Ionia County Equalization Department
100 West Main St.
Ionia, MI 48846

May 13, 2020

To: Local City, Township, Village, School, Library and Authority Officials

Enclosed you will find all of the required information to file your 2020 Tax Rate Request form (L-4029) with the County.

First you will find your L-4034(s). This shows your reduction fractions using previous and current taxable values as required by MCL 211.34d.

Second you will find your "Headlee & MCL 211.34 Rollback Computations" and "Truth in Taxation Computations". The top portion of this form applies any applicable millage reduction fractions and truth in assessing or equalization fractions to your millage rates which would be carried over to your L-4029. The bottom portion of this form shows your truth in taxation computations. Please note: If you do **not** see bold red text stating that you are not subject to truth in taxation, then you must hold either a truth in taxation public hearing or you must comply with section 16 of the Uniform Budgeting and Accounting Act. This portion of the form will also show you how much revenue increase or decrease you will see by not complying with truth in taxation.

Third you will find the Truth in Taxation Revenue Gain Calculation sheet. The top portion of this sheet shows how much additional revenue you will receive by complying with truth in taxation. The bottom portion of this sheet shows the maximum allowable millage rates if you were not to comply with truth in taxation along with the expected revenue dollars.

Forth you will find a sample Notice of Public Hearing to comply with truth in taxation. Please note: this is only a sample and if you are not subject to truth in taxation, you would not need to use it. Also, if you comply with section 16 of the Uniform Budgeting and Accounting Act you would not need to use it.

Fifth you will find truth in taxation instructions to use if you choose to hold a public hearing.

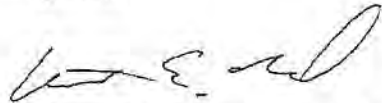

Sixth you will find a pre-filled L-4029. You are free to use this L-4029 if you choose or you may create your own. Please understand that I have gone through your previous L-4029's and removed any expired millages but you will need to add any new millages that have been approved by voters in recent elections. Please note that this is a courtesy by the Equalization department and under no circumstances will the Ionia County Equalization Department be held liable for any millages levied in error because they were or were not listed on your L-4029. By signing the attached L-4029, you are verifying that you have compared the supplied L-4029 to your records and that it is correct. If you find that you need a millage removed or added to the form I will be happy to do so. Simply contact me with the changes and I will get it back to you as soon as I possibly can.

Seventh you will find the instruction sheet for completing the L-4029.

This year you will also see an additional attachment called "Truth in Taxation Checklist". Please note, this form must be filled out. Failure to fill out and return this form to the County Equalization Department may result in your millage rates not being approved by the Board of Commissioner for tax collection.

If you have any questions please do not hesitate to contact me. My contact information is listed below.
