Dear Mr. Martin:

The Department of State (Department) received a formal complaint filed by Dan Sloan against you, alleging that you violated section 47(1) of the Michigan Campaign Finance Act (MCFA), 1976 PA 388, MCL 169.247(1), by failing to include a complete and correct identification statement on certain campaign materials. A copy of the complaint is provided as an enclosure with this letter.

The MCFA and corresponding administrative rules require a person who produces printed material that relates to an election to include the phrase "Paid for by [name and address of the person who paid for the item]." MCL 169.247(1), Mich. Admin. R 169.36(2). A knowing violation constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(6).

In support of his complaint, Mr. Sloan provided a picture of a billboard which states, "Elect Rich MARTIN for Lake Co. SHERIFF [.]" and a palm card which states, "Elect Rich MARTIN for Lake Co. SHERIFF [.]" The paid-for-by statements on these materials appear to omit your committee's address.

The purpose of this letter is to inform you of the Department's examination of these matters and your right to respond to the allegations before the Department proceeds further. It is important to understand that the Department is neither making this complaint nor accepting the allegations as true.

If you wish to file a written response to the complaint, you are required to do so within 15 business days of the date of this letter. Please include any evidence that reflects any corrective measures you have taken to bring your campaign material into compliance with the MCFA. Your response may include any written statement or additional documentary evidence you wish to submit. All materials must be sent to the Department of State, Bureau of Elections, Richard H. Austin Building, 1st Floor, 430 West Allegan Street, Lansing, Michigan 48918. If you fail to submit a response, the Department will render a decision based on the evidence furnished by the complainant.

A copy of your reply will be provided to Mr. Sloan, who will have an opportunity to submit a rebuttal statement to the Department. After reviewing all of the statements and materials provided by the parties, the Department will determine whether "there may be reason to believe

that a violation of [the MCFA] has occurred [.]” MCL 169.215(10). Note that the Department’s enforcement powers include the possibility of entering a conciliation agreement, conducting an administrative hearing, or referring this matter to the Attorney General for enforcement of the criminal penalty provided in section 47(6) of the Act.

Lake County Sheriff

Dear Sheriff Martin:

The Department of State (Department) has completed its investigation of the complaint filed against you by Dan Sloan, which alleged that you violated section 47(1) of the Michigan Campaign Finance Act (MCFA or Act), 1976 PA 388, MCL 169.247(1), by failing to include a complete and correct identification statement on certain campaign-related material. This letter concerns the disposition of Mr. Sloan's complaint.

The MCFA and corresponding administrative rules require a person who produces printed material that relates to an election to include the phrase "Paid for by [name and address of the person who paid for the item]." MCL 169.247(1), R 169.36(2). A knowing violation constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(6).

The Act also requires the Department to "endeavor to correct the violation or prevent a further violation by using informal methods [.]" if it finds that "there may be reason to believe that a violation ... has occurred [.]" MCL 169.215(10). The objective of an informal resolution is "to correct the violation or prevent a further violation [.]" Id.

Mr. Sloan filed his complaint on September 6, 2016, and you filed a written response on September 22, 2016. Mr. Sloan did not file a rebuttal statement with the Department.

Mr. Sloan alleged that you failed to include your committee's address on the paid-for-by statement on your campaign billboard. In support of his complaint, Mr. Sloan provided a picture of a billboard which stated, "Elect Rich MARTIN for Lake Co. SHERIFF [.]". Your committee's address appeared to be omitted from the paid-for-by statement on the billboard.

In your response you stated that you added the required wording to both of your billboards and that "any future stationary will also include the required wording."

While the Department believes that the evidence tends to show that your billboards failed to contain a complete paid-for-by statement and a technical violation of the Act occurred, section 15(10) of the MCFA requires the Department to "endeavor to correct the violation or prevent a further violation by using informal methods such as a conference, conciliation, or persuasion [.]"

The Department is satisfied that you took appropriate corrective measures to bring your material into compliance.

Additionally, the Department is advising you that section 47(1) and R 169.36(2) require you to print a complete and accurate identification statement on all campaign materials, consisting of the phrase "paid for by" followed by the full name and address of your committee. Note that all printed materials that refer to an election or your candidacy produced in the future must include this identification statement.

Please be advised that this notice has served to remind you of your obligation under the Act to identify your printed matter, and may be used in future proceedings as evidence that tends to establish a knowing violation of the Act. A knowing violation is a misdemeanor offense and may merit referral to the Attorney General for enforcement action. MCL 169.247(6), 215(10).

The Department now considers this matter closed and will take no further action against you at this time.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori A. Bourbonais".
