

REPORT DESCRIPTION
EXPENDITURES BY BALLOT QUESTION COMMITTEES
ON 2006 STATEWIDE BALLOT ISSUES

-INTRODUCTION-

This report shows expenditures made by Ballot Question Committees in support of or opposition to 2006 statewide ballot issues.

Only expenditures, which were made to directly support or oppose the particular issue, are reported. Examples of qualifying expenditures would be payments to printing companies, advertising agencies, radio and television stations, staff salaries and travel expenses etc. Transfers from one ballot question committee to another committee are not included in this report.

Also included are the value of goods and services donated to a committee at no cost to the committee (*commonly referred to as "in-kind contributions"*). These include the use of office space and equipment, guest speakers and payment of a bill on behalf of a committee.

Every attempt has been made to provide accurate and complete information on the expenditures made by Ballot Question Committees. Questions about a particular entry should first be checked against the committee's actual campaign files.
