Re:

Mesloh v. Stokes

Campaign Finance Complaint

No. 2018-10-78-47

Dear Ms. Stokes:

The Department of State (Department) has received a formal complaint alleging you have violated MCL 169.247 of the Michigan Campaign Finance Act (MCFA) by failing to include a complete and correct identification statement on certain campaign-related materials.

The MCFA and corresponding administrative rules require a person who produces printed material that relates to an election include the phrase "Paid for by [name and address of the person who paid for the item]." MCL 169.247(1), R 169.36(2). A knowing violation constitutes a misdemeanor offense punishable by a fine of up to \$1,000.00, imprisonment for up to 93 days, or both. MCL 169.247(6).

The Act also requires the Department to "endeavor to correct the violation or prevent a further violation by using informal methods [,]" if it finds that "there may be reason to believe that a violation ... has occurred [.]" MCL 169.215(10). The objective of an informal resolution is "to correct the violation or prevent a further violation [.]" *Id*.

The complaint provides a copy of campaign yard signs that appear likely to violate MCL 169.247. The sign reads "ELECT STOKES for Village President." In support of the complaint, copies of the materials were provided, and have been enclosed with this communication.

Upon review, it appears that the paid for by statement is omitted entirely from the yard sign in violation of MCL 169.247. Given this, the Department is hereby advising you that MCL 169.247(1) and R 169.36(2) require you to print a complete and accurate identification statement on all campaign materials, consisting of the phrase "paid for by" followed by the full name and address of your committee.

Lori Stokes October 23, 2018 Page 2

Note that all printed materials that refer to an election or your candidacy produced in the future must include this identification statement. For all materials currently in circulation that refer to your candidacy, the paid for by statement must be corrected/included. If this information has been included on your campaign materials, you may provide this office evidence demonstrating the proper paid for by statements.

Please be advised that this notice has served to remind you of your obligation under the Act to identify your printed matter and may be used in future proceedings as evidence that tends to establish a knowing violation of the Act. A knowing violation is a misdemeanor offense and may merit referral to the Attorney General for enforcement action. MCL 169.247(6), 215(10).

The Department considers the instant action closed and resolved.

Sincerely,

Adam Fracassi

Bureau of Elections

Michigan Department of State
