uscis.gov/portal/site/uscis>).
- i. State Administrative Board: The State Administrative Board must approve all grants more than \$500,000. The decision of the State Administrative Board is final; however, approval does not constitute a grant. The award process is not complete until the awarded Grantee receives a properly executed grant.

## Section II: DESCRIPTION OF SERVICE SPECIFICATIONS

### 1. Background and Purpose

Physical and emotional wellness is a foundation for successful resettlement and integration. However, a myriad of pre-migration and post-resettlement stressors may contribute to newly arrived refugees' emotional distress. The recent impacts of the COVID-19 pandemic and racial and social injustice in the United States may further compound mental health vulnerabilities.

Refugee Mental Health Initiative (RMHI) funding is intended to build capacity within communities to address the mental health needs of refugee populations, including help overcoming stigmas associated with mental health care and creating opportunities for social engagement to reduce isolation.

### 2. Eligible Populations

Populations eligible to be served with this award include individuals who are eligible for services under ORR's Refugee Resettlement Program, who are within their first five years of U.S. arrival. See the attached Appendix for details and descriptions on how to determine client eligibility.

This RFP is comprised of two funding types (see Table 1 below). Individuals may concurrently participate in more than one type of RMHI service, assuming they meet funding eligibility requirements. See Section II.5 for funding breakdown.

TABLE 1: RMHI Funding Types

<i>Funding Name</i>	<i>Eligible Population</i>	<i>Description</i>
ReMHI (Refugee Mental Health Initiative)	All ORR-eligible	This funding can be used for all ORR-eligible populations, including Afghan Nationals who are ORR-eligible.
AHP (Afghan Health Promotion)	ORR-eligible Afghan nationals	This funding can only be used for Afghan Nationals who are ORR-eligible.

### 3. Program Design

Award of the grant will be considered for programs designed with innovative approaches toward addressing unique mental health challenges identified in the Bidder's community. Consideration will be given to Bidders who propose programs that:

- a. Include one or more of the target areas: Increase mental health literacy, coordinate mental healthcare, and organize wellness groups (Section II.4).
- b. Incorporate sustainable, community-backed practices for long term growth.
  - i. Utilize already existing resources, programs, and technical assistance support, such as [Switchboard](#), the [Center for Adjustment, Resilience and Recovery](#), [HealTorture.org](#), university research centers, etc.

- ii. Tap into and propose collaborations with already existing mental health networks, such as the [National Alliance on Mental Illness - Michigan](#), the [Mental Health Association in Michigan](#), your local [Community Mental Health Services Program](#), the [Michigan School Counselor Association](#), etc. Explore collaborations with health insurance companies, hospital systems, and private mental health practices/clinics.
- iii. Propose collaborations with partners who may mutually benefit from and broaden your network, such as your local school district/individual schools, community faith-based and/or ethnic organizations, youth sports teams, local Community Mental Health Authorities (CMHAs), etc.
- c. Is replicable, with minor adjustments, in other communities.
- d. Are client-centered and trauma-informed.
- e. Are culturally, and linguistically informed and appropriate.
  - i. Bidders should consider the [National CLAS Standards](#), to advance health equity, improve quality, and help eliminate health care disparities by providing a blueprint to implement culturally and linguistically appropriate services.
- f. Have set program outcomes that are **Specific, Measurable, Achievable, Relevant, and Time-bound (SMART)**.
  - i. Bidders will be asked to create outcomes for data analysis to help inform impacts of this funding and enable the adjustment of priorities to address gaps as needed.
- g. Practice inclusion, through purposeful collaboration and engagement with ethnic communities to inform service design and delivery.
  - i. Ensure that all eligible participants, regardless of race, religion, gender identity, sexual orientation, disability, or other characteristic(s), receive fair treatment, access, and opportunity.
  - ii. Prioritize eligible individuals who have the most persistent, pressing, or underserved mental health needs.
  - iii. Identify and eliminate barriers that may prevent the full participation of some groups.

#### 4. Supported Activities

Proposed activities must contribute to one or more of the three target areas, listed below. Suggested examples of supported activities are provided below each target area. Bidders are not required to design programs with the suggested examples and may propose other activities in their workplan.

##### **a. Increase Mental Health Literacy**

- i. Identify and engage partners
  - Conduct outreach and engage mainstream mental health providers versed in trauma-informed services.
- ii. Create and offer trainings
  - Develop a training curriculum for mainstream providers on refugee mental health and other trainings to respond to provider-specific needs; and/or partner with local refugee resettlement agencies and/or ethnic community based organizations to provide such trainings.

- Increase the pool of Mental Health First Aid (MHFA) instructors in the resettlement network by sponsoring certification training fees; new MHFA instructors are expected to conduct trainings to build mental health capacity in refugee communities and refugee-serving providers.
- Conduct outreach and provide educational opportunities for refugees to learn about mental health and emotional wellness to decrease stigma about, and increase access to, services.

**b. Coordinate Mental Health Care**

- i. Strengthen currently existing mental health referral systems
  - Develop direct linkages between mental health service providers and refugee-serving organizations.
  - Develop and implement strategies to mitigate language barriers to mental health services. For example, funding refugee community health workers to be trained in medical interpretation, including interpreting in mental health.
- ii. Build robust and sustainable mental health referral systems and networks
  - Conduct outreach and education opportunities for mainstream mental health providers in the community who may be interested in working with refugee populations.

**c. Organizing Wellness Groups**

- i. Host or facilitate community-based activities, targeted wellness group activities for specific interests and populations (e.g., meditation group, women’s sewing group, exercise goal group, etc.), and other opportunities for healthy relationship building amongst refugee populations to overcome feelings of isolation.
- ii. Consider evidence-based therapeutic practices outside of traditional counseling, such as community gardens, animal husbandry, art, music, dance, sports teams/athletic activities, therapeutic riding, etc.

**d. Afghan Family Strengthening Initiative (A-FSI) – Phase II**

The FSI was adapted from the Family-based Preventive Intervention, which was one of the first family-based mental health preventative interventions to demonstrate effectiveness in randomized clinical trials and it is an evidence-based intervention listed with the National Registry of Effective Programs and Practices. A major innovation of this program was to use evidence-based home-visiting techniques delivered by refugee peers in their native languages. Using a trauma-informed and strengths-based approach, the FSI includes 10 family sessions with topics focused on assessing family strengths and relationships, improving parenting skills, reducing stress, improving self-management of symptoms, navigating the U.S. health and education systems and facilitating linkages to care. Results from participating in this program have demonstrated significant improvements on child depression and traumatic stress reactions. When the intervention was delivered by refugee

peers, researchers were able to demonstrate high family satisfaction and engagement in both communities. More information about the A-FSI program is attached.

A-FSI was initiated (Phase I) on the U.S. Safe Havens after the evacuation of Kabul. Creators of the program are now interested in continuing this initiative with states and local partners throughout the resettlement process (Phase II).

Bidders can propose using AHP funds to participate in the A-FSI program. In their program proposal, the Bidder should identify the required staff and create a budget to support the activities and positions listed in the attached example budget.

## 5. Budget

Bidders can request up to \$250,000 per fiscal year (FY23<sup>3</sup> and 24<sup>4</sup>) for AHP funding, and up to \$200,000 for the first fiscal year for ReMHI funding. The estimated average award amount for AHP funding is \$150,000 per fiscal year, and \$80,000 for the first fiscal year for ReMHI funding. Total ReMHI award amount for FY24 will be contingent on federal funding (Table 2).

TABLE 2: RMHI Funding Breakdown by Fiscal Year

<i>Funding Type</i>	<i>AHP</i>		<i>ReMHI</i>		
	<i>Fiscal Year</i>	2023 <sup>3</sup>	2024 <sup>4</sup>	2023 <sup>3</sup>	2024 <sup>4</sup>
<i>Total Funding</i>		\$511,725.50	\$511,725.50	\$346,855	TBD
<i>Estimated Average Award</i>		\$150,000	\$150,000	\$80,000	TBD
<i>Award Ceiling</i>		\$300,000	\$300,000	\$200,000	TBD
<i>Award Floor</i>		\$30,000	\$30,000	\$50,000	TBD

Awards resulting from this RFP must be spent by September 30, 2024. Total awarded amounts will be contingent on the number of selected proposals. Within their proposal, Bidders are required to submit a line-item budget with a narrative justification. Proposals will be scored with respect to feasibility of the budget requested.

Bidders can propose multiple programs using all or one of the funding types. For example, Bidders can propose:

- a. One program that utilizes one funding type.
  - i. For example, a sewing group for female Congolese refugees (ReMHI).
    - Bidder would submit one proposal and one budget.
- b. One program that utilizes both funding types.
  - i. For example, sewing groups for female Congolese, Syrian (ReMHI), and Afghan refugees (AHP).

<sup>3</sup> FY23 = 10/01/22 – 09/30/23

<sup>4</sup> FY24 = 10/01/23 – 09/30/24

- Bidder would submit one proposal with clear distinction in the identified need and target population (Question 3.1).
  - Bidder would submit two budgets, one for each funding type.
- c. More than one program that utilizes one or both funding types.
- i. For example, a sewing group for female Congolese refugees (ReMHI) and the Afghan Family Strengthening Initiative (AHP).
    - Bidder would submit two proposals and two budgets.

Services provided with RMHI funds must not supplant services provided under other federal and ORR funding sources (e.g., Medicaid, Cash and Medical Assistance (CMA/RMA), and Preferred Communities). Bidders should deliberately design their programs to complement, not duplicate, other federal funded activities.

### Section III: PROPOSAL

Note, if the Bidder is applying for more than one funding type, they only need to submit Part 1 (Bidder Information) of the Proposal once.
