## Instructions For Completing Form 614 (L-4029) 2020 Tax Rate Request, Millage Request Report To County Board Of Commissioners

These instructions are provided under MCL Sections 211.24e (truth in taxation), 211.34 (truth in county equalization and truth in assessing), 211.34d (Headlee), and 211.36 and 211.37 (apportionment).

**Column 1: Source.** Enter the source of each millage. For example, allocated millage, separate millage limitations voted, charter, approved extra-voted millage, public act number, etc. Do not include taxes levied on the Industrial Facilities Tax Roll.

**Column 2: Purpose of millage.** Examples are: operating, debt service, special assessments, school enhancement millage, sinking fund millage, etc. A local school district must separately list operating millages by whether they are levied against ALL PROPERTIES in the school district or against the NON-HOME group of properties. (See State Tax Commission Bulletin 2 of 2020 for more explanation.) A local school district may use the following abbreviations when completing Column 2: "Operating,ALL" and "Operating NON-HOME". "Operating,ALL" is short for "Operating millage to be levied on ALL PROPERTIES in the local school district" such as Supplemental (Hold Harmless) Millages and Building and Site Sinking Fund Millages. "Operating NON-HOME" is short for "Operating millage to be levied on ALL PROPERTIES EXCLUDING PRINCIPAL RESIDENCE, QUALIFIED AGRICULTURAL, QUALIFIED FOREST AND INDUSTRIAL PERSONAL PROPERTIES in the local school district" such as the 18 mills in a district which does not levy a Supplemental (Hold Harmless) Millage.

**Column 3: Date of Election.** Enter the month and year of the election for each millage authorized by direct voter approval.

**Column 4: Millage Authorized.** List the allocated rate, charter aggregate rate, extra-voted authorized before 1979, each separate rate authorized by voters after 1978, debt service rate, etc. (This rate is the rate before any reductions.)

**Column 5: 2019 Millage Rate Permanently Reduced by MCL 211.34d ("Headlee") Rollback.** Starting with taxes levied in 1994, the "Headlee" rollback permanently reduces the maximum rate or rates authorized by law or charter. The **2019** permanently reduced rate can be found in column 7 of the **2019** Form L-4029. For operating millage approved by the voters after April 30, 2019, enter the millage approved by the voters. For debt service or special assessments not subject to a millage reduction fraction, enter "NA" signifying "not applicable."

**Column 6: Current Year Millage Reduction Fraction.** List the millage reduction fraction certified by the county treasurer for the current year as calculated on Form 2166 (L-4034), *2020 Millage Reduction Fraction Calculations Worksheet*. The millage reduction fraction shall be rounded to four (4) decimal places. The current year millage reduction fraction shall not exceed 1.0000 for 2020 and future years. This prevents any increase or "roll up" of millage rates. Use

1.0000 for new millage approved by the voters after April 30, 2020. For debt service or special assessments not subject to a millage reduction fraction, enter 1.0000.

**Column 7: 2020 Millage Rate Permanently Reduced by MCL 211.34d ("Headlee") Rollback.** The number in column 7 is found by multiplying column 5 by column 6 on this 2020 Form L-4029. This rate must be rounded DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter "NA" signifying "not applicable."

**Column 8: Section 211.34 Millage Rollback Fraction (Truth in Assessing or Truth in Equalization).** List the millage rollback fraction for 2020 for each millage which is an operating rate. Round this millage rollback fraction to 4 decimal places. Use 1.0000 for school districts, for special assessments and for bonded debt retirement levies. For counties, villages and authorities, enter the Truth in Equalization Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON CEV FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. Use 1.0000 for an authority located in more than one county. For further information, see State Tax Commission Bulletin 2 of 2020. For townships and cities, enter the Truth in Assessing Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON ASSESSED VALUE FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. The Section 211.34 Millage Rollback Fraction shall not exceed 1.0000.

**Column 9: Maximum Allowable Millage Levy.** Multiply column 7 (2020 Millage Rate Permanently Reduced by MCL 211.34d) by column 8 (Section 211.34 millage rollback fraction). Round the rate DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter millage from Column 4.

**Column 10/Column 11: Millage Requested to be Levied.** Enter the tax rate approved by the unit of local government provided that the rate does not exceed the maximum allowable millage levy (column 9). A millage rate that exceeds the base tax rate (Truth in Taxation) cannot be requested unless the requirements of MCL 211.24e have been met. For further information, see State Tax Commission Bulletin 2 of 2020. A LOCAL School District which levies a Supplemental (Hold Harmless) Millage shall not levy a Supplemental Millage in excess of that allowed by MCL 380.1211(3). Please see the memo to assessors dated October 26, 2004 regarding the change in the collection date of certain county taxes.

**Column 12: Expiration Date of Millage.** Enter the month and year on which the millage will expire.

Washtenaw County  
Lawrence Kestenbaum, County Clerk  
Raman Patel, Equalization Director

Dear County Officials,

Please find enclosed the 2020 Tax Rate Request (L-4029) for the Washtenaw Intermediate School District (WISD).

As you can see in columns 10 and 11, the winter tax collection rate for WISD is not the same for each municipality. Obviously, the winter rate will depend on the rate assessed in the summer. However, there are only two alternatives regarding the Washtenaw Intermediate School District's winter tax levy:

- 1) If you collected 100% of our levy on a parcel in the summer, then we do not intend to collect a winter tax. In this situation, we should have collected our full levy in the summer.
- 2) If you did not collect a summer tax on a parcel, then we intend to collect on a 100% tax levy in the winter.

For those of you with multiple school districts, you may have the situation where you are collecting 100% of our tax in the winter on some parcels and no tax on others. We have developed the enclosed Tax Levy Date Chart to assist our local municipalities in determining the proper levy date for the Washtenaw Intermediate School District's millage rate.

If you have any questions or need any additional information, please feel free to contact me at (734) 994-8100, extension 1402.

Sincerely,

Brian Marcel  
Assistant Superintendent of  
Administrative & Support Services

## Tax Levy Date Chart

The following chart is provided to assist our local municipalities to determine whether the Washtenaw ISD millage should be assessed on the summer or winter tax bills. The chart identifies the tax levy schedule to assess 100% of the full millage rate of 5.6625 mills identified on the L-4029 on the taxable valuation of properties located in each of the municipalities by school district. The municipalities are all located within Washtenaw County unless otherwise indicated in parentheses.
