## Exemptions:

**Reporting Waiver:** Committees that qualify for and maintain the \$1,000.00 [Reporting Waiver](#) are not required to file campaign statements. The Reporting Waiver does not waive the 48 Hour/Late Contribution Reports (LCR), other immediate disclosure reports or Petition Proposal Statements.

(\*) **An Annual Campaign Statement** is not required of:

- A committee that files a Post-Election CS during the previous December;
- An incumbent Judge or Justice; or
- An officeholder whose salary is less than \$100.00 a month and whose committee has had no activity (receipts or expenditures) during the period covered by the Annual CS.

## Immediate Disclosure Reports:

(\*\*) **48 Hour/Late Contribution Reports (LCR)** are owed when:

- A candidate committee that is running for elective office receives any single or cumulative contribution of \$500.00 or more received from the same person during the corresponding 48 Hour/Late Contribution reporting period immediately preceding the election.
- A committee other than a candidate committee (PAC, ballot question, or political party committee) meets both of the following requirements during the corresponding 48 Hour/Late Contribution reporting period immediately preceding an election: 1) has made an expenditure to support or oppose a candidate or ballot question on the ballot, and 2) receives a single or cumulative contribution of \$2,500.00 or more from the same person.

(\*\*\*) **Special Election Independent Expenditure Reports (SEIER)** are owed by PACs registered on the state level when they make an independent expenditure to support or oppose a candidate or ballot question within 45 calendar days before a special election in which the candidate or ballot question is involved. The report is waived if the committee makes the independent expenditure before the closing date of a campaign statement that is due before the date of the special election and the independent expenditure is included in that campaign statement.

(\*\*\*\*) **24-Hour Reports** are due 24 hours after a caucus committee receives a contribution or makes an expenditure of more than \$1,000.00 per day from the 14<sup>th</sup> day preceding a primary, general, or special election to the day after the primary, general, or special election. If a 24-Hour Report has been filed also qualifies as a 48 Hour/Late Contribution Report, a duplicate filing is not required. The 24-Hour reporting periods are:
