Automatic voter registration (MI residents only)

Under Michigan law, eligible residents are automatically registered to vote when conducting a driver's license or state ID card transaction with the Secretary of State unless they choose to opt out.

To be eligible to register to vote, you must be a US citizen, at least 17.5 years old (18 years old when you vote), a MI resident (at the time you register), and a resident of your city or township for at least 30 days (when you vote). If you're already registered, checking the box won't cancel your registration or stop your registration address from being updated. Automatic voter registration does not apply for reinstatement only applications.

Are you a U.S. citizen? Yes No **Do not use my information for voter registration (opt-out)**
