I understand that by submitting this form, I accept responsibility for the accuracy, authenticity and validity of all information submitted under the Abandoned Vehicle Program. Furthermore, I attest to the identity and authority of any individual that I may designate to submit any forms or information required under the Abandoned Vehicle Program.

As required by the Secretary of State, I will submit the disposition of every abandoned vehicle in my custody by means of the designated website. The information submitted shall include the following: Custodian Identification (CID) Number, Personal Identification Number (PIN), Vehicle Identification Number (VIN) and Abandoned Vehicle Disposition.

These vehicles/vessels have been redeemed by the owner or sold at auction for costs to include the \$40 abandoned fee. I also agree to remit \$25 to the State of Michigan and the remaining \$15 to the towing agency. This is in accordance with Michigan law [MCL 257.252 or 80130f-p, 81151, and 82161 2014 PA 549].

I also agree to hold the State of Michigan harmless for all use made of the information submitted through the department’s website, including any information required to allow a transfer of \$25 from the designated account for each VIN marked “Sold” or “Redeemed,” if the vehicle is sold for an amount greater than the accrued towing and storage. I agree that I will notify the Secretary of State immediately in writing of any change in the information on this form. I also agree that any violation of state law or the policies or procedures of either the department or local law enforcement authorities may result in my removal from the Abandoned Vehicle Program.
