A hand is holding a white rectangular sign with the words "GROUND RULES" written in large, bold, blue capital letters. The sign is positioned in the lower right quadrant of the image. The background is a vibrant blue and purple gradient, featuring a stylized globe with green continents and a blue ocean. Scattered throughout the background are several dark blue, spiky virus-like particles, some of which are larger and more detailed than others. The overall aesthetic is clean and modern, with a focus on environmental and health-related themes.
