# I. Filing Requirements

All candidates for judgeships must file required forms in **duplicate, along with required valid petitions**, where applicable. Follow the form instructions carefully as errors or omissions may result in candidate disqualification.

The required forms can be obtained from County Clerks, the Michigan Department of State's Bureau of Elections in Lansing, or on the Bureau's [Ballot Access](#) page. A candidate who fails to file the required documents by the filing deadline in the table in Appendix A is ineligible to appear on the ballot. All documents must be filed at the same time.

## Michigan Supreme Court Justice

Ballot access requirements for the office of Michigan Supreme Court Justice are distinct and different from other judicial offices. There are multiple ways a candidate may have their name placed on the ballot for the office of Michigan Supreme Court Justice.

### *Non-Incumbent (Judges seeking election to new office)*

#### **Nominated at party convention:**

Unlike other judicial offices, a nonincumbent candidate seeking election to the Michigan Supreme Court may be placed on the ballot through party nomination. In this case the nominee will submit the following documents to the Michigan Secretary of State:

- 1) Non-Incumbent Affidavit of Identity & Affidavit of Constitutional Qualification Form (one form)
- 2) Certification of Party Nomination
- 3) Certificate of Acceptance

#### **Placed on ballot by petition:**

Non-incumbent candidates for Michigan Supreme Court without party affiliation may also be placed on the ballot through **qualifying petition**. In this instance candidates will submit the following documents to the Michigan Secretary of State, Bureau of Elections:

- 1) Non-Incumbent Affidavit of Identity & Affidavit of Constitutional Qualification Form (one form)
- 2) Qualifying Petition containing required number of valid signatures.

*Incumbent (Judges seeking reelection to the same office.)*

**Placed on ballot by affidavit:**

All Incumbent Michigan Supreme Court Justices seeking reelection must file:

- 1) Incumbent Judicial Affidavit of Identity & Affidavit of Candidacy Form (one form)

An incumbent Supreme Court Justice seeking reelection must submit the form above by the deadline in Appendix A. The incumbent will also submit the documents below following their nomination at their party's convention.

- 2) Certification of Party Nomination
- 3) Certificate of Acceptance

## **Court of Appeals, Circuit Court, District Court, Probate District Court, and Probate Court**

*Non-Incumbent (Judges seeking election to new office.)*

Non-incumbent candidates seeking a judgeship for the Court of Appeals, Circuit Court, District Court, and Probate District Court will submit the following documents to the Michigan Secretary of State, Bureau of Elections:

- 1) Non-Incumbent Affidavit of Identity & Affidavit of Constitutional Qualification Form (one form)
- 2) Non-Partisan Nominating Petition containing required number of valid signatures.

Non-incumbent candidates seeking a judgeship for **Probate Court** submit the above documents to their **County Clerk**.

*Incumbent (Judges seeking reelection to the same office.)*

Incumbent candidates seeking a judgeship for the Court of Appeals, Circuit Court, District Court, and Probate District Court will submit the following document to the Michigan Secretary of State, Bureau of Elections:

- 1) Incumbent Judicial Affidavit of Identity & Affidavit of Candidacy Form (one form)

Incumbent candidates seeking a judgeship for **Probate Court** submit the above document to their **County Clerk**.

**Please see Appendix A: Filing Dates, Forms, and Petitions** for all documents and deadlines required to file for each judicial office.

**Please Note:** As of June 1, 2023, the Judicial Affidavit of Identity has been added to the Affidavit of Candidacy and the Affidavit of Constitutional Qualification forms to create two, combined forms. The two new forms are:

- 1) Incumbents seeking re-election to the same position file the [Incumbent Judicial Affidavit of Identity & Affidavit of Candidacy](#) form.
- 2) Non-incumbents file the [Non-Incumbent Judicial Affidavit of Identity & Affidavit of Constitutional Qualification](#) form.

## Primary Elections

Judicial positions listed in this publication, except for Michigan Supreme Court Justice, appear on the primary ballot if more than twice the number of persons to be elected file for the office. A judicial position for which only one person is to be elected must have at least 3 candidates file for the office to appear on the primary ballot and in this circumstance, the top two candidates who receive the most votes will advance to the general election.

If an insufficient number of candidates file to trigger a primary, all candidates will appear on the general election ballot.

Candidates for the Michigan Supreme Court, regardless of whether they are a non-incumbent nominated by a party, utilize qualifying petitions, or are an incumbent, only appear on the general election ballot.

## Candidate Qualifications

All candidates seeking a judgeship must:

- (1) be licensed to practice law in Michigan;
- (2) have practiced law for at least five years, and;
- (3) be younger than age 70 on Election Day

Additional qualifications include the following:

Supreme Court Justice	Registered and qualified elector of the State of Michigan by the filing deadline or the date the Incumbent Judicial Affidavit and Affidavit of Candidacy form is filed.
Court of Appeals Judge Circuit Court Judge District Court Judge Probate Court Judge Probate District Court Judge	Registered and qualified elector of the jurisdiction by the filing deadline or the date the Incumbent Judicial Affidavit and Affidavit of Candidacy form is filed.

## **Filing Location**

Candidates for Michigan Supreme Court, Court of Appeals Judge, Circuit Court Judge, Probate District Court Judge, and District Court Judge file with the Michigan Department of State, Bureau of Elections, P.O. Box 20126, Lansing, MI 48901-0726. Office location: Richard H. Austin Building, 1st Floor, 430 West Allegan Street, Lansing, Michigan 48918. Candidates for Probate Court Judge file with the local county clerk's office.

## **Withdrawal**

Judicial candidates who wish to withdraw must submit a written statement of withdrawal to the appropriate filing official.

# II. Petitions

Non-incumbent candidates without party affiliation seeking the office of Michigan Supreme Court Justice may obtain ballot access by collecting valid signatures using the **Countywide Qualifying Petition** form prescribed by the Secretary of State. For more information on Qualifying Petitions, please refer to the Qualifying Petition manual. Supreme Court Justice Candidates seeking a party's nomination do not utilize petitions.

Non-incumbent candidates who seek the following offices obtain ballot access by collecting valid signatures using the **Nonpartisan Nominating Petition** form prescribed by the Secretary of State:

- Court of Appeals
- Circuit Court
- District Court
- Probate District Court
- Probate Court

## Nonpartisan Nominating Petition

There are two versions of the **Nonpartisan Nominating Petition** form: 1) A "city/township" version and 2) a "countywide" version. The "city/township" version of the form is designed for circulation within a single city or township; the "countywide" version of the form can be signed by anyone registered to vote in any city or township that falls within the boundaries of the county listed in the heading. All judicial candidates may use either the "city/township" nonpartisan nominating petition or the "countywide" nonpartisan nominating petition.

***Best Practice: Non-incumbent candidates who seek judgeships that are elected on a countywide or multi-county basis are strongly encouraged to use the countywide form when collecting signatures.***

***Non-incumbents seeking a District Court judgeship may wish to use the city/township form if the judicial district (and division, if applicable) lies within a single city or township.***

INSTRUCTIONS ON REVERSE SIDE

### NOMINATING PETITION (COUNTYWIDE NONPARTISAN)

\* The "Countywide" Nonpartisan Petition form may be used by any nonpartisan candidate. Exceptions: the form may not be used by a candidate who seeks a school board position, intermediate school board position, community college trustee position, library board position or a district library board position.

We, the undersigned, registered and qualified voters of the County of \_\_\_\_\_ and State of Michigan, nominate \_\_\_\_\_ (Name of Candidate) \_\_\_\_\_ (Street Address or Rural Route) \_\_\_\_\_ (City or Township) \_\_\_\_\_ as a candidate for the office of \_\_\_\_\_ (Title of Office/Term Expiration Date) \_\_\_\_\_ (District, if any) to be voted for at the Primary Election to be held on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

## Preparing the Nonpartisan Nominating Petition Heading

The heading of the petition must include the name of the county where the petition sheet will be circulated, the candidate's name, the candidate's street address or rural route, and the candidate's city or township. Enter the **date of the primary**.

## Office Designation

Exercise **extreme caution** when completing the Office Sought/Term Expiration Date, and District (if any) fields in the petition heading.

The Secretary of State must provide an appropriate written description or "office designation" for any judicial offices appearing on the ballot at the August and or November election, and petitions filed by non-incumbents must include an accurate office designation. **Refer to the designations listed in Appendix B for the Secretary of State's office designations for this election cycle**, which are included in this publication in fulfillment of the requirements. Errors or omissions in the office designation may result in the invalidation of signatures, the candidate's disqualification, or both.

***Best Practice: Prior to placing your nonpartisan nominating petition in circulation and well in advance of the filing deadline, submit a copy of your petition heading to the Bureau of Elections for review. Review typically takes approximately 2 business days.***

- **Affixing office designation on petition:** Petitions for a judicial office must bear the appropriate designation below to indicate the office sought by the candidate. These categories refer to the **type of judicial position to be filled** at the election, not the **candidate's status** as a non-incumbent or new judge (if elected). Any petition sheets filed by candidates using an improper designation are invalid.

# Judicial Position Types

- Regular Term – Incumbent Position
- Regular Term – Non-Incumbent Position
- Partial Term – Incumbent Position\*
- Partial Term – Non-Incumbent Position\*
- New Judgeship

\* Add the expiration date of the term if more than one partial term will be filled in judicial district. The terms “vacancy,” “partial term” and “unexpired term” are interchangeably used to reference a judicial position which will be filled at an election for less than the full term.

Incumbent position	Used when an existing position is held by a judge who is eligible to seek re-election to his or her seat.
Non-Incumbent position	Used when an existing position is held by a judge who is not seeking re-election to his or her seat, or when an existing position is vacant.
New judgeship	Describes a position that will be filled for the very first time at this election; used when a new position is created by legislative enactment.

**Please Note:** Office designations published by the Secretary of State **may change** during the petition circulation period, at the incumbent filing deadline, or when a vacancy is filled by gubernatorial appointment.

1. An “incumbent position” designation may change to “non-incumbent position” if an incumbent judge who is eligible to seek re-election fails to file the Affidavit of Candidacy by the incumbent filing deadline (See Appendix A for all filing deadlines.).
  - a. All petition sheets circulated *after* the incumbent filing deadline when the incumbent fails to file must include the office designation “non-incumbent position” in the heading.
  - b. Signatures on petition sheets circulated *before* the incumbent filing deadline when the incumbent fails to file that contain the “incumbent position” designation are valid<sup>1</sup> and count toward the candidate’s total number of signatures filed.

<sup>1</sup> Unless another defect renders the signature invalid, such as the failure of a petition signer or circulator to date his or her signature, omission of the street address or rural route, etc.

2. A “non-incumbent position” designation may change to “incumbent” position if the Governor fills a vacant position prior to the non-incumbent filing deadline (See Appendix A for all filing deadlines).
  - a. All petition sheets circulated *after* the vacancy is filled must include the office designation “incumbent position” in the heading.
  - b. Signatures on petition sheets circulated *before* the appointment containing the “non-incumbent position” designation are valid<sup>2</sup> and count toward the candidate’s total number of signatures filed.

**Best Practice: Check the Bureau of Elections website frequently for any change in the office designation that may occur during the petition circulation period: [www.Michigan.gov/Elections](http://www.Michigan.gov/Elections).**

- **It may also be necessary to differentiate positions by the length of the term of office** if there are multiple positions of varying durations available on the same court. In these circumstances, the petition heading must clearly indicate which term of office applies to the office sought. The terms “vacancy,” “partial term” and “unexpired term” are used interchangeably to reference a judicial position which will be filled at an election for less than the full term.

Regular term	Used when the position sought is for the full term of office.
Partial term	Used when the position sought is for less than the full-term length.
Partial term ending —	Used when there are multiple partial terms of varying lengths available on the same court; include the term ending date for the position sought.

Examples of proper office designations include but are not limited to the following:

“...as a candidate for the office of Court of Appeals Judge, District X, Incumbent position, Regular term to be voted for...”

“...as a candidate for the office of X<sup>th</sup> Circuit Court Judge, Non-incumbent position, partial term ending January 1, 20XX to be voted for ...”

“...as a candidate for the office of Circuit Court Judge, X<sup>th</sup> Circuit, New judgeship to be voted for ...”

<sup>2</sup> Unless another defect renders the signature invalid, such as the failure of a petition signer or circulator to date his or her signature, omission of the street address or rural route, etc.

- **Refer to Appendix B for the office designations and signature requirements applicable in this election cycle.** In a judicial district with any combination of “new,” “incumbent,” or “non-incumbent” positions available, candidates shall “apply to the Bureau of Elections for a written statement of office designation to correspond to the judgeship sought by the candidate.” See MCL 168.409b (Court of Appeals), MCL 168.424a (Circuit Court), MCL 168.467b (District Court), MCL 168.433 (Probate and Probate District Courts). The office designations listed in Appendix B are provided to fulfill this information requirement.

## Signature Requirements

The petition signature requirements imposed on candidates who seek the office of Appeals Court Judge, Circuit Court Judge, District Court Judge, Probate District Court Judge and Probate Court Judge are listed in Appendix B (MCL 168.544f). The Bureau of Elections has made every effort to ensure that the signature requirements listed in Appendix B are correct. If a conflict exists between this memorandum and MCL 168.544f, the statute controls. It is the candidate’s responsibility to confirm the correct number of signatures.

The Bureau strongly encourages judicial candidates review the general [Petition Manual: Statewide Initiative, Referendum, Constitutional Amendment Petitions, Partisan Nominating Petitions for State and Federal Office, and Petitions for New Political Party](#), for further information and best practices on circulating petition forms, collecting valid signatures, and vetting petition circulators, along with the standards applied by the Bureau of Elections in reviewing petitions on behalf of the Board of State Canvassers and other useful information.

## Petition Canvass and Challenge Process

Nonpartisan nominating petitions filed with the Secretary of State are canvassed under the authority of the Board of State Canvassers. Nonpartisan nominating petitions filed by candidates for Probate Court Judge are canvassed by the County Clerk.

A sworn complaint (challenge) alleging that the nonpartisan nominating petition contains an insufficient number of valid signatures or is otherwise defective may be submitted to the Board of State Canvassers or County Clerk (as appropriate) within 7 days of the filing deadline; the Board or Clerk is responsible for resolving any challenges and certifying qualified candidates to the ballot.

### **III. Write-in Candidates**

Individuals who possess the qualifications for office may run as write-in candidates for Court of Appeals Judge or Judge of the Circuit, District, Probate and Probate District Courts by filing a [Write-In Candidate Declaration of Intent](#) form by the deadline listed in Appendix A.

# IV. Campaign Finance Compliance

## MCFA Compliance Statement, False Statement as a Criminal Offense, Disqualification

The Michigan Election Law requires any candidate filing an Affidavit of Identity to certify on the form that at the date the affidavit was executed, "all statements, reports, late filing fees, and fines required of the candidate, or any candidate committee organized to support the candidate's election under the Michigan Campaign Finance Act (MCFA) ... have been filed or paid." All judicial candidates are also subject to the campaign finance compliance statement requirement. This remains true even if the candidate maintains a "Reporting Waiver." Failure to sign the statement or signing a false statement will result in your disqualification.

Additionally, a false statement in the Affidavit of Identity may result in criminal prosecution, disqualification from the ballot, or both.

- *How can I determine my candidate committee's MCFA compliance status?* Candidate committee records for those currently seeking or who in the past have sought judicial or state-level partisan offices (office that filed campaign finance statements with the Michigan Department of State) are available online. If you previously sought a local elective office (office that filed campaign finance statements with a County Clerk), contact the applicable County Clerk for information.
- *When am I required to file the Statement of Organization for my candidate committee?* A committee's failure to timely file the Statement of Organization may constitute noncompliance if not resolved by the time the candidate signs the Affidavit of Identity. A "candidate" is required to (1) form or organize a candidate committee within 10 days of meeting "candidate" status, and (2) file the Statement of Organization within 10 days of the committee formation date. Judicial candidates seeking positions on the Supreme Court, Court of Appeals, Circuit, District, Probate Court or Probate District Courts meet "candidate" status at the **earliest** of the following dates:
  - *The date on which the candidate receives a contribution or makes an expenditure (or gives consent for another person to do so) **in any amount** with a view to bringing about the individual's nomination or election. This rule applies regardless of whether the specific office to be sought is known at the time.*
  - *The date on which the candidate is nominated for elective office by a political party convention and certified to the Secretary of State or County Clerk.*

"Contribution" includes but is not limited to the candidate's use of **his or her own personal funds** to further their candidacy.

“Expenditure” includes such costs as purchasing or printing nonpartisan **nominating petitions** and hiring **paid petition circulators**, etc. There is no exemption for expenses related to “testing the waters.” In addition, an expenditure for polling, direct mail, or fundraiser invitations counts for purposes of determining when the Statement of Organization is due.

- *What should I do if my candidate committee is not in compliance?* All outstanding campaign statements must be filed, and late filing fees paid, **before** signing the Affidavit of Identity. Contact each applicable candidate committee’s filing official if you are unsure of which disclosure statements or fees are owed.

*What should I do if my candidate committee is not in compliance?* All outstanding campaign statements must be filed, and late filing fees paid, **before** signing the Affidavit of Identity. Contact each applicable candidate committee’s filing official if you are unsure of which disclosure statements or fees are owed.

### **Best Practices:**

- 1. Be sure to perform your own research regarding the compliance status of any candidate committee formed to support your candidacy well in advance of the filing deadline.**
- 2. Do not sign the Affidavit of Identity until you have brought your committee into compliance.**
- 3. Once you have decided to run for office, file the Statement of Organization as early as possible. If you do not expect to receive or spend more than \$1,000.00 before the current reporting period ends, you may request a Reporting Waiver from the Secretary of State.**

## **Campaign Finance Disclosure Requirements**

Candidates seeking the following state-level non-partisan judicial offices are required to comply with the campaign finance disclosure requirements of the MCFA by registering and filing periodic disclosure reports with the Secretary of State:

Michigan Supreme Court  
Court of Appeals Judge  
Circuit Court Judge  
District Court Judge  
Probate District Court Judge

Candidates seeking the office of Probate Judge are required to comply with the campaign finance disclosure requirements of the MCFA by registering and filing periodic disclosure reports with their County Clerk.

**Note:** MCFA compliance is a prerequisite to qualifying for the ballot.  
See "Overview of Filing Requirements" section for more information.
