Re: Wolverine World Wide, Inc.
Source Investigation/Waste Removal Activities Monthly Progress Report

Dear Ms. Hendershott:

On behalf of Wolverine World Wide, Inc. (Wolverine), this letter is a monthly progress report as agreed upon in Mr. John Byl's July 9, 2018 letter entitled *Response to May 29 Correspondence regarding Tannery Meeting Summary and Action Items*.

This Monthly Progress Report (MPR) summarizes actions and available data through February 25, 2019 for the Source Investigation/Waste Removal Activities associated with certain parcels located south of the House Street Former Disposal Site (1855 House Street NE).

Documentation summarizing the investigation on the MDOT Parcel was submitted January 22, 2019. Documentation summarizing the investigation on the parcels identified as [REDACTED] House Street NE were summarized in the January 4, 2019 monthly update and the residents were notified.

R&W/GZA met with the MDEQ and EPA on February 8, 2019 to discuss the analytical data from the MDOT and nearby parcels. No new data was obtained during this reporting period.

R&W/GZA is developing possible scopes of work for additional investigation/remediation at the Imperial Pine Parcel ([REDACTED] Imperial Pine Drive NE). The potential options have been reviewed with the Imperial Pine Parcel owner. Discussions regarding the next steps forward continue.

If you have any questions, please feel free to contact us.

Very truly yours,

Rose & Westra, a Division of GZA GeoEnvironmental, Inc.
