Re: *Mallon v. Taillard*
Campaign Finance Complaint
No. 2018-07-043-47

Dear Mr. Taillard:

The Department of State (Department) has received a formal complaint alleging you have violated MCL 169.247 of the Michigan Campaign Finance Act (MCFA) by failing to include a complete and correct identification statement on certain campaign-related materials.

The MCFA and corresponding administrative rules require a person who produces printed material that relates to an election include the phrase "Paid for by [name and address of the person who paid for the item]." MCL 169.247(1), R 169.36(2). A knowing violation constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(6).

The Act also requires the Department to "endeavor to correct the violation or prevent a further violation by using informal methods [,]" if it finds that "there may be reason to believe that a violation ... has occurred [.]" MCL 169.215(10). The objective of an informal resolution is "to correct the violation or prevent a further violation [,]" *Id.*

At issue is a yard sign which states the following: "VOTE MIKE TAILLARD 2018." A picture of the sign was submitted with the complaint and is enclosed with this correspondence.

Upon review, it appears that the paid for by statement is omitted entirely from these campaign materials in violation of MCL 169.247. Given this, the Department is hereby advising you that MCL 169.247(1) and R 169.36(2) require you to print a complete and accurate identification statement on all campaign materials, consisting of the phrase "paid for by" followed by the full name and address of your committee.

Note that all printed materials that refer to an election or your candidacy produced in the future must include this identification statement. For all materials currently in circulation that refer to

your candidacy, the paid for by statement must be corrected/included. If this information has been included on your website or campaign flyers, please provide this office evidence demonstrating the proper paid for by statements.

Please be advised that this notice has served to remind you of your obligation under the Act to identify your printed matter and may be used in future proceedings as evidence that tends to establish a knowing violation of the Act. A knowing violation is a misdemeanor offense and may merit referral to the Attorney General for enforcement action. MCL 169.247(6), 215(10).

The Department considers the instant action closed and resolved.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam L.S. Fracassi". The signature is written in a cursive style with a large, looping initial "A".

...er, private firms such as the RAND Corporation have made their best attempts to perform research, but Tiahrt puts limitations on what they can accomplish. Having Tiahrt and Dickey would resolve this problem and allow us to know what we're doing rather than grasping blindly for a solution.

Finally, Tiahrt requires the FBI to destroy all background check information within 24 hours. Even collecting non-identifying information before destroying the records and using that along with other sources of information will allow us to perform research that will assist in recognizing the cause of the current trends in violent behavior, identify "red flags" in behavior which indicate that a person is likely to attack others in the future, and even create methods to reduce the rates of violence in our nation by addressing the underlying causes.

Transparency Notice: An order of campaign materials purchased on May 01, 2018 does not include the "Paid for" disclosure statement due to oversight. Less than 1% of the total amount of this order had been distributed before the omission was noticed. There is nothing we can do to recover the materials already distributed, but we have stopped all distribution for a couple days while we make corrections to the remaining materials. If you happen to already have an item that has this omission, do not worry about it, as it was distributed unknowingly and will not result in problems.

Sorry for the inconvenience while we wait to correct the remaining items of the order.
