

Worksheet Instructions

You will need your 2023 city income tax return for reference (even if you have not completed them yet).

Line 1: Estimate your taxable income expected in 2024. Residents should use an estimate of federal adjusted gross income and include the additions and subtractions from the 2023 city income tax return. Nonresidents should consider only those items subject to tax in the city.

Line 2: To determine your exemption allowance, see your 2023 city income tax return. Multiply number of exemptions by \$600.

Line 4: Multiply line 3 by the city tax rate.

- 2.4% (0.024) for city residents.
- 1.2% (0.012) for city nonresidents.

Line 5: Estimate credits for your 2024 return.

Line 6: Estimate the city tax you expect to be withheld from your earnings.

If you do not know if you must file estimates or if you are not sure how much to pay, contact the Michigan Department of Treasury's City Income Tax Administration at 517-636-5829. Assistance is also available using TTY through the Michigan Relay Service by calling 711.

Visit www.michigan.gov/citytax for additional information.

Estimated Tax Computation Worksheet Keep for Your Records

- | | |
|--|----------|
