

Filing for Office: Governor

Michigan Election Law governs the ballot access procedures for candidates seeking the office of Governor. As these procedures are subject to change by the State Legislature, candidates interested in participating in Michigan's August Primary Election or November General Election should visit Michigan.gov/Elections, for the latest updates.

General Requirements

Certain requirements of Michigan Election Law and federal law are applicable to all candidates seeking the office of Governor regardless of political party affiliation.

Office eligibility: To be eligible for the office of Governor, a person must have attained the age of 30 years and have been a registered elector in this state for at least four years before their election. Const 1963, art 5, § 22; MCL 168.51.

Affidavit of Identity: Except for write-in candidates, all candidates for Governor must submit an [Affidavit of Identity](#) when filing for office. MCL 168.558. Affidavit of Identity forms can be obtained through any county clerk's office or from the Bureau of Elections (BOE). The Affidavit of Identity form is also available on BOE's website under "[Ballot Access](#)."

Candidates who fail to comply with the Affidavit of Identity filing requirement are ineligible to appear on the ballot.

Campaign finance reports: State and local candidates are required to comply with the financial disclosure requirements provided under the Michigan Campaign Finance Act, PA 388 of 1976.

An individual becomes a candidate under the Michigan Campaign Finance Act as soon as the individual does one of the following:

- Files an affidavit, fee or nominating petition **OR**
- Is certified as the nominee of their political party **OR**
- Receives a contribution (**includes contributions from the candidate's own personal funds**), makes an expenditure, or authorizes someone else to do so on their behalf **OR**
- Is the subject of a recall vote **OR**
- Was elected to an elective office and can seek re-election.

Once any of the conditions above has been met, a candidate has:

- 10 days to form a Candidate Committee
- 10 additional days to file the Statement of Organization online

- **Example: On May 1, 2026, an individual is nominated at their political party convention for the Office of Governor. The formation date of their Candidate Committee can be no later than May 11, 2026, and the Statement of Organization is due to BOE on or before May 21, 2026.**

Michigan Election Law requires any candidate filing an Affidavit of Identity to state on the form that at the date the affidavit was executed, all statements, reports, late filing fees and fines required of the candidate, or any Candidate Committee organized to support the candidate's election under Michigan's Campaign Finance Act have been filed or paid. **Candidates that have any outstanding notices of Failure to File or outstanding late filing fees with any filing official in the State are ineligible to appear on the ballot.** MCL 168.558.

Personal financial disclosure: Certain state public officeholders and candidates are required to comply with the Public Officers Financial Disclosure Act (PA 281 of 2023) and the Candidate for Office Financial Disclosure Act (PA 282 of 2023) respectively.

Public officers and candidates are subject to personal financial disclosure, when holding or running for the following offices:

- Governor
- Lt. Governor
- Attorney General
- Secretary of State
- State Senator
- State Representative

For candidates: even if a person is not actively campaigning and may not intend to file for office, **individuals are subject to financial disclosure requirements when they become a candidate as defined in the Michigan Campaign Finance Act and their candidate committee receives or expends more than \$1,000 during the election cycle.** Reports are due in 2025 according to the following schedule:

2025

- Current public officers by May 15, 2025.
- Because none of the applicable offices are on the ballot in 2025, no candidates are required to file (but, if public officers, must file as public officers).

2026

- For current public officers and candidates for the listed offices, by May 15, 2026, **OR**

- For candidates seeking to be nominated by a political party at a nominating convention for the listed offices, within 15 days of submitting their candidate committee's statement of organization.
