Ann Arbor, MI 48104

County Equalization Department:

On May 6, 2014, the Ann Arbor Area Transportation Authority (AAATA) placed a ballot measure to expand public transit services in your communities. This millage request was approved by the voters from each of your jurisdictions.

The enclosed L-4029 Form copy represents the 2018 request for the transit millage. This form is revised from a previous version dated June 4, 2018, since that version had an incorrect 2017 taxable value of \$6,990,228,034, instead of the correct 2018 taxable value of \$7,391,561,197. All the other information is the same.

It is the desire of the AAATA to have our millage be part of the 2018 summer collection.

If there are any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Philip C. Webb'.
