

Attention Voters

Want to change your absentee vote?

If you have already returned your ballot, visit your local election clerk's office by 4 p.m. Monday, March 9. You will not be able to change it on Election Day.

If you haven't returned your ballot, you can also go to your polling place on Election Day, Tuesday, March 10. Ask to surrender it for a new ballot or sign an affidavit saying it was lost or destroyed. You can vote at the polls.
