

## U.S. House and State Senate, and State House Districts that File at County Level

In 2024, the Michigan Independent Citizens Redistricting Commission received approval of district changes to the following state senate districts: 1-11, 13, 23 and 24. As a result, six districts that previously filed at the state, now file with their county. This includes districts 3, 6, 7, 11, 13, and 24. District 23, which previously filed at the county, now files at the state.
