**We got your form!**

Dear *NAME*:

The Office of Retirement Services (ORS) received your Part-Time Student Retirement Plan Participation form (R3757C) which says that you elect not to participate in the Michigan Public School Employees' Retirement System.

This means that as of July 1, 2018, your participation in the retirement system as a part-time student employed by the community college ended. The information reported by *COMMUNITYCOLLEGE* up to June 30, 2018 date remains in our system as part of the Defined Contribution (DC) plan. To log in to your retirement investment account, go to [stateofmi.voya.com](http://stateofmi.voya.com). The password you'll need will be mailed to you from Voya. If you don't have your password, use the "Forgot Password?" link on the login page.

If you were a part-time student and worked at a Michigan community college before July 1, 2014, there is a chance you may be able to add that employment to your retirement account. Visit [michigan.gov/ccstudents](http://michigan.gov/ccstudents) for more information.

If you have questions about your DC retirement plan, contact Voya at 800-748-6128.

Sincerely,

Customer Service
