Trade-In Equipment:

ES&S will coordinate and pay for the pickup and transportation of the trade-in equipment from Customer's site on a date to be mutually agreed upon by the parties. Customer is responsible for preparing, packaging and palletizing the trade-in equipment for shipment. If Customer is unable or unwilling to prepare, package and palletize the trade-in equipment for shipment, ES&S will assume these responsibilities and Customer shall reimburse ES&S for all costs incurred.

Special Notes:

- Counties may distribute additional copies of the Accumulation Only Software Modules, as needed, to the Local Jurisdictions at No-Charge.
- For preventative maintenance visits and when service and maintenance needs require an in-person visit by an election service technician, Contractor staff will work with counties and local jurisdictions to establish mutually agreeable timeframes and locations for repairs and preventative maintenance services.

This Quote is submitted by the County or Local Unit of Government pursuant to that certain Contract No. _____. The Deliverables ordered under this Quote and all rights and obligations of ES&S and the Local Unit of Government shall be governed by the terms and conditions of this Contract.

Trade-In Equipment:

ES&S will coordinate and pay for the pickup and transportation of the trade-in equipment from CTV's site on a date to be mutually agreed upon by the parties. Customer is responsible for preparing, packaging and palletizing the trade-in equipment for shipment. If Customer is unable or unwilling to prepare, package and palletize the trade-in equipment for shipment, ES&S will assume these responsibilities and Customer shall reimburse ES&S for all costs incurred.

Special Notes:

- Counties may distribute additional copies of the Accumulation Only Software Modules, as needed, to the Local Jurisdictions at No-Charge.
- For preventative maintenance and when service/maintenance needs require an in-person visit by an election service technician, the ES&S staff will work with counties and local jurisdictions to establish mutually agreeable timeframes and locations for repairs and preventative maintenance services.
- 60 minute performance guarantee; If any unit fails on Election Day, and ES&S fails to repair or replace an ES&S unit with 60 minutes of notification, ES&S will pay \$250.00 to Macomb County as compensation for each recorded event.
- ES&S DS450 buy one get one free offer will expire on July 1, 2017.
- ES&S will price match any valid written proposal for election services to be performed in the County.
- ES&S Blue Tote Bin 2 for 1 purchase offer will expire 60 days after state approval.
- ES&S will provide two (2) drivers dedicated to Macomb County on Election Day to deliver and swap out any ES&S units that may fail. If mutually agreed, the drivers will be stationed at the county clerk's office until assistance is needed.
- The ES&S Michigan/Macomb County office location will be maintained for the life of the Agreement.
- ES&S will offer Macomb County a \$55,667.66 credit toward goods and services for confirming Macomb County's selection of ES&S as your vendor by April 12, 2017.
- Should the next version of ES&S software not be completed by June 30, 2018; ES&S will give Macomb County an additional credit of \$20,000.00 on July 1, 2018.
- ES&S will provide Macomb County with 10 additional USB sticks free of charge.
- ES&S will provide training as per our bidder response to Exhibit A, Section 2.6 of the RFP. All training will be provided to Macomb County and all jurisdictions at no additional charge.

This Quote is submitted by the County or Local Unit of Government pursuant to that certain Contract No. _____. The Deliverables ordered under this Quote and all rights and obligations of ES&S and the Local Unit of Government shall be governed by the terms and conditions of this Contract.
