

MPART EXECUTIVE ORDER FISCAL YEAR 2020 FAST FACTS

The **Michigan PFAS Action Response Team (MPART)** was created as an advisory body within the Michigan Department of Environment, Great Lakes, and Energy by the Governor's office under Executive Order (EO) 2019-03. The EO established MPART as an enduring body to address the threat of per- and polyfluoroalkyl substance (PFAS) contamination in Michigan, protect public health, and ensure the safety of Michigan's land, air, and water, while facilitating interagency coordination, increasing transparency, and requiring clear standards to ensure accountability. Below are actions taken in fiscal year (FY) 2020.

\$64.7 million in the FY 2020 budget

Clean Drinking Water/Protected Public Health

7 drinking water standards

82 new MPART sites identified

99 public water supplies monitored

963 residential wells sampled

1,317 res wells resampled

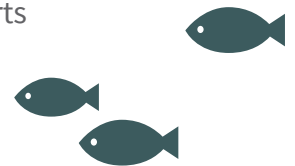

117 filter systems provided, **515** replacement cartridges

51,404 gallons AFFF picked up from fire departments and airports

514 fish collected for PFAS analysis

62 deer analyzed

568 samples collected from lakes and streams

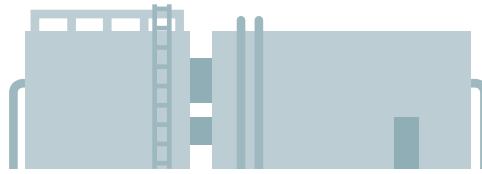

Transparent

All **16** topical workgroup summaries online

52 outreach events to inform the public, including
22 site-specific and **6** Regional Webinars

13 Citizen Advisory Workgroup meetings/briefings

Pandemic Didn't Impede Progress!

160,000 staff hours

- 96** municipal WWTPs significantly reduce discharges of PFAS
- 24** municipal wastewater permits reissued with PFAS monitoring
- 7** hazardous waste sites started + **23** ongoing investigations
- 20** solid waste landfill sites started + **10** ongoing investigations
- 2** drinking water infrastructure grants awarded: **\$230,870**

Treatment Technology

Contracted for study of how to stabilize highly contaminated material

4 Landfill Leachate Industry Workgroup Meetings

Working closely with federal researchers on PFAS treatment

FY2021 Grants/Contracts to Implement

19 airport grants totaling **~\$4M**

Updating Wellogic (well records) – *cont.*

Statewide Soil Survey – *cont.*

Federal grant for health study in Parchment, Cooper Township, Belmont, and Rockford areas

Implementing infrastructure grants
