# Insurance Enrollment/Change Request Instructions

## Enrolling In or Changing Insurance After Retirement

---

Use this form to enroll in one or more of the retirement system's insurance plans, change from one health plan to another, update dependent coverage or update Medicare information.

Prescription drug and behavioral health/substance abuse insurances are part of your Health Maintenance Organization (HMO) coverage. You can enroll in Blue Cross Blue Shield of Michigan (BCBSM) with or without prescription drug coverage.

**Effective dates.** If you have the premium subsidy benefit and enroll after your retirement effective date, your insurance effective date will be six months after we receive your enrollment request and all required proofs unless you have a qualifying event. For example, if we get your request and proofs on February 10, your coverage will start August 1.

If you or a dependent have a qualifying life event and ORS gets the request and proofs within 30 days of the qualifying life event, coverage can begin sooner. For retirees with Medicare, coverage can begin the first day of the second month after we receive your request and any required proofs, including proof of the qualifying life

event. For example, if ORS receives your application and proofs on July 10, your coverage will begin September 1. If we get the request and proofs later but within 30 days of the qualifying event, you may not be enrolled until a month later.

**Changing plans.** If you are currently enrolled in any health insurance plan with the retirement system, you can change your enrollment to another plan regardless of your Medicare status. Your change in coverage will be effective the first day of the second month after your request and required proofs are received. For example, if ORS receives your change request and any required proofs on January 10, your coverage with the new plan will begin on March 1.

**Adjustments to premiums.** ORS will adjust your premiums, if needed, the month any insurance changes take effect. We cannot refund premiums withheld before or in the month you report the change. If you enrolled in insurances before your subsidy effective date and are paying the entire premium, ORS will automatically reduce your premium on your subsidy effective date.

## Self and Dependent Coverage: Eligibility and Proofs

---

Health, prescription drug, dental, and vision coverage for your eligible dependents is the same as yours. Those eligible are:

**Your spouse** as long as they are not also separately enrolled as an eligible state employee or retiree.

**Your unmarried children** by birth, legal adoption, or full legal guardianship (until age 18) who are in your custody and dependent on you for support.

Coverage for all other dependents ceases the end of the month in which they turn 19. However, if your coverage is still active, your dependent child can remain eligible through the month the child turns 26 or graduates, whichever comes first, if they are:

- Unmarried and between the ages of 19 and 26.
- Dependent on you for at least 50% of financial support.
- Enrolled at least half time in an accredited educational institution.

**Proofs.** Provide your marriage certificate if married and spouse's and dependents' birth certificates as proof of age and relationship. Tax returns are required as proof of dependency, school records as proof of attendance, and court orders to prove full legal guardianship.

If your enrolled dependent is a disabled child, coverage will continue as long as they were totally and permanently disabled before age 19, continue to be disabled, and your coverage does not terminate for any other reason. Provide a current letter from the attending physician detailing the disability and stating the child is totally and permanently disabled and incapable of self-sustaining employment. Also provide a copy of your current IRS *Form 1040* that identifies the child as your dependent. In some cases, we may ask for additional information to determine medical eligibility, which may delay enrollment. You may also be asked to furnish proof of disability and dependency each year.

## Qualifying Events

---

The following are considered qualifying events for the purpose of adding/deleting a dependent. You must submit the indicated proof with this application. **Photocopies are acceptable.**

Note: To remove a dependent from your coverage, no proofs are needed with your request.

### **Involuntary loss of coverage in another group plan:**

Provide a statement on letterhead from the terminating group insurance plan explaining who was covered, what type of coverage it was, why coverage is ending, and the date coverage ends.

**Adoption.** Acceptable proof is adoption papers. In the case of legal adoption, a child is eligible for coverage as of the date of placement. Placement occurs when you

become legally obligated for the total or partial support of the child in anticipation of adoption.

**Birth.** Acceptable proof is a birth certificate.

**Death.** Acceptable proof is a death certificate.

**Divorce.** Provide a statement on letterhead from the terminating group insurance plan explaining who was covered, what type of coverage it was, why coverage is ending, and the date coverage ends.

**Marriage.** Acceptable proof is a marriage certificate.

**Medicare Part B enrollment:** Acceptable proof is a letter from the Social Security Administration showing confirmation of Part B enrollment. This qualifying event applies if the enrollee was previously terminated or denied enrollment because of no Part B coverage.

**Student status:** Acceptable proof would show your child meets the minimum requirements for student enrollment.

## Reporting Other Insurance Coverage Including Medicare

---

If you or your dependents enroll in other health insurance plans, including Medicare, **it is your responsibility to notify ORS promptly** of any changes in your status or that of your family that may affect eligibility and/or coverage.

**Sign up for Medicare.** As soon as you or anyone else covered by your health insurance becomes eligible for Medicare, that person must enroll in both Part A (hospital) and Part B (medical). You must have Medicare Parts A and B to enroll in retiree health insurance and prescription drug programs. If you, your spouse, or your dependents don't enroll in Medicare Part B when first eligible, the insurance for that person will be canceled and there is a six month wait to re-enroll.

For most people, Medicare begins at age 65 or after 24 months of social security disability. If that happens before age 65, send ORS this form, and make sure ORS has your Medicare number.

Medicare Part D (prescription drug) is a federal program that is administered by your group insurance plan. The prescription drug plan included with your State Health Plan or State HMO plan is a Part D plan. Don't sign up for a separate Medicare Part D prescription plan or any other supplemental prescription plan. Doing so will result in a loss of medical and prescription coverage through the retirement system's plan.

ORS cannot enroll you retroactively in a State health insurance plan once you're eligible for Medicare.

## Conditions of Enrollment

---

By enrolling in these insurances, you and your family members are bound by all conditions stated in the plan. You agree to notify ORS of any changes in your status and that of your family that may affect eligibility and/or coverage. You agree that if claims are paid on an ineligible individual, the cost of such claims may be deducted from future pension checks.

You authorize the administrator selected by ORS to obtain from providers of service any and all records and other information relating to you and your covered family members. You understand such information may be made available to ORS, on a confidential basis, for the purpose of evaluating the operation and efficiency of the plans and providers. The duration of this authorization extends for the period of your coverage under the plan.
