

POSTED PHOTOS

You went to a gathering you were not supposed to go to. You notice several friends have posted photos online without your permission. You untag yourself, but the pictures are still out there. What would you do?

- CARD 1 -

YOU'VE GOT MAIL

Rob is frustrated and hurt by comments his peers are making about his sexuality. To add insult to injury, a classmate has created a fake account to impersonate him on an online dating site. Soon, Rob is receiving email messages. What would you do?

- CARD 2 -

THE NEW GIRL

Sandy has just moved here from California. She is pretty, outgoing, funny, and has won the attention of several of the basketball players. This upsets some of the school cheerleaders, including Olivia who is concerned Sandy may be trying to steal her boyfriend. Olivia creates a "We Hate Sandy" website where reasons can be posted why Sandy is hated and should move back to California. Soon the entire school becomes aware of the site and begins to post hateful comments. What would you do?

- CARD 3 -

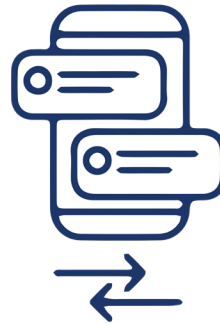

WHAT'S SO FUNNY?

Alex is a student that excels in science and math. He is a tall, skinny teen who is embarrassed when he must change for gym class. Robert, a well-built natural athlete, notices how shy Alex is and exploits it. Using his phone, he takes pictures of Alex in the locker room and circulates images to the school. As Alex walks down the halls, he notices his peers pointing and laughing. What would you do?

- CARD 4 -

STUCK IN THE MIDDLE

Two friends are arguing by text and forwarding you each other's messages with nasty comments attached hoping to get you to take sides. You feel torn. What would you do?

- CARD 5 -

WWW.NOTNICE

You find out that some kids have a website where they call some girls at school derogatory names and post stories and pictures of them. What do you do?
