NAME OF ST	TUDENT	ADDRESS			PHONE NUMBER					
	It is my recommendation that your teen, after completing at least 6 hours of behind-the-wheel instruction, has acquired the knowledge, skills, and attitude to operate a motor vehicle within the highway transportation system when accompanied by									
	d parent/guardian or adu		vv Itiliii t	ne ingnivay transportation syst	em when accompanied by					
		C								
				of State branch office and appl						
				the required supervised driving een, The Supervised Driving C						
		an.gov/TeenDriver, or by			fulde (505-171) is					
			1							
				ring the course, there has not b						
				actice all driving skills and man	neuvers under your					
guidance to further develop their skills, decision making, and judgments. Please use S, NI, U, or X in the skills box next to the objective to give feedback to the parents/legal guardian										
S = Satisfactory at this time- student performed skill without verbal instructions or guidance from the instructor.										
NI = Need to Improve – student performed skill with minimal verbal instructions or guidance from the instructor.										
U = Unsatisfactory - Needed verbal cues or guidance from instructor to perform the skill correctly.

Skill		Drive #3 Moderate Speed	– Den	se T	raffic – Suburban/Urban Roads				
	a)	a) Approach and turn at multiple lane intersections							
	b)	b) Determine minimum time and space gaps for maneuvers on two-lane and four-lane roads at speeds up to 45							
		mph – dense traffic							
	c)								
	d)	) Complete left and right lane changes – dense traffic							
	e)								
	f)								
	<u>g</u> )								
	h)	Perpendicular parking – left and right, enter going forward and enter backing in, exit going forward and exit							
		backing out		•					
	i)	Backing to the left and right		j)	Use a shared left turn lane to enter a driveway/street/parking lot				
	k)	Complete U-turn		1)	Off-Road Recovery				
	m)	Approach and cross railroad crossings							
Skill		Drive #4 Moderate Speed	l – Co	mp	ex Traffic – Special Maneuvers				
	a)	Approach and maneuver through roundabouts							
	b)	Approach and maneuver through a Michigan L							
	c)	Complete 3-Point turnabout on the street with a	a curb						
	d)	I) Complete driveway turnabouts: left driving in and right backing in							
	e)								
	f)								
	g)								
	h)								
	i)	Respond to traffic control devises							
	j)	Approaching and crossing rail grade crossings, RRX							
	k)	Respond to motorized and non-roadway users							
	1)								
	m)								
Skill		Drive #5 High Speed – Moderate to Heavy Traffic – Freeway/Expressway							
	a)								
	/	b) Complete lane changes at high speeds							
		c) Passing on a two-lane road – assessing time and gap needs							
	d)	d) Being passed on a two-lane road							
	e)	e) Passing on the right when legal							
	f)	f) Being passed on the right (when turning left)							
	g)								
	h)								
	i)								
	j)	Parallel parking
