

**CERTIFICATION OF SALARY AND FINAL AVERAGE SALARY FOR COMPUTATION
OF STATE AND LOCAL JUDICIAL RETIREMENT BENEFITS
Pursuant to 1992 PA 234 and 1980 PA 443, as amended**

Certification of Final Salary Used By the State Judge's Retirement System (JRS):

This is to certify that as **Judge William R. Shea, Social Security Number 000-00-0000, 14rd Circuit Court Judge** elected to transfer from the the State Judges' Retirement System Defined Benefit Plan to the State of Michigan Deferred Compensation Plan II/Defined Contribution Plan effective July 1, 1998, the portion of total statutory salary attributed to state plan participation (includes state salary standardization payment converted to JRS in the amount of \$18,290.00) is equal to **\$92,260.00**. The 2000 annualized state salary for the above named judge is \$73,970.00.

Date: February 27, 2000

Supervisor, Judges' Retirement System

**Computation of Total Salary at Retirement and Total Salary for Computing Benefits:
(computation to be made by local retirement system)**

<u>Computation of Judge's Total Annual Salary at Retirement</u>	<u>Computation of Total Salary For Retirement Used by State and Local Plans</u>
2000 State Salary for Judge \$ <u>73,970.00</u>	State Plan Salary (includes salary standardization Converted to JRS, if any) \$ <u>92,260.00</u>
2000 Local supplemental salary for Judge \$ <u>45,724.00</u>	Local Final Average Salary \$ _____
Total \$ <u>119,694.00</u>	Total \$ _____

The 2000 maximum statutory salary for a district judge is \$ 119,694.00. If the total State Plan salary plus the final average salary used by the local retirement system exceeds the judge's total annual salary at time of retirement, the final average salary used by the local system to determine benefits should be reduced accordingly.

**Certification of Final Average Salary Used By Local Retirement System:
(to be completed by local retirement system)**

This is to certify that the final average salary used to compute retirement benefits for _____ by _____
(Name of Judge) (Name of Local (City/County/MERS) System)
is \$ _____.
