The Financial Report Summary and the Itemized Expenditure forms are available at www.Michigan.gov/LobbyDisclosure.

Late Filing Fees

A \$31.00 late filing fee will be assessed each calendar day a required report is late, up to a maximum fee of \$930.00 (30 calendar days late).

Terminating a Registration

A registrant that no longer meets the definition of a Lobbyist or Lobbyist Agent may request termination by completing a final Financial Report Summary form and indicating an effective date of termination. The Report must disclose all lobbying activity and expenditures from the beginning of the reporting period until that effective date of termination. If a registrant does not request termination prior to the due date of a financial report, late filing fees may be assessed.

Required Disclosure and Thresholds for 2024

- The Financial Report Summary form must be filed by all registrants. *This form must be filed even if there are no lobbying activities or expenditures to disclose for the reporting period.* A brief description of any lobbying activity during the period or an indication that there was no activity must be provided under Item 6. Any lobbying expenditures are disclosed by category under Item 7.
- The Itemized Expenditures form is filed with the Financial Report Summary form only if the registrant meets the thresholds for itemizing:
 - 1) financial transactions of \$1,550.00 or more for 2024; or
 - 2) travel and lodging expenditures for public officials in excess of \$1,000.00 for 2024; or
