PFBS	420
HFPO-DA	370

National Perspective

- What would be helpful for CAWG to know about MPART's work with other states, federal agencies, congressional delegation?
- What would be helpful for CAWG to know from residents of impacted communities in other states?
- What can CAWG members share from their broader experience?

Agency Updates

Heat Maps

Site Write-Ups Brainstorming

- Intended audience
- Desired content
- How does current template stack up?

Southeast Michigan (SEMI) Discussion

- Wayne, Oakland, Macomb, _____
- MPART conducting PFAS investigations and monitoring
- Watershed summary presentations under development
 - Put all the investigation work in context
- Should we be doing more and/or different outreach in SEMI?
 - Is there a different perspective and if so, why?
 - Not immune from PFAS contamination

Next Steps

- Future meetings
 - Monthly, second Tuesday, 6:00 – 7:30 p.m.
- Future topics
 - Wildlife Workgroup
 - Developments with other PFAS
 - Groundwater Workgroup - environmental transport and fate
 - Treatment Technologies Workgroup - emerging technologies for detection and remediation
 - Pollution Prevention Workgroup – food packaging
 - Guests _____?

Community Sharing Round-Robin
