Re: *Schonert v. MacDonell*
Campaign Finance Complaint No. 2022 - 10 - 160 – 47

Dear Ms. MacDonell:

The Department of State (Department) has received a formal complaint alleging you have violated MCL 169.247 of the Michigan Campaign Finance Act (MCFA) by failing to include an identification statement on your campaign website. Photos are included with the complaint; a copy of the complaint is enclosed.

The MCFA and corresponding administrative rules require a person who produces printed material that relates to an election include the phrase “Paid for by [name and address of the person who paid for the item].” MCL 169.247(1), R 169.36(2). A knowing violation constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(6).

Upon review, the evidence submitted supports the conclusion that a potential violation of the Act has occurred. From the outset, the Department must consider whether the materials fall within the ambit of the MCFA. Because the materials explicitly advocate for the election or defeat of a candidate, or for the passage or defeat of a ballot proposal, the materials contain express advocacy as defined by the Act. MCL 169.206(2)(j). As explained above, such materials must contain a “paid for by” statement listing the name and address of the committee purchasing the materials. However, the evidence shows that the materials at issue here omit part or all of that required statement. That absence supports the conclusion that a potential violation of the MCFA has occurred.

After reaching this conclusion, the Act requires the Department to “endeavor to correct the violation or prevent a further violation by using informal methods” if it finds that “there may be reason to believe that a violation ... has occurred [.]” MCL 169.215(10). The objective of an informal resolution is “to correct the violation or prevent a further violation.” *Id.*

Given this, the Department concludes that a formal warning is a sufficient resolution to the complaint and is hereby advising you that MCL 169.247(1) and R 169.36(2) require you to print

a complete and accurate identification statement on all campaign materials, consisting of the phrase “paid for by” followed by the full name and address of your committee.

Note that all printed materials referencing you or your candidacy produced in the future must include this identification statement. For all materials currently in circulation, the paid for by statement must be corrected. If this information has been included in your materials and you wish to rebut the Department’s conclusion, you must respond in writing to the Department at the address below or BOERegulatory@michigan.gov within 15 business days of the date of this letter; otherwise the Department will treat the complaint as resolved.

Please be advised that this notice has served to remind you of your obligation under the Act to identify your printed matter and may be used in future proceedings as evidence that tends to establish a knowing violation of the Act. A knowing violation is a misdemeanor offense and may merit referral to the Attorney General for enforcement action. MCL 169.247(6), 215(10).

Sincerely,

Regulatory Section

Michigan Department of State
