A New Voice In The Right Direction!!!

Having been involved in public service for many years I have long worked for positive change, most recently as Mayor in the City of Manton, Michigan. I now feel the time has come for me to run for State Representative of the 102nd district. Representative Phil Potvin is termed out and will not be rerunning in 2016.

I want to bring a new voice and positive solutions to Lansing and I need your help!

In order to serve the people of Wexford, Mecosta and Osceola counties (the 102nd district), I must conduct an assertive campaign. I must begin fundraising now so that I may offer the voters a **new and distinct choice** amongst the candidates ... 2016 is quickly approaching!

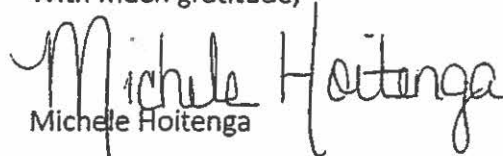

I have assembled a strong and organized grassroots team but the campaign plan requires significant funding. That is why I am reaching out to those who may feel compelled to help make a difference...*I humbly ask for your support.*

Your contribution made payable to Friends to Elect Michele Hoitenga will give our race a tremendous boost and set the timbre of the campaign. I hope that you will use the enclosed envelope to return your personal check for \$25, \$50, \$100 or more to help me bring exceptional representation to our Michigan district. Even the smallest donation is greatly appreciated as I know times are tough for many hard working and retired families.

My website: MicheleForMichigan.com and a formal candidacy public announcement are *coming soon*!!! By supplying your email on the enclosed envelope you will be kept updated as the campaign progresses, if you so choose. My full biography and platform are on the website.

Since I am running for this position to serve YOU, feel free to contact me and let's have coffee and chat! I want to hear what issues YOU feel are most important facing our district and our families.

With much gratitude,

Michele Hoitenga

PS. **Interesting fact:** When elected, I will honorably serve as the first female to represent the 102nd District in the Michigan House.

For State Representative of the 102nd District

Announcing my Candidacy for 2016

The state convention is over and Republican momentum is running strong. 2016 is just around the corner. As others announce their candidacy in the months to come, I hope that you remember me, my message, and my invitation for your support. I was born and raised in the 102nd district and now I am prepared to represent and serve my fellow constituents.

Margaret Thatcher stated my feelings best, ***"I am in politics because of the conflict between good and evil, and in the end I believe Good will triumph"***.

Why I am Running for State Representative

- As a small business owner of a family run energy consulting firm, I have experienced firsthand how excessive regulations and complicated tax codes hinder and stifle small business. I will stand up for fellow small business men and women.
- As Mayor of a Northern Michigan city, I professionally know how needless bureaucratic red tape, regulations and state mandates encumber local municipalities. I will work tirelessly to remove barriers and represent all 102nd district municipalities and its citizens.

which infringe on all law-abiding Michigan citizen's right to bear arms.

- As the Christian mother of an active duty Marine I am sensitive to the needs of our veterans, especially when their time serving our country ends. I will fight **FOR** our veterans!
- As a life long Michigan citizen, I personally know how government overreach intrudes on personal liberties. Government's job is to regulate government; not you and I. I will exemplify the average Mecosta, Osceola, and Wexford county citizens while I am in Lansing.

Not only was I born and raised in Wexford county and encompass the determination, experience and dedication to hold this position....but there is a bigger picture. I will continue to engage our district youth to encourage their involvement in making Michigan a RED state in future presidential elections!
