

## STATE OF MICHIGAN RUTH JOHNSON, SECRETARY OF STATE DEPARTMENT OF STATE

LANSING

May 20, 2014

Kenneth E. Crider 16381 Fairway Street Livonia, Michigan 48154

Dear Mr. Crider:

The Department of State (Department) received a formal complaint filed against you by Brad Moss, alleging a violation of the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.201 *et seq*. The investigation and resolution of this complaint is governed by section 15 of the Act and the corresponding administrative rules, R 169.51 *et seq*. Copies of the complaint and supporting documentation are enclosed with this letter.

The Act's definition of a candidate includes an individual who "[r]eceives a contribution, makes an expenditure, or gives consent for another person to receive a contribution or make an expenditure with a view to bringing about the individual's nomination or election to an elective office, whether or not the specific elective office for which the individual will seek nomination or election is known at the time the contribution is received or the expenditure is made." MCL 169.203(1)(c). The Act further requires an individual to form a candidate committee within 10 days once the individual becomes a candidate under the definition provided in the Act. MCL 169.203(2), 169.221(1). A committee shall file a statement of organization within 10 days of its formation. MCL 169.224(1). Late fees may be incurred if the statement of organization is filed late. *Id.* Failure to file a statement of organization for more than 30 days is a misdemeanor. *Id.* 

Mr. Moss alleges that you did not file your Statement of Organization in a timely manner for your candidate committee.

The Act further requires candidate committees to file complete and accurate campaign finance statements and reports. MCL 169.233, 169.235. A candidate who knowingly files an incomplete or inaccurate statement or report may be subject to a civil fine of up to \$1,000.00. MCL 169.233(10), 235(6). A candidate who knowingly omits or underreports a contribution or expenditure may be subject to a civil fine of up to \$1,000.00, or the amount of the undisclosed contribution or expenditure, whichever is greater. MCL 169.233(11).

Mr. Moss alleges that you failed to disclose certain expenditures made by your candidate committee.

Finally, the MCFA and corresponding administrative rules require a person who produces printed material that relates to an election to include the phrase "Paid for by [name and address of the person who paid for the item]." MCL 169.247(1), R 169.36(2). A knowing violation

constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(6).

Mr. Moss alleges that you failed to include the required disclaimer on some of your campaign material.

The purpose of this letter is to inform you of the Department's examination of these matters and your right to respond to the allegations before the Department proceeds further. <u>It is important to understand that the Department is neither making this complaint nor accepting the allegations as true.</u>

If you wish to file a written response to this complaint, you are required to do so within 15 business days of the date of this letter. Your response may include any written statement or additional documentary evidence you wish to submit. All materials must be sent to the Department of State, Bureau of Elections, Richard H. Austin Building, 1<sup>st</sup> Floor, 430 West Allegan Street, Lansing, Michigan 48918. If you fail to submit a response, the Department will render a decision based on the evidence furnished by the complainant.

A copy of your reply will be provided to Mr. Moss, who will have an opportunity to submit a rebuttal statement to the Department. After reviewing all of the statements and materials provided by the parties, the Department will determine whether "there may be reason to believe that a violation of [the MCFA] has occurred [.]" MCL 169.215(10). Note that the Department's enforcement powers include the possibility of entering a conciliation agreement, conducting an administrative hearing, or referring this matter to the Attorney General for enforcement of the criminal penalties provided in section 47(6) of the Act.

If you have any questions concerning this matter, you may contact me at (517) 241-0395.

Sincerely.

To whom it may concern,

I am writing today as a concerned citizen. As the current election cycle begins to ramp up with primary elections only a few short months away, more and more money is being funneled into different campaigns. This money can be tracked in most cases due to Michigan's Campaign Finance laws. But the purpose of this letter is not to extol the virtues of campaign finance but rather to draw attention to a candidate who has continuously and blatantly disobeyed the law.

Ken Crider is running in the 19<sup>th</sup> Michigan House District comprising the city of Livonia. He has violated campaign finance laws on multiple occasions. The first and most egregious complaint is that Mr. Crider, did not create a candidate committee after announcing himself as a candidate in the mandated 10 day period nor did he submit his statement of organization in the allotted time. In fact it took 61 business days for him to file a candidate committee. Does he not read the laws or does he not care? The other violations are detailed in the attached evidence.

This list of violations shows either his flagrant disregard of campaign finance laws or his complete ineptitude. This confirms the type of candidate and leader that Mr. Crider is, bad. I see two simple ways these violations occurred: he either ignored, disregarded, or flouted the law or he genuinely missed one of the most important parts of a campaign, **disclosing your finances!** As he has already ran for congress one would assume he is familiar with the laws.

First he didn't file as a candidate, then he failed to put a disclaimer on his campaign materials, and then he failed to disclose his expenses. This chronic display of ham-fisted, and incompetent management of his campaign and its finances prove that Ken Crider is a poor candidate for State Representative, and a bad representation of the citizens of Livonia.

Concerned Citizen

### Section 3. Violations

### **Statement of Facts:**

Complaint #1: Candidate violated MFCA Sec. 129.221 Sec. 21 (1) and Sec. 169.224 Sec. 24 (1) by failing to form a candidate committee within 10 days of becoming a candidate and failing to file a statement of organization within 10 days after forming a candidate committee.

MFCA Sec. 169.221 Sec. 21 (1) states:

"A candidate, within 10 days after becoming a candidate, shall form a candidate committee."

MFCA Sec. 169.224 Sec. 24 (1) states:

"A committee shall file a statement of organization with the filing officials designated in section 36 to receive the committee's campaign statements. A statement of organization shall be filed within 10 days after a committee is formed. A filing official shall maintain a statement of organization by a committee until 5 years after the official date of the committee's dissolution. A person who fails to file a statement of organization required by this subsection shall pay a late filing fee of \$10.00 for each business day the statement remains not filed in violation of this subsection. The late filing fee shall not exceed \$300.00. A person who violates this subsection by failing to file for more than 30 days after a statement of organization is required to be filed is guilty of a misdemeanor punishable by a fine of not more than \$1,000.00."

The candidate began promoting his candidacy by posting onto a Facebook page called, "Ken Crider for State Rep." a picture of his campaign logo on May 5<sup>th</sup>, 2013. However, the candidate's statement of organization was not filed with the Secretary of State until June 29<sup>th</sup>, 2013. It took 61 days for the candidate to file a statement of organization with the Secretary of State. The candidate flagrantly disregarded the law by failing to file within 10 days after becoming a candidate and a statement or organization within 20 days after a committee is formed.

Exhibits A, B and C provide evidence of the candidate's severe lack of transparency and abuse of the law.

Complaint #2: Candidate violated MFCA Sec. 169.203 Sec. 3 (c) by making an expenditure on behalf of candidacy without forming a candidate committee.

MFCA Sec. 169.229, Sec. 29.1 (c) states:

- "'Candidate' means an individual who meets 1 or more of the following criteria:
  - (c) Receives a contribution, makes an expenditure, or gives consent for another person to receive a contribution or make an expenditure with a view to bringing about the individual's nomination or election to an elective office, whether or not the specific elective office for which the individual will seek nomination or election is known at the time the contribution is received or the expenditure is made."

The attached picture of the candidate's Facebook profile picture provides evidence that the candidate began promoting the campaign logo well before the candidate filed for office and therefore is in violation of the Michigan Campaign Finance Act. The date of the posting of the picture is June 14, 2013. The candidate formed his candidate committee on July 29, 2013 according to his Statement of Organization (please see Exhibits A, B and C).

The candidate began spending money well before officially filing for office.

Complaint #3: Candidate violated MFCA Section 169.229, Sec. 29.1 (c) by not including an itemized list of all expenditures, including in-kind contributions for which the candidate contributed in-kind to three specific events. MFCA Sec. 169.229, Sec. 29.1 (c) specifically states:

"Candidate must include an itemized list of all expenditures, including inkind contributions and expenditures during the period covered by the campaign statement that were contributions to a candidate committee of a candidate for elected office." Candidate failed to abide but the law by not listing the expenditure of a charcoal grill donated on behalf of his candidate committee on the 2013 Annual Statement.

Candidate contributed the use of his charcoal grill on three separate occasions:

- (a) On 7/20/13 the candidate contributed the use of his grill for the 11<sup>th</sup> Congressional District Republican Committee Picnic in Farmington Hills, MI.
- (b) On 7/24/13, the candidate contributed the use of his grill for the Wayne 11<sup>th</sup> Picnic in Canton, MI
- (c) On 9/15/13, the candidate contributed the use of his grill for the Wayne County Republican Committee picnic.

Please see the attached evidence found in Exhibits D-G posted to his candidate Facebook page in which he advertises the use of the grill on a yard sign reading, "Elect Ken Crider for Michigan State Representative. A Common Man with Common Sense. Grill Provided by Ken Crider for State Representative. 19<sup>th</sup> District."

Complaint #3: Candidate violated MFCA Sec. 169.247 Sec. 471 (1) by not including a disclaimer on candidate materials at the three aforementioned events.

MFCA Sec. 169.247 Sec. 471 (1) which reads:

"Except as otherwise provided in this subsection and subject to subsections (3) and (4), a billboard, placard, poster, pamphlet, or other printed matter having reference to an election, a candidate, or a ballot question, shall bear upon it the name and address of the person paying for the matter."

The attached pictures in Exhibits E-H provide proof to the blatant abuse of candidacy and lack of transparency by candidate for failing to include a disclaimer which bears the name and address of the person paying for the yard sign. The use of the words, "elect" and "for" expressly refer to an election and candidate. This is in clear violation of election law.

Complaint #4: Candidate violated MFCA Sec. 169.247 Sec. 471 (1) by not including a disclaimer on candidate materials at the following event:

The 11<sup>th</sup> Congressional District Committee's Pizza, Pistols and Politics event on 10/1/13. The candidate reported an in-kind contribution of pizza to the event without including in signage a disclaimer that reads, "Paid for by..."

Please see the attached picture in Exhibit H.

Complaint #5: Candidate violated MFCA Section 169.229, Sec. 29.1 (c) by not reporting the cost of expenditures for the creation of a campaign logo, business cards, campaign literature and/or other materials that promote the candidate. See Exhibits H showing a statement of all expenditures reported in the candidate's 2013 Annual Statement. There was no report of the cost of candidate's business cards, literature, signs or grill.

Please see Exhibits A and D-H.
