Estimated Payments

You must make estimated income tax payments if you expect to owe more than \$100 when you file your City Income Tax Return.

File a *City Estimated Individual Income Tax Voucher* (Form 5123) by April 15, 2020 and pay at least one-fourth (¼) of the estimated tax. The remaining estimated tax is due in three equal payments on June 15, 2020; September 15, 2020 and January 15, 2021. Adjust the remaining quarterly payments if your income increases or decreases during the year.

Visit www.michigan.gov/citytax to obtain Form 5123. Do not use estimate vouchers intended for another taxpayer. If you have made estimated tax payments and do not owe more tax for the year, you still must file a tax return.

Make your check payable to “State of Michigan-Detroit”. Print the last four digits of your Social Security number and “2020 City Estimate” on the front of your check.

Mail your payment to:

**Michigan Department of Treasury
P.O. Box 30738
Lansing, MI 48909**

Failure to make payments or underpayment of estimated payments. If you fail to make required estimated payments, pay late, or underpay in any quarter, Treasury may charge penalty and interest. Penalty is 25 percent of the tax due for failing to make estimated payments or 10 percent for failing to pay enough estimated payments or making estimated payments late. Interest is one percent above the prime rate and is computed monthly. The rate is adjusted on July 1 and January 1.

NOTE: All 2015 estimated payment questions should be directed to the City of Detroit. Visit www.detroitmi.gov/How-Do-I/File income tax section for additional information.

Penalty and Interest

If you pay late, you must add penalty and interest to the amount due.

The interest rate is 1 percent above the adjusted prime rate and is adjusted on January 1 and July 1 of each year. Interest is charged from the original due date of the return to the date the balance of the tax is paid. The interest rate through June 30, 2020 is 6.40 percent annually (.0001749) daily rate). For interest rates after June 30, 2020 visit www.michigan.gov/citytax or call 517-636-5829.

The initial penalty is 1 percent of tax due. Penalty increases by an additional 1 percent per month or fraction thereof, to a maximum of 25 percent for failure to pay;

Any one of the following penalties may also apply to the unpaid tax:

- 10 percent for negligence;
- 25 percent for intentional disregard of the law.

Important Reminders

- **Missing pages.** Many City of Detroit income tax forms and supporting schedules are multiple-page forms. All pages must be completed and submitted for Treasury to process the return.
- **Using correct tax year forms.** Appropriate tax year forms must be filed (e.g., do not use a 2018 form to file your 2019 return).
- **Missing, incomplete, or applied for Social Security number.** If you don't have a Social Security number (SSN) or an Individual Taxpayer Identification Number (ITIN), apply for one through the IRS. **Do not** file your City of Detroit income tax return until you have received your SSN or ITIN.

Who Must File a Return

File a return if you owe tax, are due a refund, or your AGI (Resident Return) or Wages (Part-Year or Nonresident Return) exceeds your exemption allowance. City residents should also file a City return if you file a federal return, even if you do **not** owe City tax. This will eliminate unnecessary correspondence from Treasury.

Important: If your AGI (Resident Return) or Wages (Part-Year or Nonresident Return) are less than your personal exemption allowance and City income tax was withheld from your earnings, you must file a return to claim a refund of the tax withheld.

Residency and Determining Which Form You Must File

You only have one residency status, and that status determines which form you will file.

If you lived inside the City of Detroit for all of 2019 (January through December), you are a resident of Detroit. File a *City of Detroit Resident Income Tax Return* (Form 5118).

If you lived outside the City of Detroit for all of 2019 (January through December), you are a nonresident of Detroit. File a *City of Detroit Nonresident Income Tax Return* (Form 5119) if you earned income in the City of Detroit.

If you lived in the City of Detroit less than a full year (anytime between January and December), you are a part-year resident. File a *City of Detroit Part-Year Resident Income Tax Return* (Form 5120).

Forms and instructions are available on the Michigan Department of Treasury's City Income Tax Administration Web site at www.michigan.gov/citytax.

Married Persons — Joint or Separate

Individuals considered married for federal tax purposes may file either a joint return or separate returns.

When a filer and spouse have a different residency status, they should file married filing separately with each spouse using the appropriate form.

If you were married, separated or divorced during 2019 and had a different residency status from that of your spouse, either file separate returns or file one Form 5120.

Deceased Taxpayers

A **personal representative** for the estate of a taxpayer who died in 2019 (or 2020 before filing a 2019 City income tax return) must file if the taxpayer owes tax or is due a refund. A full-year exemption is allowed for a deceased taxpayer on the 2019 City Income Tax Return.

Use the decedent's Social Security number and **your** address. If the taxpayer died after December 31, 2018, enter the date of death in the "Deceased Taxpayer" box in the Certification section of the City Income Tax Return.

If filing as a **personal representative** or **claimant** and you are claiming a refund for a **single** deceased taxpayer, **you must include a U.S. Form 1310 or Michigan Claim for Refund Due a Deceased Taxpayer (MI-1310)**. Enter the decedent's name in the Filer's Name lines and the representative's or claimant's name, title, and address in the Home Address line.

The **surviving spouse** is considered married for the year in which the deceased spouse died and may file a joint return for that year. Write your name and the decedent's name and both Social Security numbers on the return. Write "DECD" after the decedent's last name. You must report the decedent's income if the income is subject to City of Detroit income tax. Sign the return. In the deceased's signature line, write "Filing as surviving spouse." If the taxpayer died after December 31, 2018, enter the date of death in the "Deceased Taxpayer" box in the Certification section of the City Income Tax Return.

If filing as a **personal representative** or **claimant** of a deceased taxpayer(s) for a **jointly** filed return, **you must include a U.S. Form 1310 or Michigan Claim for a Refund Due a Deceased Taxpayer (MI-1310)**. Enter the names of the deceased persons in the Filer's and Spouse's Name lines and the representative's or claimant's name, title, and address in the Home Address line.

Estates and Trusts (Forms 5118 and 5120 only)

Estates and trusts with a Detroit taxable income who are required to file a U.S. Income Tax Return for Estates and Trusts, Form 1041, must file a *2019 City of Detroit Income Tax – Estates and Trusts* (Form 5462) available at www.michigan.gov/citytax.

Extensions

To request more time to file your 2019 City income tax return, complete a *CITY Income Tax Return Application for Extension of Time to File* (Form 5209) by the original due date (April 15, 2020 for the 2019 tax year) and submit to the Michigan Department of Treasury. This extension, if approved, will be granted for a period not to exceed six months. A copy of the federal extension will not be accepted in place of form 5209.

Note: An extension of time to file is **NOT** an extension of time to pay the required tax. Tax is due by the original due date of April 15th.

Amended Returns

For amended returns, place an "X" in the box on the top of page 1 and complete Part 6: AMENDED RETURN. There is no specific form used to file an amended City return. To amend your original return, select the form type you originally filed for which you are amending.

Include any documents necessary to support the reason for amending your return.

An amended City of Detroit income tax return is required for any year that a determination is made by the Internal Revenue Service that affects your City of Detroit tax liability. This return is due within 90 days from the date of the Internal Revenue Service's final determination. If you file an amended federal tax return that affects your City of Detroit tax liability, you must file an amended city income tax return.

An amended income tax return is also used to correct errors on previous City of Detroit returns. The statute of limitations to file an amended return is four years from the due date of the return. Visit www.detroitmi.gov/How-Do-I/File/Income-Tax-Forms for amended returns for tax years prior to 2015.

Renaissance Zone (Forms 5118 and 5120 only)

Certain areas in the City of Detroit have been designated Renaissance Zones by the State of Michigan. Certain income of qualified residents and businesses in those areas is not taxable. Contact the City of Detroit Renaissance Zone Manager at 313-224-3315 to determine if you are in a Renaissance Zone and qualify for this tax exemption.

Completing City Forms

Treasury captures the information from paper income tax returns using an Intelligent Character Recognition (ICR) process. If filing a paper return, avoid unnecessary delays by following the guidelines below so your return is processed quickly and accurately.

Line-by-Line Instructions for Form 5118, 2019 City of Detroit Resident Income Tax Return

Lines not listed are explained on the form.

If you are a resident of a city other than Detroit, do not file this form. If you are a resident of Detroit and your Adjusted Gross Income (AGI) is greater than your total exemption allowance, you should file a *City of Detroit Resident Income Tax Return* (Form 5118).

You are required to file a tax return and pay tax even if your employer did not withhold Detroit income tax from your paycheck. You are required to make estimated tax payments if you work for an employer not withholding Detroit tax from your wages.

- **Stay within the lines** when entering information in boxes.
- **If a form has multiple pages**, all pages must be filed.
- **Report all amounts in whole dollars.** Round down amounts of 49 cents or less. Round up amounts of 50 cents or more. If cents are entered on the form, they will be treated as whole dollar amounts.

Where to Mail Your Return

Mail **refund or zero due** returns to:

Michigan Department of Treasury
Lansing, MI 48956

If you **owe tax**, mail your return to:

Michigan Department of Treasury
Lansing, MI 48929

Make your check payable to “**State of Michigan - Detroit**” and **print the last four digits of your Social Security Number** and “**2019 Detroit Income Tax**” on the front of your check. Do not staple your check to your return.

Do not mail your 2019 City of Detroit Income Tax Return in the same envelope with a return for years prior to 2015. City of Detroit Income Tax Returns prior to 2015 should continue to be mailed to the City of Detroit address included on the tax return.

A Note About Debts

By law, any money you owe to the City of Detroit for income tax or a court-ordered garnishment must be deducted from your refund before it is issued. Taxpayers who are married filing jointly may receive a *CITY Non-Obligated Spouse* (Form 5245) after the return is filed. Completing and filing this form may limit the portion of the refund that can be applied to a debt. If Treasury applies all or part of your refund to any of these debts, you will receive a letter of explanation.

Line 31: Moving expenses incurred by members of the Armed Forces on active duty pursuant to a military order and incident to a permanent change of station that qualify under the Internal Revenue Code as a deduction on your federal return may be deducted on your City of Detroit return. Line 41: Divide line 40 by three. If any of the three factors listed on lines 37, 38 or 39 are not used, divide by the number of factors actually used.

If the entire business operation is conducted inside the City of Detroit, your percentage should be 100 percent.

In the case of a taxpayer authorized by the City of Detroit Finance Director to use another apportionment formula, retain a copy of the approval letter. Treasury may request a copy of your approval letter.

Line 42: Enter net profit (or loss) per U.S. *Schedule C* or U.S. *Schedule F*.

Line 44: The city net operating loss (NOL) carryover is limited for NOLs created in 2018 and future years. Enter the full amount of NOL carryovers from NOLs created before 2018 (Group 1). For NOLs created in 2018 and future years (Group 2), enter the lesser of the Group 2 NOL carryover or 80% of the income subject to tax before an NOL deduction. The calculation may be made using a worksheet found on the City Income Tax webpage at www.michigan.gov/citytax. Net operating losses may only be carried forward.

If less than 100 percent of business activity was conducted in the City of Detroit in the year in which the loss was sustained, the apportionment percentage in the loss year must be applied.

PART 3: Income Tax Calculation

Line 30: Exemptions on line 8f are multiplied by \$600. The amount allowed for exemptions is prorated based on the number of months subject to each tax rate.

Line 32: When a loss exists on line 31 (if line 31 is negative) in either Column A or B and there is income in the other column, line 32 must be used to subtract the loss from the income column to arrive at taxable income (or loss) on line 33.

Example: A taxpayer reports \$12,000 on line 29, column A, and -\$1,000 on line 29, column B. The taxpayer has 3 exemptions and was a Detroit resident for six months. The taxpayer would report \$900 in each column of line 30. Line 31 would have \$11,100 in column A and -\$1,900 in column B. Since column B has a loss, that loss is transferred to column A on line 32. The taxpayer would enter \$1,900 in column A (the loss is entered as a positive number). For line 33, column A is \$9,200, \$11,100 - \$1,900. The taxpayer would report \$0 in Column B.

Line 33: If you can be claimed as a dependent by another taxpayer and the sum of columns A and B for line 33 is less than \$600, enter \$0 on Line 34.

Note: The credit may not exceed 1.2 percent the income earned in the other city. Enter the name of the city to which the tax was paid.

PART 5: Refund or Tax Due

Line 41a: If line 35 is greater than line 40, subtract line 40 from line 35. Enter the difference on line 41a.

Line 41b: You will owe interest for late payment of tax if you pay after the due date. The interest rate is 1 percent above the adjusted prime rate and is adjusted on January 1 and July 1 of each year. Interest is charged from the original due date of the return to the date the balance of the tax is paid. The interest rate through June 30, 2020 is 6.40 percent annually (.0001749 daily rate). For interest rates after June 30, 2020 visit www.michigan.gov/citytax

or call 517-636-5829. Calculate your interest, if applicable, and enter on line 41b.

Line 41c: You will owe penalty for late payment of tax if you pay after the due date. Penalty accrues monthly at one percent of the tax due, and increases by an additional one percent per month, or fraction thereof (e.g., penalty on a \$500 tax due will be \$30 if the tax is unpaid for six months). Calculate your penalty, if applicable, and enter on line 41c.

Line 41d: Typically, if you owe more than \$100, you are required to make estimated payments. You may owe penalty and interest for underpayment, late payment, or for failing to make estimated tax payments. Use the *City Underpayment of Estimated Income Tax* (Form 5338) to compute penalty and interest. If you do not file Form 5338, Treasury will compute your penalty and interest and send you a bill. If you annualize your income, you must complete and include Form 5338. Enter the penalty and interest due from Form 5338, line 26.

Line 41e: Add lines 41a through 41d and enter the total on line 41e. This is the total balance due with your return.

IMPORTANT: You **MUST** place an “X” in the box on top of page 1 of the return and complete the AMENDED RETURN WORKSHEET on page 13.

Include all payments made with the original City of Detroit Income Tax return on line 37. If line 42 computes to be an overpayment, it should be adjusted to reflect original refunds and credits as set forth on the previous page.

PART 7: Certification

Sign and date your tax return. If filing a joint return, both the filer and spouse must sign the return. If the tax preparer is someone other than the taxpayer, he or she must enter the business name, address and telephone number of the firm he or she represents and Preparer Tax Identification Number (PTIN), Federal Employer Identification Number (FEIN), or Social Security number. Check the box to indicate if Treasury may discuss your return with your tax preparer.

Instructions for Form 5121, City of Detroit Withholding Tax Schedule - 2019

The *City of Detroit Withholding Tax Schedule* (Form 5121) is designed to report City of Detroit income tax withholding and to apportion nonresident wages.

Use a *City of Detroit Withholding Tax Continuation Schedule* (Form 5253) and include with return when you have more than eight W-2s or more than three partnerships to list on Form 5121. Carry the total from column E on Form(s) 5253 and add it to the total on line 5 on Form 5121. Carry the total from column C on Form(s) 5253 and add it to the total on line 6 on Form 5121.

Include a completed Form 5121 with your City of Detroit income tax return.

If Form 5121 is not included when required, the processing of your return will be delayed. Do not submit W-2 or 1099 forms with your return. Keep copies of your W-2 and 1099 forms with your tax records for six years and have them available if requested by the Department of Treasury.

Completing the Withholding Tables

Lines not listed are explained on the form.

Complete Form 5121 using information from your W-2, 1099 forms, and any other documents that report City of Detroit income tax withheld. If you need additional space, place an "X" in the box under line 6 and complete Form 5253.

PART 1 Column D: Enter wages, tips, and other compensation from which city income tax was withheld. Also list any income reported on Form 1099 from which city income tax was withheld.

PART 1 Column E: Enter income tax withheld on compensation included in Column D. Also list any withholding reported on Form 1099.

PART 2: Enter City of Detroit income tax withholding paid on your behalf by a partnership. Include the partnership's name and federal identification number.

PART 3: Complete this section only if wages earned while a nonresident were earned from employment that was partly inside and partly outside the City of Detroit. A resident of the City of Detroit should not complete Part 3. For wages earned by a nonresident working entirely inside the City of Detroit, Part 3 is not required.

Part-year residents should only complete this section if they have wages earned while a nonresident that were

earned both inside and outside the City of Detroit. If a part-year resident worked at the same job as both a resident and as a nonresident, Column G will not be the full amount reported in Box 1 of Form W-2. The taxpayer should report the full amount of wages earned as a resident on Form 5120, line 10, Column A. If the taxpayer also has wages earned within Detroit as a nonresident, the amount reported in Column G should be the difference between the amount from Form W-2, Box 1, and the amount reported on Form 5120, line 10, Column A. For that job, the part-year resident taxpayer would complete Columns B – F based on the time worked as a nonresident only.

Example: A taxpayer worked at the same job for the entire year. The main job location was inside Detroit, but the taxpayer worked outside Detroit an average of one day per week. On August 1st, the taxpayer moved into Detroit. Box 1 of Form W-2 reports \$42,000. The taxpayer would report \$17,500 on line 10, Column A, of Form 5120 based on being a resident for 5 months. The taxpayer would then report $\$42,000 - \$17,500 = \$24,500$ in Column G, Part 3 of the City Schedule W. Columns B through F would be completed based on the taxpayer's actual work location while a nonresident.

Basic Guidelines for PART 3:

- **Days Worked:** Actual number of days you were on the job. It does not include holidays, sick days, vacation days or other days not worked.
- **Hours** may be substituted for days. However, tax preparation software may require you to convert hours into days worked.
- **Note: Drivers** are considered working in the City of Detroit while driving within city limits.
- If less than 100 percent of your wages are attributable to work inside the City of Detroit, please obtain a letter from your employer to verify Columns B through E of Form 5121 and retain your work log. Treasury may request a copy of your work log and employer letter.
- **Do not round percentages.** Report percentages to the second decimal place.

CITY OF DETROIT FILING INFORMATION

In an effort to provide improved taxpayer service and efficiency, the Michigan Department of Treasury began processing the City of Detroit Individual Income Tax returns beginning with the 2015 tax year.

The transition is part of Detroit's post-bankruptcy management plan and affects any taxpayer subject to Detroit City income tax.

City taxpayers are able to e-file their Detroit return with or without their State of Michigan Individual Income Tax return. In addition, taxpayers now have access to Treasury's online services to check the status of their return.
