REPORT DESCRIPTION
CANDIDATE COMMITTEE RECEIPTS AND EXPENDITURES
STATISTICAL REPORT

-- INTRODUCTION --

This report shows total receipts and expenditures for certain candidate committees of candidates who were involved in the 1990 election. The offices shown in this report are:

- Secretary of State
- Attorney General
- State Senate
- State House of Representatives
- Supreme Court

The report is sorted first by the office sought, in the order shown above. Within each office, each candidate who sought that office is listed in alphabetical order.

Every attempt has been made to provide accurate and complete information on these candidates. Any question about a particular entry should be verified against the candidate's committee file.

-- REPORT DESCRIPTION --

This report comes in four major sections. They are "Candidate Name," "Primary/Convention," "General," and "Overall." Each major section has particular information that is described below.

CANDIDATE NAME

Column 1 - This column shows whether or not a candidate was elected at the 1990 General Election. If nominated and elected, an "E" appears here. If an "N" shows instead, this means that the candidate was either nominated in the 1990 Primary Election or at a political party convention or caucus, but was defeated in the General Election.

Candidate Name - This is the name of the candidate. The candidates are in alphabetical order within each office.

1990 STATISTICAL REPORT

This statistical report reflects receipt and expenditure information for these types of committees in the order shown:

Candidate Committees

Secretary of State

Attorney General

State Senate

State House of Representatives

Supreme Court

Independent and Political Committees

Column 2 - This column shows the party affiliation of the candidate. The letters mean the following:

- D - Democrat
- R - Republican
- T - Tisch
- L - Libertarian
- W - Workers World
- N - No Party Affiliation

Identification Number - This is the identification number of the candidate's committee assigned by this office. It is used to access the actual files of the candidate committee.

PRIMARY/CONVENTION & GENERAL

Cash on Hand - This shows the amount of money the committee had on hand at the beginning of the reporting cycle for the 1990 election cycle. The information comes from the first report available from the particular candidate committee.

Cash Received - This shows the amount of contributions received by the candidate's committee during the 1990 primary/convention reporting period or general election reporting period. The number shown represents the total from the reports filed.

Cash Expenditures - This shows the expenditures made by the candidate's committee during the 1990 primary/convention reporting period or general election reporting period. The number shown represents the total from the reports filed.

In-Kind Received - This shows the dollar amount of the in-kind contributions received by the candidate's committee during the 1990 primary/convention reporting period or general election reporting period. The number shown represents the total from the reports filed.

Whenever dashes (---) appear in place of dollar amounts, this means that no reports were available, either because none were filed or none were required.

OVERALL

Cash Available - This figure is the total of the first "Cash on Hand" reported by the committee, plus the total of the cash from the Primary/Convention section and General Election section.

Cash Expenditures - This is the total of the cash expenditures from the Primary/Convention section and General Election section.

In-Kind Received - This is the total of the in-kind contributions from the Primary/Convention section and General Election section.

Ending Debt - This is the total of outstanding debts and obligations owed by the candidate's committee. This is taken from the last available report from that committee.

-- ADDITIONAL NOTES --

For each office, the dollar amounts shown under a heading are then totalled at the bottom for that office. These amounts will be shown in the line labelled "Office Total."

In either the Primary/Convention section or the General Election section, occasionally an asterisk (*) will appear. If one does appear, it will be directly under the number "3" or the number "4" in the headings in those sections. This asterisk means that the dollar amount shown represents only one of the two reports normally expected was filed during that particular election cycle.
