When Coverage Starts

Start dates. If you enroll after your retirement effective date, your insurance start date will be six months after we receive your enrollment request and all required proofs unless you have a qualifying event. For example, if we get your enrollment request and required proofs February 10, your coverage will start August 1.

If you, your spouse, or a dependent have a qualifying event and ORS gets the enrollment request and required proofs within 30 days of the qualifying event, coverage can start sooner. For retirees who do not have Medicare, coverage can start the first of the month after we receive your enrollment request and required proofs. For retirees with Medicare, your coverage can start the first day of the second month after we receive your enrollment request and required proofs, including proof of the qualifying event.

For example, if ORS receives your enrollment request and required proofs July 10, your coverage will start September 1. If we get the enrollment request and required proofs later but within 30 days of the qualifying event, you may not be enrolled until a month later.

Changing plans. If you are currently enrolled in any health insurance plan with the retirement system, you can change your enrollment to another plan regardless of your Medicare status. Your change in coverage will be effective the first day of the second month after ORS receives your enrollment request and required proofs. For example, if ORS receives your change request and required proofs January 10, your coverage with the new plan will start March 1.

Adjustments to premiums. ORS will adjust your premiums, if needed, the month any insurance changes take effect. We cannot refund premiums withheld before or in the month you report the change.

Your Spouse and Eligible Dependents

Health, prescription drug, dental, and vision coverage for your spouse and eligible dependents is the same as yours. Those eligible for coverage are:

- Your spouse, as long as they are not also enrolled separately as an eligible state employee or retiree.
- Your child by birth, adoption, or legal guardianship.
- Your stepchild if they were covered under your active State of Michigan employee health insurance plan through your employment termination date.

If your enrolled dependent is an unmarried child by birth, adoption or legal guardianship who is totally and permanently disabled, dependent on you for support, and incapable of self-sustaining employment, their coverage will continue as long as they were totally and permanently disabled before age 26, and your coverage does not terminate for any other reason.

- In the case of legal adoption, a child is eligible for coverage as of the date of placement. Placement occurs when you become legally obligated for the total or partial support of the child in anticipation of adoption.
- In the case of legal guardianship, official guardianship paperwork must be in place for a dependent to be eligible for coverage. Once a guardianship terminates, dependent eligibility for coverage ends.

Insurance Enrollment/Change Request – Instructions

Required Proofs for Coverage

The following proofs are needed to enroll your spouse and eligible dependents on your insurance. (Send photocopies; originals will not be returned.)

Spouse:

- Government-issued birth certificate, or valid passport, or valid driver's license.
- Government-issued marriage certificate or you and your spouse's valid driver's licenses showing matching addresses and your most recent tax *Form 1040* showing you filed married.

Child: Government-issued birth certificate as proof of age and relationship or court orders to prove legal guardianship, if applicable.

Qualifying Events

The following are considered qualifying events for adding a spouse or eligible dependent to your insurance. You must submit required proofs with the enrollment request within 30 days of the qualifying event. (Send photocopies; originals will not be returned.)

Note: To remove a spouse or dependent from your coverage, no proofs are needed with your request.

Involuntary loss of coverage in another group plan: Acceptable proof is a statement on letterhead from the terminating group insurance plan explaining who was covered, the type of coverage it was, why coverage is ending, and the date coverage ends.

Adoption: Acceptable proof is adoption papers, a sworn statement with the date of placement, or a court order verifying placement. In a legal adoption, a child is eligible for coverage as of the date of placement. Placement occurs when you become legally obligated for the total or partial support of the child in anticipation of adoption.

Dependent child with a disability:

- Government-issued birth certificate as proof of age and relationship or court orders to prove legal guardianship, if applicable.
- A current letter from the attending physician detailing the disability, stating the child is totally and permanently disabled and incapable of self-sustaining employment.
- Your most recent IRS *Form 1040* that identifies the child as your dependent.

Birth: Acceptable proof is a government-issued birth certificate.

Death: Acceptable proof is a death certificate.

Divorce: Acceptable proof is a statement on letterhead from the terminating group insurance plan explaining who was covered, the type of coverage it was, why coverage is ending, and the date coverage ends.

Marriage: Acceptable proof is a government-issued marriage certificate.

Medicare Part B enrollment: Acceptable proof is a letter from the Social Security Administration showing confirmation of Part B enrollment. This qualifying event applies if the enrollee's insurance coverage was previously terminated or if enrollment was denied because they didn't have Part B coverage.

Insurance Enrollment/Change Request – Instructions

Reporting Other Insurance Coverage, Including Medicare

If you, your spouse, or your dependents enroll in other health insurance plans, including Medicare, **it is your responsibility to promptly notify ORS** of any changes in your status or that of your spouse or dependents that may affect eligibility and/or coverage.

Sign up for Medicare. As soon as you or anyone else covered by your health insurance becomes eligible for Medicare, that person must enroll in both Part A (hospital) and Part B (medical). You must have Medicare parts A and B to enroll in retiree insurance and prescription drug programs. If you, your spouse, or your dependents don't enroll in Medicare Part B when first eligible, the insurance for that person will be canceled and there is a six month wait to reenroll.

For most people, Medicare begins at age 65 or after 24 months of Social Security Disability Insurance. If that happens before age 65, for you or anyone else on your insurance, send ORS this completed form and make sure ORS has the enrollee's Medicare number.

When you enroll in Medicare you will receive your Medicare card from Social Security. As soon as you receive your card, tell ORS your Medicare number and effective dates for parts A and B.

You can submit your Medicare enrollment information one of the following ways:

- Send a secure message on the miAccount Message Board including your Medicare enrollment information.
- Update your insurance enrollment information in miAccount at **Michigan.gov/ORSmiAccount** to include your new Medicare information and send the confirmation page to ORS. (You'll use MiLogin to access miAccount.)
- Make a copy of your Medicare card. Write your name, address, and date of birth on the copy and mail or fax the copy of your card to ORS.
- Mail or fax a completed *Insurance Enrollment/Change Request (R0452G)* form to ORS with your Medicare information.
- Call ORS at **800-381-5111** and give a representative your Medicare information.

When we receive your Medicare number, ORS will enroll you in a Medicare Advantage Plan. A Medicare Advantage Plan is a private health plan that contracts with Medicare to provide you with all your Part A and Part B benefits.

Medicare Part D (prescription drug) is a federal program that is administered by your group insurance plan. When you enroll in a retiree prescription drug plan, we will automatically enroll you in Medicare Part D if appropriate.

Don't sign up for a Medicare Part D prescription drug plan or any other supplemental prescription drug plan. Doing so will result in a loss of medical and prescription drug coverage through the retirement system's plan.

ORS cannot enroll you retroactively in insurance plans once you're eligible for Medicare.

Conditions of Enrollment

By enrolling in these insurances, you and your covered family members are bound by all conditions stated in the plan. You agree to notify ORS of any changes in your status and that of your family that may affect eligibility and/or coverage. You agree that if claims are paid on an ineligible individual, the cost of such claims may be deducted from future pension checks.

You authorize the administrator selected by ORS to obtain from providers of service any and all records and other information relating to you and your covered family members. You understand such information may be made available to ORS, on a confidential basis, for the purpose of evaluating the operation and efficiency of the plans and providers. The duration of this authorization extends for the period of your coverage under the plan.
