Debts include money you owe for past-due taxes, student loans, child support due the Friend of the Court, an Internal Revenue Service (IRS) levy, money due a state agency, a court-ordered garnishment, or other court orders. Taxpayers who are married filing jointly may receive an *Income Allocation for Non-Obligated Spouse* (Form 743) after the return is filed. Completing and filing this form may limit the portion of the refund that can be applied to a debt. If Treasury applies all or part of your refund to any of these debts, you will receive a letter of explanation.

## **MDHHS/FIP Benefits Worksheet**

If you received Family Independence Program (FIP) assistance or other Michigan Department of Health and Human Services (MDHHS) benefits in 2024, you will need to complete the FIP/MDHHS Benefits Worksheet on page 8. Carry the amount from your Worksheet to line 33 on your MI-1040CR-2.

- Reporting two years of property taxes or special assessments
- Filing multiple returns for the same tax year. Do not staple multiple year returns together
- Filing only one page of the form (the MI-1040CR-2 is a three-page form, all pages must be filed).

# **General Information About the Homestead Property Tax Credit**

**NOTE:** If you are required to file a *Michigan Individual Income Tax Return* (MI-1040), file your credit claim with it.

A Homestead Property Tax Credit Claim for Veterans and Blind People (MI-1040CR-2) is included in this booklet. If you qualify based on the information below, complete this form and the Homestead Property Tax Credit Claim (MI-1040CR). File the form that gives you the larger credit. Farmers should calculate the credit using the MI-1040CR. For assistance, see "Which Credit Do I Claim" Worksheet below.

WHICH CREDIT DO I CLAIM?
1. Enter amount from MI-1040CR, line 44
2. Enter amount from MI-1040CR-2, line 33
3. Enter the larger of line 1 or line 2 here. File the form that gives you the larger credit

The request for your Social Security number is authorized under United States Code (USC) Section 42. Social Security numbers are used by Treasury to conduct matches against benefit income provided by the Social Security Administration and other sources to verify the accuracy of the home heating credit and property tax credit claims filed and to deter fraudulent filings.

# Who May Claim a Property Tax Credit

You may claim a property tax credit if all of these apply:

- Your homestead is located in Michigan
- You were a Michigan resident at least six months of 2024
- You own your Michigan homestead and property taxes were levied in 2024, or you paid rent under a rental contract.

You can have only one **homestead** at a time, and you must be the occupant as well as the owner or renter. Your homestead can be a rented apartment or a mobile home on a lot in a mobile home park. A vacation home or income property is **not** considered your homestead.

Your homestead is in your state of **domicile.** Domicile is the place where you have your permanent home. It is the place to which you plan to return whenever you go away. College students and others whose permanent homes are not in Michigan are **not** Michigan residents. Domicile continues until you establish a new permanent home. Property tax credit claims may not be submitted on behalf of minor children.

# Who May File the MI-1040CR-2

You may file an MI-1040CR-2 if you are:

- Blind and own your homestead
- A veteran with a service-connected disability or veteran's surviving spouse
- A surviving spouse of a veteran deceased in service
- Active military, pensioned veteran or his or her surviving spouse whose total household resources are \$7,500 or less
- A surviving spouse of a non-disabled or non-pensioned veteran of the Korean War, World War II, or World War I whose total household resources are \$7,500 or less.

# Who May Not File the MI-1040CR-2

If you are blind and rent your homestead, claim your credit

**on the MI-1040CR as blind.** Find the MI-1040CR form using the Internet and Telephone Options listed on page 2.

# **Total Household Resource Limits**

Total household resources cannot be more than \$7,500 for some military personnel. See MI-1040CR-2, line 7, for more information. If your income is over the limit for MI-1040CR-2, you may qualify for a credit using MI-1040CR. Taxpayers with total household resources over \$69,700 are **not** eligible for a credit in any category. The computed credit (line 12) is reduced by 10 percent for every \$1,000 (or part of \$1,000) that total household resources exceeds \$60,700. If filing a part-year return (for a deceased taxpayer or a part-year resident), you must annualize your income to determine if the income limitation applies. See instructions for annualizing on page 9.

# **Property Tax Credit Limits**

If you own your home, your credit is based on the 2024 property taxes levied on your home, the taxable value of your homestead, and the allowance for your filing category. See Table 2 on page 10 for your allowance. If you do not know the taxable value of your homestead, contact your local treasurer. If you rent your home, your credit depends on how much rent you pay, the allowance for your filing category, and the millage rate on the rented property. The millage rate is the non-homestead millage rate levied by your city or township, county, and school district. If you do not know the rate, contact your local treasurer. Your credit cannot be more than \$1,800.

#### When to File

If you do not have to file a 2024 Michigan Individual Income Tax Return (MI-1040), you may file your credit claim as soon as you know your total household resources and property taxes levied or rent paid in 2024. If you are required to file a Michigan income tax return, your credit claim should be included with your MI-1040 and filed by April 15, 2025, to be considered timely. The deadline for claiming a refund is April 15, 2029.

## **Amending Your Claim**

File a new claim form and check the Amended Return box at the top of page 1 of the form. If applicable, include a copy of your property tax statement(s) and/or lease agreement. You must file within four years of the date set for filing your original income tax return.

#### **Delaying Payment of Your Property Taxes**

Senior citizens, disabled persons, veterans, and surviving spouses of veterans may be able to delay paying property taxes. Contact your local or county treasurer for more information.

#### **Total Household Resources**

Total household resources are the total income (taxable and nontaxable) of both spouses or of a single person maintaining a household. They are AGI, excluding net business and farm losses, net rent and royalty losses, and any carryover of a net operating loss, plus all income exempt or excluded from AGI. Total household resources must be sufficient to pay property taxes or rent plus all other living expenses unless there are resources available not reportable in total household resources. If income appears too low to cover reported living expenses, include an explanation of the extenuating circumstances.

# Total household resources include the following items not listed on the form:

- Capital gains on the sale of your residence regardless if the gains are exempt from federal income tax
- Compensation for damages to character or for personal injury or sickness
- An inheritance (except an inheritance from your spouse)
- Proceeds of a life insurance policy paid on the death of the insured (except benefits from a policy on your spouse)
- Death benefits paid by or on behalf of an employer
- Minister's housing allowance
- Forgiveness of debt, even if excluded from AGI (e.g., mortgage foreclosure)
- Reimbursement from dependent care and/or medical care spending accounts
- Scholarships, stipends, grants, and payments, except government payments, made directly to third parties such as an educational institution or subsidized housing project NOTE: COVID-related government cash grants paid directly to students in higher education institutions are included in total household resources.
- Forgiven Paycheck Protection Program loans, include the amount of the forgiven loan reduced by business expenses related to payroll, rent and utilities that were not deducted in determining AGI.

#### Total household resources do NOT include:

- Net operating loss deductions taken on your federal return
- Payments received by participants in the foster grandparent or senior companion program
- Energy assistance grants
- Government payments made directly to a third party (e.g., payments to a doctor, GI Bill benefits, payments from a PELL grant and the 2024 MSHDA COVID Emergency Rental Assistance Program (CERA) to the extent not included in AGI).
  - **NOTE:** If payment is made from money withheld from your benefit, the payment is part of total household resources. (For example, the MDHHS may pay your rent directly to the landlord.)
- Money received from a government unit to repair or improve your homestead
- Surplus food or food assistance program benefits
- State and city income tax refunds and homestead property tax credits
- Chore service payments (these payments are income to the provider of the service)
- The first \$300 from gambling, bingo, lottery, awards, or prizes
- The first \$300 in gifts of cash or merchandise received, or expenses paid on your behalf (rent, taxes, utilities, food, medical care, etc.) by parents, relatives or friends
- Amounts deducted from Social Security or Railroad Retirement benefits for Medicare premiums
- Life, health, and accident insurance premiums paid by your employer
- Loan proceeds
- Inheritance from a spouse
- Life insurance benefits from a spouse
- Payments from a long-term care policy made to a nursing home or other care facility
- Most payments from The Step Forward Michigan program
- Compensation for wrongful imprisonment

Visit **www.michigan.gov/taxtotalhouseholdresources** for more information on total household resources.

# **Property Taxes Eligible for Credit**

Ad valorem property taxes that were levied on your homestead in 2024, including administrative collection fees up to 1 percent of the taxes, can be claimed no matter when you pay them. You may add to your 2024 taxes the amount of property taxes billed in 2024 from a corrected or supplemental tax bill. You must **deduct** from your 2024 property taxes any refund of property taxes received in 2024 that was a result of a corrected tax bill from a previous year.

#### Do not include:

- Adjacent, contiguous property that is either:
  - Occupied, or
  - Classified as commercial, industrial, residential, or timber-cut over.
- Delinquent property taxes (e.g., 2023 property taxes paid in 2024)
- Penalty and interest on late payment of property tax
- Delinquent water or sewer bills
- Property taxes on cottages or second homes
- Association dues on your property

Most special assessments for drains, sewers, trash, and roads may not be included. You may include special assessments only if all of the following are true:

- The special assessments are either levied in the entire taxing jurisdiction or they are used to provide police, fire, or advanced life support services and are levied township-wide, except for all or a portion of a village, and
- The special assessments are levied using a uniform millage rate based on taxable value.

**NOTE**: School operating taxes are generally only levied on the non-homestead portion of the property and may not be included in taxes levied when computing the property tax credit on any portion of the home not used as your homestead.

**Home used for business.** If you use part of your home for business, you can claim the property taxes on the living area of your homestead but **not** the property taxes on the portion used for your business. Include a copy of U.S. Form 8829 with your Michigan return.

**Owner-occupied duplexes.** When both units are equal, you are limited to 50 percent of the tax on both units, after subtracting the school operating taxes from the total taxes billed.

**Owner-occupied income property.** Apartment building and duplex owners who live in one of the units or single-family homeowners who rent a room(s) to a tenant(s) must do two calculations to figure the tax they can claim and base their credit on the **lower** amount. First, subtract 23 percent of the rent collected from the tax claimed for credit. Second, reduce the tax claimed for credit by the amount of tax claimed as rental expense on your federal return. Include a copy of the U.S. *Schedule E* with your Michigan return.

**Example:** Your home has an upstairs apartment that is rented to a tenant for \$395 per month. Total property taxes on your home are \$2,150. Of this amount, \$858 is claimed as rental expense. The calculations are as follows:

**Step 1:**  $$395 \times 12 = $4,740$  annual rent

 $4,740 \times 0.23 = 1,090$  taxes attributable to the apartment

\$2,150 total taxes - \$1,090 = \$1,060 taxes attributable to owner's homestead

**Step 2:** \$2,150 total taxes - \$858 taxes claimed as a business deduction = \$1,292 taxes attributable to homestead

**Step 3:** The owner's taxes that can be claimed for credit are \$1,060, the smaller of the two computations.

# **Rent Eligible for Credit**

You must be under a lease or rental contract to claim rent for credit. In most cases, 23 percent of rent paid is considered property tax that can be claimed for credit. The following are exceptions:

- If you rent or lease housing subject to a **service charge or fees paid** instead of property taxes, you may claim a credit based upon 10 percent of the gross rent you paid. Enter this amount on line 46 and 10 percent of rent on line 47, and follow instructions.
- If your housing is exempt from property tax and no service fee is paid, you are not eligible for credit. This includes university- or college-owned housing.
- If your **housing costs are subsidized**, base your claim on the amount **you** pay. Do **not** include the federal subsidy amount.
- If you are a **mobile home park resident**, claim the \$3 per month specific property tax plus 23 percent of the balance of rent paid.
- If you are a **cooperative housing corporation resident member,** claim your share of the property taxes on the building. If you live in a cooperative where residents pay rent on the land under the building, you may also claim 23 percent of that land rent. (Do **not** take 23 percent of your total monthly payment.)
- If you are a resident of a **special housing facility** (not noted above), base your claim on rent only. **Do not** include other services. If you pay rent with other services and you are unable to determine the portion that constitutes rent only, you may determine your portion of the property taxes that can be claimed for credit based on square footage, or, divide the taxes by the number of residents for whom the home is licensed to care. This information may be obtained from your housing facility. Visit **www.michigan.gov/iit** for more information about claimants living in special housing facilities.

**Example:** You pay \$750 per month for room and board. You occupy 600 square feet of a 62,000 square foot apartment building. The landlord pays \$54,000 in taxes per year.

**Step 1:** 600/62,000 = 0.0097

Step 2:  $$54,000 \times 0.0097 = $524$  taxes you can claim for credit. **Home used for business.** If you use part of your apartment or rented home for business, you may claim the rent on the living area of your homestead, but not the rent on the portion used for business.

# If You Moved in 2024

**Residents** who temporarily lived outside Michigan may qualify for a credit if Michigan remained their state of domicile. Personal belongings and furnishings must have remained in the Michigan homestead **and** the homestead must **not** have been rented or sublet during the temporary absence. (See the definition of domicile on page 3.)

If you bought or sold your home or moved during 2024, you must prorate your taxes. Complete lines 34 through 44 to determine taxes that can be claimed for credit. Use only the taxes levied in 2024 on each Michigan homestead, then prorate those taxes based on the days of occupancy. Do not include taxes on out-of-state property. Do not include property taxes for property with a taxable value greater than \$160,700.

## **Part-Year Residents**

If you lived in Michigan at least six months during the year, you may be entitled to a partial credit. If you are a part-year resident, you must include all income received as a Michigan resident in total household resources (line 32). Complete Part 1, page 2 to determine the taxes eligible to be claimed for credit on your Michigan homestead. See page 6 of the MI-1040 booklet.

#### **Deceased Claimant's Credit**

The estate of a taxpayer who died in 2024 (or 2025 before filing a claim) may be entitled to a credit for 2024. The surviving spouse, other authorized claimant, or personal representative can claim this credit. Use the decedent's name and Social Security number and the personal representative's address. If the taxpayer died after December 31, 2023, enter the date of death in the "Deceased Taxpayer" box on page 3.

The surviving spouse may file a joint claim with the deceased. Enter both names and Social Security numbers on the form, and write "DECD" after the decedent's name. Sign the return and write "filing as surviving spouse" in the deceased's signature line. Enter the date of death in the "Deceased Taxpayer" box on the bottom of page 3. Include the decedent's income in total household resources. See the "Deceased Taxpayer Chart of Examples", page 10, example A. If filing as a personal representative or claimant for the refund of a single deceased taxpayer, you must include a U.S. Form 1310 or Michigan Claim for Refund Due a Deceased Taxpayer (MI-1310). Enter the decedent's name in the Filer's Name line and the representative's or claimant's name, title and address in the Home Address line. Write "DECD" after the decedent's name. See the "Deceased Taxpayer Chart of Examples," page 10, examples B or C. A claimant must prorate to the date of death as noted in the following paragraph.

The personal representative or claimant claiming a credit for a single deceased person or on a jointly filed credit if both filers became deceased during the 2024 tax year must prorate taxes to the date of death. Complete lines 36 through 44 to prorate the property taxes or lines 45 through 56 if the taxpayer paid rent. Annualize total household resources. (See the instructions for line 33 on page 9.) Include a copy of the tax bills or lease agreements. If filing as a personal representative or claimant of deceased taxpayers for a jointly filed return, you must include a U.S. Form 1310 or Michigan Claim for Refund Due a Deceased Taxpayer (MI-1310). Enter the name(s) of the deceased person(s) in the Filer's and/or Spouse's Name lines and the representative's or claimant's name, time, and address on the Home Address line. See "Deceased Taxpayer Chart of Examples", page 10, examples D or E.

# **Maximum Credit Limit for Deceased Taxpayers**

For most claimants, the maximum credit limit is \$1,800. But, if you are filing a credit for a taxpayer who died during 2024, the maximum credit of \$1,800 shall be reduced proportionately based on days of occupancy in the following manner. For an example see the MI-1040 booklet.

**Step 1:** Divide the number of days of occupancy the taxpayer was a Michigan resident in 2024 by 366 days.

**Step 2:** Multiply \$1,800 by the result from Step 1. The result is the maximum credit.

# **Married During 2024**

Complete lines 34 through 44 to prorate taxes for the period of time each spouse occupied his or her home. Complete lines 45 through 56 if one spouse rented part of the year. Combine each spouse's share of taxes or rent for the period of time he or she lived in separate homesteads. Then add the prorated share of taxes or rent for the time you lived together in your marital home. Write "Married in 2024" and the date of your marriage next to line 44. This applies only to homes located in Michigan and to couples who married during 2024.

# Filing a Joint Return and Maintaining Separate Homesteads

Your claim must be based on the tax or rent paid on only one home during a 12 month period. The total household resources must be the combined income of both you and your spouse for the entire year.

# Married Filing Separately and Divorced or Separated Claimants Schedule (Form 5049)

This form can be found at www.michigan.gov/taxes. Submit Form 5049 with Form MI-1040CR, MI-1040CR-2 or MI-1040CR-7 if any of the following situations apply to you:

- You filed as married filing separately, and you and your spouse maintained separate homesteads all year. Complete only Part 3 of Form 5049.
- You filed as married filing separately, and you shared a homestead with your spouse all year.
- You filed as married filing separately, and you and your spouse maintained separate homesteads at the end of the year.

# Filing Separate State Returns and Maintaining Separate Homesteads

Spouses who file separate Michigan income tax returns and did not share a household during the tax year may each claim a credit. Each credit is based on the individual taxes or rent and individual total household resources for each person. This only applies to homes located in Michigan. They each must complete Form 5049 and provide an explanation in Part 3.

# Married Filing Separately and Shared a Homestead

Spouses who file separate Michigan income tax returns but shared a homestead for the entire year are entitled to one property tax credit. The credit claim must be based on the total household resources of both spouses during the time the homestead was shared. A spouse claiming the credit must complete Form 5049 and include the total household resources for both spouses. A spouse filing the credit should also include the other spouse's income on the Other Nontaxable Income line of the Homestead Property Tax Credit Claim. You and your spouse may choose how you want to divide the credit. If each spouse claims a portion of the credit, include a copy of the claim showing each spouse's share of the credit to each income tax return. Enter only your portion of the credit on your MI-1040CR-2, line 33.

#### Separated or Divorced in 2024

Figure your credit based on the taxes you paid together before your separation plus taxes you paid individually after your separation. Complete and include Form 5049 and include a schedule showing your computation. For more information or to help you calculate a prorated share of taxes,

see Michigan Homestead Property Tax Credits for Separated or Divorced Taxpayers (Form 2105).

**Example:** Karl and Cathy separated on October 2, 2024. The annual taxes on the home they owned were \$1,860. Cathy continued to live in the home and Karl moved to an apartment on October 2 and paid \$350 per month rent for the rest of the year. Cathy earned \$20,000 and Karl earned \$25,000. They lived together for 275 days.

**Step 1:** Calculate the prorated total household resources for each spouse for the 275 days they lived together. Divide each spouse's total household resources by 366 days, then multiply that figure by 275.

Cathy (\$20,000/366) x 275 = \$15,027 Karl (\$25,000/366) x 275 = \$18,784

Cathy and Karl must complete Form 5049 and list income earned during the period they lived together.

**Step 2:** Add both prorated total household resources together to determine the total income for the time they lived together.

15,027 + 18,784 = 33,811

**Step 3:** Divide each individual's prorated share of total household resources by the total income from Step 2 to determine the percentage attributable to each.

Cathy \$15,027/\$33,811 = 44% Karl \$18,784/\$33,811 = 56%

**Step 4:** Calculate the prorated taxes eligible for credit for the time they lived together. Divide the \$1,860 by 366 days, then multiply by 275 days.

 $(\$1,860/366) \times 275 = \$1,398$ 

**Step 5:** Calculate each individual's share of the prorated taxes. Multiply the \$1,398 by the percentages determined in Step 3.

Cathy \$1,398 x 44% = \$615 Karl \$1,398 x 56% = \$783

Enter these amounts on line 39, column B, of MI-1040CR-2. Then complete lines 40 through 43.

Cathy uses lines 36 through 43, column A, to determine her share of taxes for the remaining 91 days. Karl uses lines 45 through 56 to determine his share of rent. Each completes the remaining lines of the MI-1040CR-2 according to the form instructions.

## **Residents of Adult Care Homes**

If you are a resident of a nursing home, adult foster care home or home for the aged including assisted living facilities, file the MI-1040CR to obtain the maximum credit you are entitled to. The form and instructions for filing are in the 2024 MI-1040 booklet. To obtain the booklet, see page 2.

# Single Adults Sharing a Home

When two or more single adults share a home, each may file a credit claim if each was contracted to pay rent or owns a share of the home. Each adult should file an individual claim based on his or her total household resources, prorated share of taxes levied or rent paid, and prorated share of the taxable value.

# Line-by-Line Instructions for MI-1040CR-2

Lines not listed are explained on the form.

**Amended Return box:** If amending your 2024 credit, check the box at the top of the form. See page 3.

**Lines 1, 2, and 3**: Enter your name(s), address, and full nine-digit Social Security number(s). If you are married filing separately, enter both Social Security numbers but do **not** enter your spouse's name.

Line 5: Filing Status. Check the box to identify your filing status. All couples who are married under the laws of the State of Michigan, or under the laws of another state, and are treated as married for federal tax purposes must claim either married filing jointly or married filing separately status on the property tax credit. If you file a joint federal return, you must file a joint property tax credit. If you filed married filing separately, you must include the total household resources of both spouses unless you maintained separate homesteads. If you filed your federal return as head of household or qualifying surviving spouse, you must file the property tax credit as single.

**Line 6: Residency.** Check the box that describes your Michigan residency for 2024. If you and your spouse had a different residency status during the year, check a box for each of you. If you checked box c, enter the dates of Michigan residency in 2024.

**Line 7b:** Enter the percent of disability as determined by the Veterans Administration.

# **Property Tax and Total Household Resources**

If you bought or sold your home or if you are a part-year resident, go to Part 1, page 2 of the MI-1040CR-2. Renters: go to Part 2, page 3 of the MI-1040CR-2.

Include all taxable and nontaxable income you and your spouse received in 2024. If your family lived in Michigan and one spouse earned wages outside Michigan, include the income earned both in and out-of-state in your total household resources. (See "Who May Claim a Property Tax Credit" and "Total Household Resources" on page 3 and 4, respectively.)

Line 9: If you own your homestead, enter the taxable value of your homestead from your 2024 property tax statement or assessment notice. If the taxable value of your homestead is greater than \$160,700, STOP; you are not eligible for the homestead property tax credit. If you do not know your taxable value, contact your local treasurer.

If you rent your homestead, you must complete Part 2 to determine the taxable value of your homestead. You will need to know the total non-homestead millage rate levied by your city or township. If you do not know the rate, contact your local assessor.

**Line 10:** Read "Property Taxes Eligible for Credit" on page 4 before you complete this line.

**Line 11:** Divide your taxable value allowance by the taxable value of your home to determine your percentage of tax relief (cannot exceed 100%). See example on page 10.

Line 13: Enter all compensation received as an employee. Include strike pay, supplemental unemployment benefits (SUB pay), sick pay, or long-term disability benefits, including income protection insurance, and any other amounts reported to you on Form W-2.

**Line 14:** Do not include business dividend and interest income reported as a distributable share on your federal *Schedule K-1*. See line 15 instructions.

Line 15: Enter amounts to the extent included in AGI from:

- U.S. Schedule C (Profit or Loss from Business).
- Part II (Ordinary Gains and Losses) of the U.S. Form 4797.
- Part II (Income or Loss from Partnerships and S Corporations) and Part III (Income or Loss from Estates and Trusts) of the U.S. *Schedule E*.
- U.S. Schedule F (Profit or Loss from Farming).
- Include income items reported as a distributive share.

If the total is negative, enter "0." Include amounts from sources outside Michigan. Include the above federal schedules with your claim.

**Line 16:** Enter amounts to the extent included in AGI from:

- Part I (Income or Loss from Rental Real Estate and Royalties) of the U.S. *Schedule E*.
- Part IV (Income or Loss from Real Estate Mortgage Investment Conduits (REMIC)) of the U.S. *Schedule E* (rents, royalties).
- Part V (Net farm rental income or (loss) from Form 4835) of the U.S. *Schedule E*.

If the total is negative, enter "0." Include amounts from sources outside Michigan. Include these schedules with your claim.

Line 17: Enter all annuity, retirement, pension, and individual retirement account (IRA) benefits. This should be the taxable amount shown on your U.S. Form 1099-R. If no taxable amount is shown on your U.S. Form 1099-R, use the amount required to be included in AGI. Enter "0" if all of your distribution is from your contributions made with income previously included in AGI. Include reimbursement payments such as an increase in a pension to pay for Medicare charges. Also include the total amount of any lump sum distribution including amounts reported on your U.S. Form 4972. Do **not** include recoveries of after-tax contributions or amounts rolled over into another plan (amounts rolled over into a Roth IRA must be included to the extent included in AGI).

You must include any part of a distribution from a Roth IRA that exceeds your total contributions to the Roth IRA regardless of whether this amount is included in AGI. Assume all contributions to the Roth IRA are withdrawn first. **NOTE:** Losses from Roth IRAs cannot be deducted.

**Line 18:** Enter net capital gains and losses. This is the total of short-term and long-term gains, less short-term and long-term losses from your U.S. *Schedule D* (losses cannot exceed \$3,000 if single or married filing jointly or \$1,500 if married filing separately). Include gains realized on the sale of your residence whether or not these gains are exempt from federal income tax.

Line 19: Enter alimony received and other taxable income. Only include alimony received if due to a divorce granted prior to 2019. Other taxable income includes: awards, prizes, lottery, bingo, and other gambling winnings over \$300; farmland preservation tax credits if not included in net farm income on line 15; and forgiveness of debt to the extent included in federal AGI (e.g., mortgage foreclosure).

Line 20: Enter all your Social Security, Supplemental Security Income (SSI), and/or Railroad Retirement benefits.

Include death benefits and amounts received for minor children or other dependent adults who live with you. Report the amount actually received for the year. Medicare premiums reported on your Social Security or Railroad Retirement statement should be deducted.

**Line 21:** Enter child support and all payments received as a foster parent. **NOTE:** If you received a 2024 Custodial Party End of Year Statement (FEN-851) showing child support payments paid to the Friend of the Court, enter the child support portion here and include a copy of the statement. See line 26 instructions.

**Line 22:** Enter all unemployment compensation received in 2024.

Line 23: Enter the value over \$300 in gifts of cash or merchandise received, or expenses paid on your behalf (rent, taxes, utilities, food, medical care, etc.) by parents, relatives, or friends. This includes the amount of financial support you received if you are claimed as a dependent on someone else's return. Do not include government payments made directly to third parties such as an educational institution or subsidized housing project.

Line 24: Enter other nontaxable income. This includes:

- Nongovernmental scholarship, stipend or grant payments paid directly to an educational institution
- Compensation for damages to character or for personal injury or sickness
- An inheritance (except an inheritance from your spouse)
- Proceeds of a life insurance policy paid on the death of the insured (except benefits from a policy on your spouse)
- Death benefits paid by or on behalf of an employer
- Minister's housing allowance
- Forgiveness of debt to the extent not included in federal AGI (e.g., mortgage foreclosure)
- Reimbursement from dependent care and/or medical care spending accounts
- If you are married filing separately include your spouse's income unless you maintained separate homesteads. Complete and include Form 5049.

Line 25: Enter workers' compensation, service-connected disability compensation and pension benefits from the Veterans Administration. Veterans receiving retirement benefits should enter the benefits on line 17.

Line 26: Enter the total payments made to your household by MDHHS and all other public assistance payments such as state adoption subsidies. Your 2024 Client Annual Statement (DHS-1241) mailed by MDHHS in January 2025 will show your total MDHHS payments. Your statement(s) may include the following: Family Independence Program (FIP) assistance, State Disability Assistance (SDA), Refugee Assistance, Repatriate Assistance, and vendor payments for shelter, heat, and utilities. NOTE: If you received a 2024 Form FEN-851 (include a copy), subtract the amount of child support payments entered on line 21 from the total MDHHS payments and enter the difference here.

**Line 29:** Enter total adjustments from your U.S. Form *1040, Schedule 1.* Describe adjustments to income. These adjustments reduce total household resources and include some of the following:

- Payments to IRAs, SEP, SIMPLE, or qualified plans
- · Student loan interest deduction

- Moving expenses incurred by members of the Armed Forces on active duty and, due to a military order, move into or within Michigan because of a permanent change in station. Moving expenses when moving out of Michigan cannot be included in "Other Adjustments" to reduce total household resources.
- Deduction for self-employment tax
- Self-employed health insurance deduction
- Penalty on early withdrawal of savings
- Alimony paid if deductible on your U.S. Form 1040
- Jury duty pay you gave to your employer
- Archer Medical Savings Account (MSA) deduction
- Health Savings Account (HSA) deduction
- Any other adjustments to gross income included on your 2024 U.S. Form 1040, Schedule 1. This does not include Medicaid waiver payments.

**Line 30:** Enter health insurance premiums, Health Maintenance Organization (HMO) premiums, or other insurance premiums you paid for yourself and your family. Include the following premiums:

- Medical insurance
- Dental insurance
- Vision insurance
- Prescription drug plan
- Automobile insurance (medical care portion only).

Do not include any insurance premiums deducted on lines 20 or 29, amounts paid for income protection insurance (long-term disability), long-term care insurance, or amounts paid by an employer with pre-tax payroll contributions. You must reduce an insurance premium by the federal premium tax credit received under the Patient Protection and Affordable Care Act. Use the 2024 U.S. Premium Tax Credit Form 8962 to calculate the net insurance premium. The annual total insurance premium (line 11(a) of U.S. Form 8962 or the sum of lines 12(a) through 23(a) of U.S. Form 8962) less the total premium tax credit (line 24 of U.S. Form 8962) may be claimed. Line 32: Total Household Resources are used to determine your eligibility for the credit. Taxpavers with total household resources over \$69,700 are not eligible for a credit in any category.

# **Credit Proration for FIP/MDHHS Benefit Recipients**

If you received FIP assistance or other MDHHS benefits in 2024, prorate your credit to reflect the ratio of income from other sources to your total household resources. To prorate your credit, complete your MI-1040CR-2, lines 1 through 32 first, then use the information from your MI-1040CR-2 to complete the FIP/MDHHS Benefits Worksheet.

## **Your Credit**

**Line 33:** Enter the amount below that applies to you (maximum \$1,800).

- FIP and MDHHS recipients, enter amount from line F of the FIP/MDHHS Benefits Worksheet.
- Taxpayers who have total household resources over \$69,700 are **not** eligible for a credit in any category. The computed credit (line 12) is reduced by 10 percent for every \$1,000 (or part of \$1,000) that your total household resources exceeds \$60,700. If you are filing a part-year return (for a deceased taxpayer or a part-year resident), you must annualize the total household resources to determine if the credit reduction applies. If the annualized income is more than \$60,700, use the annualized total household resources to determine the percentage allowable in Table 1 below. If the annualized total household resources is \$60,700 or less, no reduction is necessary. Then use actual total household resources attributable to Michigan on line 32. A surviving spouse filing a joint claim does **not** have to annualize the deceased spouse's income.

## MI-1040CR TABLE 1: HOMESTEAD PROPERTY TAX CREDIT PHASE OUT

Total Household Resources	Percentage Allowed
\$60,700 or less	100% (1.00)
\$60,701 - \$61,700	90% (0.90)
\$61,701 - \$62,700	80% (0.80)
\$62,701 - \$63,700	70% (0.70)
\$63,701 - \$64,700	60% (0.60)
\$64,701 - \$65,700	50% (0.50)
\$65,701 - \$66,700	40% (0.40)
\$66,701 - \$67,700	30% (0.30)
\$67,701 - \$68,700	20% (0.20)
\$68,701 - \$69,700	10% (0.10)
\$69,701 - above	0% (0.00)

# To annualize total household resources, to project what it would have been for a full year:

**Step 1:** Divide 366 by the number of days the claimant lived or was a Michigan resident in 2024.

**Step 2:** Multiply the answer from step 1 by the claimant's total household resources (line 32). The result is the annualized total household resources.

# Renters (Veterans Only)

See "Rent Eligible for Credit" on page 5.

Line 45: If you rented a Michigan homestead subject to local property taxes, enter the street number and name, city, landlord's name and address, number of months rented, rent paid per month, and total rent paid. Do this for each Michigan homestead rented during 2024 and for each time rental amounts changed. If you need more space, include an additional sheet. Do **not** include more than 12 months' rent. If you married in 2024, see page 6. Do **not** include amounts paid directly to the landowner on your behalf by a government

agency, unless payment is made with money withheld from your benefit. If you pay lot rent on your mobile home, subtract the \$3 per month property tax from the monthly rent amount. Claim the remaining balance of rent on line 45 and 46.

Line 47: Multiply total rent you paid on line 46 by 23%. If you lived in service fee housing, multiply total rent you paid on line 46 by 10%. If you are a mobile home park resident, then add the \$3 per month specific tax to the result.

**Line 48:** Contact your local assessor for non-homestead millage rate.

**IMPORTANT:** If you rented your Michigan homestead(s) for the entire year, complete lines 45 through 49. If you rented your Michigan homestead(s) for part of the year, complete lines 45 through 56.

**Line 52:** Multiply line 51 by 23%. If you lived in service fee housing, multiply line 51 by 10%. If you are a mobile home park resident, then add \$36 specific property tax to the result.

# **Direct Deposit**

Direct Deposit is only available on an original credit and may not be used to issue a refund on an amended credit.

Check with your financial institution to (1) make sure it will accept Direct Deposit, (2) obtain the correct Routing Transit Number (RTN) and account number, and (3) if applicable, verify that your financial institution will allow a joint refund to be deposited into an individual account.

Direct Deposit requests associated with a foreign bank account are classified as International ACH Transactions (IAT). If your Direct Deposit is forwarded or transferred to a bank account in a foreign country your Direct Deposit will be returned to Treasury. If this occurs, your refund will be converted to a check and mailed to the address on your tax return. Contact your financial institution for questions regarding the status of your account.

- **a. RTN.** Enter the nine-digit RTN. The RTN is usually found between the symbols |: and |: on the bottom of your check. The first two digits must be 01 through 12 or 21 through 32.
- **b.** Account Number. Enter your financial institution account number up to 17 characters (both numbers and letters). The account number is usually found immediately to the right of the RTN on the bottom of your check. Include hyphens but omit spaces and special symbols. Do **not** include the check number.
- **c.** Type of Account. Check the box for checking or savings.

# When You Have Finished

### Sign your return

Review your claim to make sure your name(s), Social Security number(s), address, and all other important information are on the claim.

If the return is completed by a tax preparer he or she must include the name, address, telephone number of the firm he or she represents and preparer tax identification number or federal employer identification number. Check the box to indicate if Treasury may discuss your return with your preparer.

The Taxpayer Protection Act requires paid preparers to sign the return and provide his or her preparer tax identification number. Additional information on the Taxpayer Protection Act is available at www.michigan.gov/taxes.

A paid preparer must not engage in any fraudulent tax activity. Any concerns related to fraudulent activity of a paid preparer may be reported to the Michigan Department of Treasury, Fraud Unit, P.O. Box 30140, Lansing, MI 48909.

Any tax-related identity theft concerns, see page 4 of the MI-1040 booklet.

	Percent of	
Filing Status	<u>Disability</u>	<u>TVA</u>
A. Blind (if each spouse is blind, the TVA is \$7,000)		\$3,500
B. Veteran with service-connected disability (or his or her surviving spouse)	10 - 50%	3,500

	90 - 100%	4,500
C. Surviving spouse of veteran deceased in service		4,500
D. Active military, pensioned veteran, or his or her surviving spouse		3,500
E. Surviving spouse of a non-disabled or non-pensioned veteran of the Korean War, World V	War II. or World W	ar I2.500

#### CREDIT COMPUTATION EXAMPLES

To calculate your credit, first divide the allowance from Table 2 above by the taxable value of your homestead. The result is a percentage (not to exceed 100%). Multiply this percentage by the property taxes levied on your homestead to arrive at your credit (maximum \$1,800).

**Homeowner's Example:** You are a 90 percent disabled veteran, age 66, with total household resources of \$20,000. Your home has a taxable value of \$15,000 and the property tax is \$750. As a disabled veteran your taxable value allowance (TVA) from Table 2 above is \$4,500. Compute the credit as follows:

\$4,500 TVA (from Table 2) / \$15,000 30% refundable (0.30)

\$750 property taxes x 0.30 = \$225 credit

**Renter's Example:** The taxable value of the rented homestead is determined by multiplying your rent by 23 percent and dividing the result by the non-homestead millage

rate. For example, you are a pensioned veteran and rent your home for \$395 per month. Your local assessor tells you the non-homestead rate for your home is 56 mills (0.056 or \$56 for every \$1,000 of taxable value). Compute the credit as follows:

\$395 monthly rent x 12 = \$4,740 yearly rent

 $\$4,740 \times 0.23 = \$1,090$  taxes attributable to rent

\$1,090 / 0.056 (non-homestead rate) = \$19,464 (taxable value)

\$3,500 TVA (from Table 2) / \$19,464 (taxable value) = 17.98% (0.1798) refundable

1,090 property taxes x 0.1798 = 196 credit

#### NOTE:

- Blind people who rent their homestead do not qualify for the credit on the MI-1040CR-2 and should file as blind on the MI-1040CR.
- Contact your local assessor for the non-homestead rate.

# School District Code List (See MI-1040CR-2, line 4.)

Michigan public school districts are listed alphabetically with the code numbers to the left of the names. When more than one district has the same name, the city or county name in parentheses helps you choose the right district. Residents, choose the code for the district where you lived on December 31, 2024. Call your local assessor or treasurer if you do not know your school district name. Nonresidents, enter "10000" in the school district code box.
