We received your documents in the mail this morning! I do have one question though. Your precinct results show a different pollbook number than the canvass. As discussed yesterday is this because of the discrepancy with Abdul El-Sayed?

Can you please confirm if the pollbook total is 11693 as listed on the precinct results or 11692 as listed on the canvass. If the canvass is wrong, I can make the change and reprint that page for you.

Thanks so much for your assistance.

Janae,

Good morning. Do you have an updated precinct results report that you could scan and email that shows the 866 number? In addition could you please fax/scan and email a copy of the board signatures for the canvass report?

Thank you so much!
