State Health Plan

Blue Cross Blue Shield of Michigan (Blue Cross)

administers medical benefits of the State Health Plan PPO. Medicare-eligible members must enroll in both Part A and Part B and will automatically be enrolled in the State Health Plan Medicare Advantage PPO.

Medicare-eligible retirees that have other primary coverage through another Group plan may be enrolled in the State Health Plan PPO Medicare Supplemental. The Medicare Advantage Opt Out form and proof of other primary coverage must be submitted to ORS prior to the effective date of their transition to the State Health Plan Medicare Advantage PPO.

State Police retirees who are not eligible for Medicare Parts A and B will continue coverage under the State Health Plan PPO. For benefit information, contact **Blue Cross** at **800-843-4876**, or go to BCBSM.com/SOM.

Blue Cross administers the behavioral health/substance abuse benefits for enrollees in the State Health Plan PPO and State Health Plan PPO Medicare Supplemental, contact **Blue Cross** at **800-503-3158**. For enrollees in the State Health Plan Medicare Advantage PPO contact **Blue Cross** at **888-803-4960**.

Optum Rx administers prescription drug benefits for enrollees in the State Health Plan PPO, State Health Plan PPO Medicare Supplemental, and State Health Plan Medicare Advantage PPO. Medicare

As soon as you or anyone else covered by your health insurance becomes eligible for Medicare, that person must enroll in both Part A (hospital) and Part B (medical). You must have Medicare Parts A and B to enroll in retiree health and prescription drug insurance. If you, your spouse, or your dependents don't enroll in Medicare Part B when first

eligible, the health and prescription drug insurance for that person will be canceled and there is a six month wait to re-enroll.

For most people, Medicare begins at age 65 or after 24 months of social security disability. When you enroll in Medicare you will receive your Medicare card from Social Security. As soon as you receive your card, tell ORS your Medicare Beneficiary Identification (MBI) number and effective dates for Part A and B. You can submit your Medicare enrollment information one of the following ways:

- Send a secure message on Message Board including your Medicare enrollment information.
- Update your insurance enrollment information in miAccount to include your new Medicare information and send the confirmation page
- Make a copy of your Medicare card. Write your name, address, and date of birth on the copy and mail or fax the copy of your card to ORS
- Mail or fax a completed Insurance Enrollment/Change Request (R0452G) form to ORS with your Medicare information.
- Call **ORS** at **800-381-5111** and give a representative your Medicare information.

When we receive your MBI number, ORS will enroll you in the Medicare Advantage plan of your current state-sponsored health insurance carrier. A Medicare Advantage plan is a private health plan that contracts with Medicare to provide you with all your Part A and Part B benefits. Medicare Part D (prescription drug) is a federal program that is administered by your state-sponsored group insurance plan. The prescription drug plan included with your state-sponsored health insurance plan is a Part D plan. Don't sign up for a separate Medicare Part D prescription plan or any other supplemental prescription plan. Doing so will result in a loss of medical and prescription coverage through the retirement system's plan.

Note: This does not apply to State Police Troopers or Sergeants retiring on or after October 1, 1987.

Blue Cross will issue an ID card for the State Health Plan PPO, State Health Plan PPO Medicare Advantage, and State Health Plan Medicare Advantage PPO that indicates the type of coverage you have. An ID card for the State Health Plan PPO and State Health Plan PPO Medicare Supplemental will be issued in the name of the retiree. The ID card for the State Health Plan Medicare Advantage PPO will be issued in the name of each retiree or dependent enrolled. Life Insurance

Life insurance for you and your currently covered dependents will continue to be paid by the state if you meet both age and service requirements when you leave employment. If you do not meet the age requirements at that time, you waive your right to a state-paid life insurance. Defined Contribution plan participants must contact our office *before* terminating employment to continue life insurance coverage.

Your life insurance amount is 25% of the amount you carried while working. Your dependent's coverage is \$1,000 regardless of the amount carried while you were employed. **Note:** Be sure to keep your beneficiary designation current by completing the [Life Insurance Beneficiary Designation Form \(R0782GHB\)](#), available in the Forms and Publications section on our website at Michigan.gov/ORS.

Civil Service holds the only copy of this group policy. However, ORS will send you a letter stating the amount of your life insurance. Keep this letter with your important records since it serves as verification of your coverage.

Conversion Rights

You may convert the remaining 75% of your "active" life insurance to a private direct pay policy by applying for and submitting payment for the policy within 31 days after your group insurance terminates. You may also convert the amount by which the dependent policy was reduced. For information, contact **Minnesota Life** at **877-867-5781**.

Other Life/Accidental Death Policies

With the exception of the Reliance life insurance policy (available to State Police retirees), Minnesota Life is the only life insurance policy whose contract allows continuation of coverage after you terminate employment through ORS. Direct your questions regarding continuation of other life or accidental death policies to either your human resource office or the insurance carrier.
