1. The base may be the adjusted fair market value of the property on July 1, 1962, or

Line 20: Enter income reported as "Other Income" on U.S. Form 1040, *Schedule 1* and received while a resident in Column A, except for income from recoveries related to federal itemized deductions from prior tax years.

PART 2: Subtractions from Income

NOTE: For the period a taxpayer was a resident, any expense listed may be subtracted in full. For the period a taxpayer was a nonresident, the subtraction is limited to the share of total income earned in the City of Detroit.

Line 22: Enter the amount deducted on your federal return for contributions to an Individual Retirement Account (IRA) and/or a retirement account for the self employed (i.e., Keogh/SEP). Contributions made while a nonresident may be subtracted only to the extent income was earned in the City of Detroit.

Line 23: Ordinary, necessary, reasonable and unreimbursed expenses paid or incurred by an individual in connection with the performance by an individual of services as an employee may be deducted from gross income in determining income subject to the tax to the extent the expenses are applicable to income taxable under this ordinance. - Expenses of travel, meals and lodging while away from home.
- Expenses incurred as an outside salesman who works away from their employer's place of business.

Line 24: Moving expenses incurred by members of the Armed Forces on active duty pursuant to a military order and incident to a permanent change of station that qualify under the Internal Revenue Code as a deduction on your federal return may be deducted on your City of Detroit return. The City of Detroit deduction is limited to moving expenses in connection with new employment in the Detroit area. Multiply eligible expenses by the ratio of Detroit taxable income after the move to total income after the move. Taxpayers may not subtract moving expenses for moves outside the City of Detroit. Include U.S. Form 3903 with your return.

Line 25: For nonresidents, compute the alimony deduction by dividing your City of Detroit income received while a nonresident by your federal Adjusted Gross Income (before alimony deductions). Multiply that amount by the amount of alimony paid.

Line 26: If applicable, residents should enter Renaissance Zone deduction in Column A, and **include Renaissance Zone approval letter.**

Line 27: Net profits received from a financial institution or an insurance company should be included here.

Enter net operating loss carryover. Operating losses are carried forward; no carryback is allowed.

PART 3: Income Tax Calculation

Line 30: Exemptions on line 8f are multiplied by \$600. The amount allowed for exemptions is prorated based on the number of months subject to each tax rate.

Line 32: When a loss exists on line 31 (if line 31 is negative) in either Column A or B and there is income in the other column, line 32 must be used to subtract the loss from the income column to arrive at taxable income (or loss) on line 33.

Example: A taxpayer reports \$12,000 on line 29, column A, and -\$1,000 on line 29, column B. The taxpayer has 3 exemptions and was a Detroit resident for six months. The taxpayer would report \$900 in each column of line 30. Line 31 would have \$11,100 in column A and -\$1,900 in column B. Since column B has a loss, that loss is transferred to column A on line 32. The taxpayer would enter \$1,900 in column A (the loss is entered as a positive number). For line 33, column A is \$9,200, \$11,100 - \$1,900. The taxpayer would report \$0 in Column B.

Line 33: If you can be claimed as a dependent by another taxpayer and the sum of columns A and B for line 33 is less than \$600, enter \$0 on Line 34.

Line 34: Multiply line 33, Column A by 2.4 percent (0.024) and line 33, Column B by 1.2 percent (0.012).

PART 4: Credits and Payments

Line 36: Enter the amount of city income tax withheld from a *City of Detroit Withholding Tax Schedule* (Form 5121), line 5. W-2 forms are no longer accepted. File Form 5121 and a *City of Detroit Withholding Tax*

Continuation Schedule (Form 5253), when applicable. The credit for withholding may be denied if you do not complete and include Form 5121.

Use Form 5253 when you have more than eight W-2s to list on Form 5121. Carry the total from column E on Form 5253 and add it to the total on line 5 on Form 5121.

Line 37: Enter total payments made on a 2018 City Estimated Individual Income Tax Voucher (Form 5123). Include the amount of your credit forward from the prior year and payments made with extensions for 2018.

Line 38: Enter the amount of city income tax paid for you by a partnership from Form 5121, line 6.

Use Form 5253 when you have more than three partnerships to list on Form 5121. Carry the total from column C on Form 5253 and add it to the total on line 6 on Form 5121.

Line 39: The credit only applies for tax paid on income received while a resident. Enter tax paid to another City.

Note: The credit may not exceed 1.2 percent the income earned in the other city. Enter the name of the city to which the tax was paid.

PART 5: Refund or Tax Due

Line 41a: If line 35 is greater than line 40, subtract line 40 from line 35. Enter the difference on line 41a.

Line 41b: You will owe interest for late payment of tax if you pay after the due date. The interest rate is 1 percent above the adjusted prime rate and is adjusted on January 1 and July 1 of each year. Interest is charged from the original due date of the return to the date the balance of the tax is paid. The interest rate through June 30, 2019 is 5.9 percent annually (.0001616 daily rate). For interest rates after June 30, 2019 visit www.michigan.gov/citytax or call 517-636-5829. Calculate your interest, if applicable, and enter on line 41b.

Line 41c: You will owe penalty for late payment of tax if you pay after the due date. Penalty accrues monthly at one percent of the tax due, and increases by an additional one percent per month, or fraction thereof (e.g., penalty on a \$500 tax due will be \$30 if the tax is unpaid for six months). Calculate your penalty, if applicable, and enter on line 41c.

Line 41d: Typically, if you owe more than \$100, you are required to make estimated payments. You may owe penalty and interest for underpayment, late payment, or for failing to make estimated tax payments. Use the *City Underpayment of Estimated Income Tax* (Form 5338) to compute penalty and interest. If you do not file Form 5338, Treasury will compute your penalty and interest and send you a bill. If you annualize your income, you must complete and include Form 5338. Enter the penalty and interest due from Form 5338, line 26.

Line 41e: Add lines 41a through 41d and enter the total on line 41e. This is the total balance due with your return.

If the balance due is less than \$1, no payment is required, but you must still file your return.

See “Pay” address on page 3 of Form 5120. Make checks payable to “State of Michigan - Detroit.”

Line 44: Subtract line 43 from line 42. The City of Detroit does not refund amounts less than \$1. Mail your City of Detroit return to the “Refund or zero returns” address on page 3 of Form 5120.

PART 6: Amended Return

Line 45: If you placed an “X” in the amended box on page 1, enter the reason for amending your return.

IMPORTANT: You **MUST** place an “X” in the box on top of page 1 of the return and complete the AMENDED RETURN WORKSHEET on page 13.

Include all payments made with the original City of Detroit Income Tax return on line 37. If line 42 computes to be an overpayment, it should be adjusted to reflect original refunds and credits as set forth on the previous page.
