Judges Retirement System

From the Director

Welcome to our spring Connections newsletter! I hope you enjoy our retiree spotlight on Josephine “Jo” Tomancik, who began her State of Michigan career at 18 years old. I enjoy hearing stories like Jo’s. They remind me of the people we serve, the value they bring to their work, and the importance of the retirements they have earned.

Like Jo, I was young when I started my journey with the State of Michigan—here at ORS, in fact. Our services continue to improve thanks to the ORS staff who work tirelessly coming up with new concepts to improve our processes. In this last year, their ideas resulted in faster phone service, proactive messages about application status, and less effort for family members when a loved one passes away. It’s my honor to work side-by-side with them on your behalf to administer your retirement system.

We understand the importance of your monthly benefits to your quality of life. Those benefits equip you with the power to be financially self-sufficient and to support Michigan’s economy. You help make Michigan a better place through the time, talent and treasure gladly given to support your communities. Approximately 88 percent of Michigan’s public employees retire in the state. Your pension income supports the local hardware store, grocery shop, restaurants, and car dealership. Here’s more about our retirees:

- 98 percent give to charity
- 85 percent spend free time volunteering
- 97 percent actively vote in elections, supporting and helping to shape Michigan’s future

And just like you’re on a budget, we’re on a budget, too. In 2015, our total pension administration cost was \$57 per active member and retiree, which was \$34 below the average cost of peer systems of similar size (CEM Benchmarking). Even though we serve close to 550,000 customers—nearly the population of the state of Wyoming—our retiree satisfaction levels remain high. Respondents gave us a satisfaction score of 92.5 percent on our last retiree survey.

I trust you will continue to let us know how we’re doing. And I’m sure there are many more positive stories out there like Jo’s. Submit your story at ORS-RetireeStories@michigan.gov. I’d love to hear it.

50-Year Employee Honored

The year: 1942. Postage stamps were \$0.03 apiece. The average new car cost \$920. The average worker earned \$1,880 per year. And on April 4, 1942, 18-year-old Josephine “Jo” Tomancik took her first job as a clerk for the State of Michigan. She eventually advanced to the Roadside Development Division of MDOT where she happily worked until 1992, retiring after an impressive 50 years and 26 days of loyal service to the state. MDOT even recognized her extraordinary term of service by

naming the Arcadia Scenic Turnout (pictured on the cover) on west M-22 in her honor.

Jo has spent her retired years as a volunteer with St. Mary Cathedral, where she’s been an active member since 1942. She also enjoys various local concerts – anything from classical music to rock. “Anything I can tap my feet to,” as she shared to the *Lansing State Journal* in 1992.

In May of this year, Jo celebrated her 94th birthday and 25th year of receiving her well-earned pension from the State of Michigan. Happy birthday, Jo, and we’re glad to hear your retirement is going well!

Long-Term Care Insurance Available Through LifeSecure

Individual long-term care insurance pays for care that individuals may need when they cannot safely care for themselves, whether that care is received at home, in the community, or in a nursing home. Health insurance, disability insurance and Medicare do not cover most long-term care costs.

As a retiree of the State of Michigan, you can now apply for individual long-term care insurance any time throughout the year through LifeSecure. You can apply online at www.groupltc.com/som-retirees or by calling 844-235-3344 to talk one-on-one with a long-term care enrollment counselor who can answer your questions and help you apply. Please note that full medical underwriting is required.

Premiums for this plan must be paid to LifeSecure via direct billing. Premiums will not be deducted from your pension payment.

Visit the Long-Term Care enrollment website to learn more:

www.groupltc.com/som-retirees or call the long-term care enrollment center at 844-235-3344 for assistance.

Contact the Benefits for Life toll-free call center at 888-744-7525 for basic questions.

Plan materials and a video are available at: www.mi.gov/employeebenefits. Select Voluntary Benefits (Long-Term Care Insurance) from the left menu.

Pension Funding Ratio

A pension plan is 100 percent funded when it has enough money in reserve to meet all expected future obligations to members. Getting to 100 percent funded is like paying off a mortgage; it is done over time.

The market funding ratio is based on the market value of assets at the fiscal year end. The actuarial funding ratio applies a five-year “smoothing” period that spreads investment gains or losses over five years. This approach is a best practice used by almost every retirement system in the country because it helps keep the employers’ contributions more predictable for budget planning. This year, your system adopted a more conservative assumption for our interest return rate. While this reduced our long-term market risk, it also caused a slight decrease in the funding ratio for this year. As the economy improves, the funding ratio will also improve.

The Judges Retirement System has a Market Funding Ratio of more than 100 percent. This puts the system at the forefront nationwide for funding best practices.

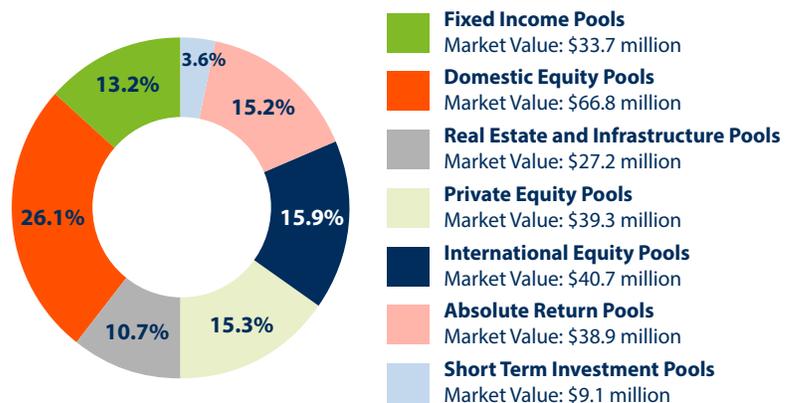

The Judges Retirement System has an Actuarial Funding Ratio of **more than 100 percent.**

Investments and Earnings

The State Treasurer administers all of the system’s investments. The main objective is to maximize the return rate and meet the actuarial assumptions by being prudent with investments and maintaining a diverse portfolio to eliminate unnecessary risk.

Ask Our Experts

ORS experts answer frequently asked questions

Q: How can I obtain a copy of my pension statement?

A: Your monthly pension statements are available whenever you need one in miAccount. The courtesy paper statements you receive in the mail are not reproducible. To view your monthly statement, log in at www.mi.gov/orsmiaccount, click Pension Payments on the left, use the drop-down arrow to select the year and click Go. Choose your payment date for a printer-friendly version of your statement.

Q: How do I change my tax withholding in miAccount?

A: To change your federal or State of Michigan tax withholding, follow these steps:

1. Log in to miAccount at www.mi.gov/orsmiaccount.
2. If you have more than one account, select the account that you wish to change. If you wish to change both accounts, you will have to access each account separately to update your withholding.
3. Click the Pension Payments link on the left.
4. Next, click Tax Withholding.
5. Click the Change button in the federal or State of Michigan Tax Withholding box.
6. Enter your new tax withholding. Use the drop-down boxes to select the effective date for your change.
7. Click the Calculate Withholding button.

You can repeat these steps to calculate various withholdings. The information is not saved until you click the Save button.
