

Retiring is easy.
Retiring **"ready"**
takes planning.

You now have access to a powerful savings tool – the **State of Michigan 457 Plan**.

This valuable benefit allows you to save more to supplement your retirement income while you're still working.

The **State of Michigan 457 Plan** features:

1. A convenient way to save via payroll deduction.
2. Low fees to help you keep more of what you save.
3. Comprehensive fund choices offering diversification based on your risk tolerance.
