A public hearing and determination is required for an operating levy which is larger than the base tax rate but not larger than the rate in column 9.

** IMPORTANT: See instructions on the reverse side for the correct method of calculating the millage rate in column (5).

The operating millage that was collected is incorrect. There was a misunderstanding at the village and they thought they could collect the same amount as last year. We received the 4029 after the millage was already collected. They will have to do a corrected millage on there collection in 2021.
