*Although the Late Contribution Reporting periods overlap, during the overlapping period, a late contribution only needs to be reported once.

The filing period for a campaign statement starts the day after the close of books of the last campaign statement filed by the committee.

Not all statements listed are owed by all committee types. Please refer to the [Campaign Finance Filings Logic](#) section of this document.

If your committee participates in an election/convention not listed here, please refer to the Election-based filings section on the [Campaign finance filing dates](#) page for instructions on calculating election based campaign statement dates or contact your filing official.
