Full Benefits Contracts: Provide undergraduate tuition and mandatory fees** at every Michigan public 4-year university. At a Michigan public community college, it provides tuition, contact/billing hour fees and mandatory fees (in-state or in-district)***.

Limited Benefits Contracts: Provide undergraduate tuition and mandatory fees** at Michigan public universities whose tuition costs do not exceed 105% of the weighted average tuition cost of Michigan's four-year public institutions. Full tuition benefits would not be covered at institutions with tuition costs greater than 105% of the weighted average tuition. Rather, only a percentage of the tuition benefits would be provided for students attending those institutions. At a Michigan public community college, it provides tuition, contact/billing hour fees and mandatory fees (in-state or in-district)***. Michigan public universities whose tuition costs exceeded 105% of the weighted average tuition for the 2024-25 academic year are the University of Michigan-Ann Arbor campus (UM-AA) and Michigan Technological University (MTU). For the 2024-25 academic year, MET will cover 27 of 30 credit hours at UM-AA and 26 of 30 credit hours at MTU.

Community College Contracts: Provide *in-district* tuition and mandatory fees** when attending a Michigan community college.

**Mandatory fees are those which all enrolled students are required to pay. Application fees, health care fees, contact hour fees and fees which are course specific (such as lab fees for science and computer classes, etc.), or fees assessed based on the number of credit hours enrolled are not covered. Also, MET does not pay for room and board or books. For contracts purchased in the 2013 enrollment through 2019 enrollments, mandatory fees paid by MET will not exceed the 2012 rate charged by the public educational institution. Fees charges above the 2012 rate will be the student's responsibility.

NOTICE OF OPTION TO AMEND CONTRACT: On November 14, 2019 the MET Board of Directors passed Resolution 2019-2 (mandatory fees) to allow purchasers and MET to amend certain previously purchased MET contracts upon Purchaser's formal request and with MET entering into the appropriate contract amendment. This amendment will allow for removal of the cap limiting Mandatory fees. **To amend the contract and remove the cap, the Purchaser must submit a completed *Agreement to Amend a MET Contract (Mandatory Fees)* (From 5714).**

***MET pays out-of-district fees *if* the student does not qualify for the in-district tuition rate *and* to the extent that the out-of-district tuition, contact/billing hour fees and mandatory fees do not exceed average tuition of Michigan public 4-year universities.
