Please print or type all information.

I allege that the MCFA was violated as follows:

Section 1. Complainant		
Your Name Brett Chittum		Daytime Telephone Number 206-459-6360

Section 3. Alleged Violations (Use additional sheet if more space is needed.)

Section(s) of the MCFA violated:

MCFA Section 169.233 Act 388 of 1976

Explain how those sections were violated:

I believe that this candidate, who has a current Reporting Waiver (as of 09/24/2023), has spent over the amount to have this waiver and is in violation of not reporting and having full disclosure and transparency into his finances. He has hundreds of yard signs out in the neighborhood, multiple meet and greets where he provided food, supplied multiple "Vote for Chuck Norton" t-shirts that he handed out, had flyer handout events where he has handed out hundreds of flyers, a booth at local events where there is a banner with his information, and sponsorship of a golf outing. Most if not all, of which happened prior to the primary election.

Evidence that supports those allegations (attach copies of pertinent documents and other information):

Section 5. Certification without Evidence (Supplemental to Section 4)

Section 15(6) of the MCFA (MCL 169.215) required that the signed certification found in section 4 of this form be included in every complaint. However, if, after a reasonable inquiry under the circumstances, you are unable to certify that certain factual contentions are supported by evidence, you may also make the following certification:

I certify that to the best of my knowledge, information, or belief, there are grounds to conclude that the following specifically identified factual contentions are likely to be supported by evidence after a reasonable opportunity for further inquiry. Those specific contentions are:

X _____
Signature of Complainant Date

Section 15(8) of the MCFA provides that a person who files a complaint with a false certification is responsible for a civil violation of the MCFA. The person may be required to pay a civil fine of up to \$1,000.00 and some or all of the expenses incurred by the Michigan Department of State and the alleged violator as a direct result of the filing of the complaint.

Dear esteemed residents of Riverview,

I hope this message finds you well. I wanted to take a moment to inform you that I recently received news that my yard signs are permitted to remain on your private property within your property lines until after the upcoming November election. This includes both residential and commercial properties. However, it is crucial to note that these signs must be taken down after the election.

Good afternoon Riverview,

With just 53 days until the November 7th election, it's time for you to decide who will represent you as a council member and ultimately serve as the Mayor. I'm thrilled to have this opportunity.

Now is the time to get those Chuck Norton for Riverview Mayor signs back out.

PLEASE KEEP THOSE SIGNS OFF OF THE EASEMENTS.

One of the things that sets our city apart is our form of government, with a City Manager at the helm. As council members, our role is to set policy and approve the City Manager's direction. However, I believe that elected officials should have direct communication with constituents. I value accessibility, accountability, and fostering teamwork among residents. Please consider supporting our grassroots campaign for a better Riverview.

Feel free to call, text, or email any questions you may have.

Chuck Norton · Jul 11 ·

Greetings, my fellow citizens and community members of Glen's Subdivision and all Riverview residents!

*****Thursday 6:00 pm-7:30 pm Glens Park*****

I hope this message finds you all in good spirits. My name is Chuck Norton, and I wanted to take a moment to share with you a few vital ideas that I deeply believe in as I set out on this journey to become your mayor. But before I continue, let me assure you that I am not your typical politician. My intentions are driven solely by a desire to create positive change in our beloved city.

As we are faced with the imminent challenge of our landfill reaching its capacity, I strongly believe that all of us must come together and work towards finding innovative solutions to generate revenue. Here are the three key principles that have guided me throughout this campaign:

1. Teamwork: I am a firm believer in the power of collaboration and unity. No single person holds all the answers, and by working together as a collective force, we can achieve extraordinary outcomes. I am committed to fostering an environment that promotes teamwork at all levels, involving our residents, small businesses, and employees in the decision-making processes that directly impact their lives.

2. Accessibility: One of the greatest issues with politicians today is their detachment from the day-to-day concerns of

Re: *Chittum v. Committee to Elect Chuck Norton*
Campaign Finance Complaint No. 23-075

Dear Committee to Elect Chuck Norton:

The Department of State (Department) has received a formal complaint filed against you by Brett Chittum alleging that you violated the Michigan Campaign Finance Act (MCFA or Act). Specifically, the complaint alleges that you have not filed the appropriate financial statements after spending more than \$1,000 in expenditures on yard signs, banners, flyers, events, and other campaign events. A copy of the complaint is included with this notice.

The MCFA requires committees file contributions and expenditures with the appropriate filing official by specific dates. MCL 169.233(1) – (3). The Act requires a committee that receives or expends more than \$1,000 during any election to file campaign finance reports in compliance with the act. MCL 16.233(6). A person who knowingly omits or underreports expenditures required to be disclosed by the Act is subject to a civil fine of not more than \$1,000 or the amount of the expenditures omitted or underreported, whichever is greater. MCL 169.233(11).

The Department has independently verified that, as of September 26, 2023, no campaign finance statements have been filed or posted on the Wayne County campaign finance website.

The purpose of this letter is to inform you of the Department's examination of these matters and your right to respond to the allegations before the Department proceeds further. It is important to understand that the Department is neither making this complaint nor accepting the allegations as true. The investigation and resolution of this complaint is governed by section 15 of the Act and the corresponding administrative rules, R 169.51 *et seq.* An explanation of the process is included in the Department's campaign finance complaint [guidebook](#).

If you wish to file a written response to this complaint, you are required to do so within 15 business days of the date of this letter. Your response may include any written statement or additional documentary evidence you wish to submit. Materials may be emailed to BOERegulatory@michigan.gov or mailed to the Department of State, Bureau of Elections, Richard H. Austin Building, 1st Floor, 430 West Allegan Street, Lansing, Michigan 48918. If you

fail to submit a response, the Department will render a decision based on the evidence furnished by the complainant.

A copy of your answer will be provided to Brett Chittum, who will have an opportunity to submit a rebuttal statement to the Department. After reviewing the statements and materials provided by the parties, the Department will determine whether “there may be reason to believe that a violation of [the MCFA] has occurred [.]” MCL 169.215(10). Note that the Department’s enforcement powers include the possibility of entering a conciliation agreement, conducting an administrative hearing, or referring this matter to the Attorney General for enforcement.

If you have any questions concerning this matter, you may contact the Regulatory Section of the Bureau of Elections at BOERegulatory@Michigan.gov.

Sincerely,

Re: *Chittum v. Committee to Elect Chuck Norton*
Campaign Finance Complaint 23-075

To Whom It May Concern:

Please be advised I represent the Committee to Elect Chuck Norton in reference to the above referenced campaign finance complaint.

As you are aware, MCL 169.204(3)(b) exempts from contributions, "Food and beverages, not to exceed \$1,000.00 in value during a calendar year, that are donated by an individual and for which reimbursement is not given." There have been four (4) events in which pizza and soft drinks were served. The pizzas and soft drinks for each event were donated by individuals and the sum total spent was less than \$500.00 upon information and belief.

Mr. Norton has not exceeded the disclosure limit of \$1,000.00 on his campaign. If, at some point, my client does exceed this amount, he will most assuredly file the appropriate reports and disclosures.

Please feel free to contact this office if you have any further questions.

Very truly yours,

***Re: Chittum v. Committee to Elect Chuck Norton
Campaign Finance Complaint 23-075***

To The Michigan Department of State,

My original complaint, dated 9/24/23, noted that the violation that was committed was from *MFCA Section 169.233 Act 388 of 1976* and stated this: *"I believe that this candidate, who has a current Reporting Waiver (as of 09/24/2023), has spent over the amount to have this waiver and is in violation of not reporting and having full disclosure and transparency into his finances. He has hundreds of yard signs out in the neighborhood, multiple meet and greets where he provided food, supplied multiple "Vote for Chuck Norton" t-shirts that he handed out, had flyer handout events where he has handed out hundreds of flyers, a booth at local events where there is a banner with his information, and sponsorship of a golf outing. Most if not all, of which happened prior to the primary election."*

The letter notifying the *Committee to Elect Chuck Norton*, dated 10/3/23, reiterated my complaint and stated the same MCFA MCL number that I had cited on the original complaint. A letter from you, dated 11/31/23, in response to the original complaint, stated the rebuttal from the attorney of Mr. Norton only addressed *"Michigan Campaign Finance Act, 1976 P.A. 388, MCL 169.201 et seq"*, which was not what my original complaint was even about. Mr. Norton's attorney stated in that letter *"As you are aware, MCL 169.204(3)(b) exempts from contributions, "Food and beverages, not to exceed \$1,000.00 in value during a calendar year, that are donated by an individual and for which reimbursement is not given." There have been four (4) events in which pizza and soft drinks were served. The pizzas and soft drinks for each event were donated by individuals and the sum total spent was less than \$500.00 upon information and belief."* Which does not even address the complaint in its entirety and goes on to say; *"Mr. Norton has not exceeded the disclosure limit of \$1,000.00 on his campaign. If, at some point, my client does exceed this amount, he will most assuredly file the appropriate reports and disclosures."*

My original complaint was concerning the "Reporting Waiver" on Mr. Norton's Candidate Committee Statement, which is still active as of the date of this letter, in where his campaign will not have expenditures of over \$1000, and at the time he does go over, he will then file an amendment. I would like to thank Mr. Norton's attorney for at least giving potential monetary value on the money spent on

some of his events, but as of the date of his letter, there have really been 6 events, none the less, thank you for giving some account.

But the matter of this is not just the food, but all that is included in Mr. Norton's campaign, which would include "All" expenditures, including food. Based on Mr. Norton's attorney admission, there was at least \$500 spent on food for events. I have personally driven around the city and counted his signs, which are still over 75 signs as of the date of this letter. But to add to his sign count, on Facebook it was announced that there were 50 signs missing from residences and a report was filed with the Riverview City Police Department stating *"10/11/2023 : 16:45:43 bbemis4 Narrative: political signs stolen from private property, Vote for Norton.. caller states he has lost approximately 50 signs, from various locations, since the campaign started.. unknow suspect."* With this information I would derive that there are at least 125 signs that were purchased. Along with the flyers, t-shirts, banners, sponsorships, business cards, and others, it is inconceivable that Mr. Norton and his campaign have not spent over \$1000 to date, most prior to the primary election.

I stand by my original statement, and the evidence presented even more so with what I have presented in this letter. Mr. Norton and his campaign still refuse to follow the law, even when presented with the evidence and a letter from the Department of State, he still denies these allegations. Per Campaign Finance Regulations, a candidate, even when under Waiver, must keep records of all expenditures. I ask that you continue this investigation and please investigate his financial accounts. With his persistent denial of this complaint, I ask that there be no lenience given, and that he is prosecuted to the full extent of the law.

Thank You,

Re: *Chittum v. Committee to Elect Chuck Norton* Campaign Finance Complaint No. 23-075

Dear Mr. Makowski:

The Department of State (Department) has finished investigating the campaign finance complaint filed against Mr. Norton by Mr. Chittum alleging a violation of the Michigan Campaign Finance Act (MCFA or Act). This letter concerns the disposition of that complaint.

The complaint alleged that Mr. Norton spent an amount in excess of \$1,000 and was required to file campaign finance statements with the county.

You responded to the complaint. In your response, you claimed Mr. Norton didn't spend in excess of the \$1,000 but subsequent receipts submitted by Mr. Norton showed that he exceeded the \$1,000 and should have filed a campaign finance statement.

Mr. Chittum provided a rebuttal statement. In that statement, he reasserted his complaint that he believes Mr. Norton exceeded \$1,000 in his campaign.

The MCFA requires committees file contributions and expenditures with the appropriate filing official by specific dates. MCL 169.233(1) – (3). The Act requires a committee that receives or expends more than \$1,000 during any election to file campaign finance reports in compliance with the act. MCL 16.233(6). A person who knowingly omits or underreports expenditures required to be disclosed by the Act is subject to a civil fine of not more than \$1,000 or the amount of the expenditures omitted or underreported, whichever is greater. MCL 169.233(11).

The Department has reviewed the evidence submitted in this matter and finds that sufficient evidence has been presented to support a finding of a potential violation of the MCFA. The receipts that Mr. Norton submitted exceed the \$1,000 threshold that requires filing campaign finance statements. Additionally, the sponsorship for the Riverview Community High School

This letter serves to notify you and your clients that the Department has determined that Mr. Norton has violated by MCFA by not filing campaign finance statements. If Mr. Norton files the appropriate campaign finance reports with the county then the Department will consider a warning sufficient and consider this matter resolved. “If, after 90 business days, Mr. Norton’s campaign finance statements remain unfiled, the secretary of state shall do either of the following:

- (a) Refer the matter to the attorney general for the enforcement of any criminal penalty provided by this act.
- (b) Commence a hearing as provided in subsection (11) for enforcement of any civil violation.” MCL 169.215(11).

Please contact the undersigned at BOERegulatory@Michigan.gov when the appropriate campaign finance statements have been filed with the county.
