ACTIVITIES**

ITEM 3: NAME AND ADDRESS OF PERSON OR VENDOR TO WHOM THE EXPENDITURE WAS MADE: Enter the complete address of each person paid for get-out-the-vote activities. If the person listed here paid other persons or vendors, detail information must be reported using Memo Itemizations. Report the gross expenditure made by the committee with the notation “**Memo Itemization Below**” written above the name of the person, business or vendor to whom the payment was made by the committee, the date of the payment, and the total amount paid. In the space for the next expenditure record immediately following this entry, enter the notation “**Memo Itemization**” and indicate the ballot proposal and/or candidate involved. Report the allocated amount for the proposal in parenthesis as a reminder that it is not to be added into the total again. Enter the cumulative expenditure amount for that proposal (or the election candidate per election cycle) through the date of the expenditure being itemized. Repeat until the itemization is completed for each proposal and/or candidate related to the expenditure being itemized. Indicate, by checking the appropriate box, whether the expenditure is “in-kind” or “independent”, and whether the expenditure is in support or in opposition to a candidate or ballot proposal.

ITEM 4: TYPE OF ACTIVITY: Check the appropriate box to indicate the type of activity for which the expenditure was made. For get-out-the-vote activity and voter registration expenditures that are not specifically listed on the schedule, specify the particular activity in the space provided

ITEM 5: DATE: Enter the date on which the expenditure was made to the entity in Item 3.

ITEM 6: AMOUNT: Enter the total amount paid to the entity in Item 3. If the expenditure was related to only one candidate, indicate whether the expenditure was in-kind or independent, and whether in support or in opposition by checking the applicable boxes. Report the name, office sought, district number or jurisdiction and the county of residence of the candidate, and the election cycle cumulative expenditures for that candidate through the date of this expenditure. If the expenditure is in support of, or in opposition to, a specific ballot proposal, indicate whether the expenditure was in-kind or independent, and whether in support or in opposition by checking the applicable boxes. Report the name of the proposal and indicate whether it is a proposal to be voted on statewide or locally. If locally (county, city, township, village, school district), indicate the name of the county where the voters will vote on the proposal. If the proposal will be voted on in more than one county, but not statewide, indicate the county with the greatest number of voters eligible to vote on the proposal. If the expenditure is in support of, or in opposition to, more than one candidate, or multiple ballot proposals, or a combination of candidates and proposals (as in slate cards), the cost must be allocated to each candidate or proposal, using MEMO ITEMIZATIONS as explained under Item #3.
Please Note:

For cumulative expenditures related to a candidate:

If the committee checks the in-kind box, the cumulative must reflect all direct and in-kind expenditures made to that candidate through the date of the expenditure being itemized. Independent expenditures related to that candidate are accumulated separately.

For cumulative expenditures related to a ballot proposal:

Accumulate direct, in-kind and independent expenditures together through the date of the expenditure being itemized.
